CORRESPONDENCE.

WHITE SALMON. FROM THE ENTREPRISE.

Mr. Nealy met with an accident at the saw mill Thursday by which he lost a couple of fingers. He got them mixed up in the cut-offf saw in some manner. Dr Gearhart dressed the wounded hand and the patient is now getting along all right. getting along all right.

A. H. Jewett is attending the meet ing of the State Grange at Spokane this week. From accounts in the Spokane papers they seem to be having a very interesting session, and some important subjects are being dis-

Mr. J. H. Law, who purchased forty acres on Pine Flat and moved on to it about a year ago, has been doing things since he went up there. His things since he went up there. His place was entirely unimproved when he went there, but now he has sten acte orchard set out with a substantial four strand baib wire fence around it and thirty acres in pasture. This land was all covered with heavy tim-ber only a year ago. Mr. Law is just-ly proud of his year's work and in-vites all who wish' to see what pluck and energy can do to come and see him and examine his place. It is thought by many that no better con-ditions for successful apple culture can be found anywhere in the country. There is now a movement on foot to

There is now a movement on foot to gravel Wyers avenue for the full length. That is a move in the right direction. Any permanent improve-

We have not been ifurnished with an analysis of the water or the tem-

somewhat with building operations around town. Both the new bank building and the Odd Fellows hall are being seriously retarded by the rain, but the farmers are not kicking seri-ously on account of it.

R. R. Imbler opened up his store Monday morning and is doing a good business. He was delayed somewhat by the nonarrival of the store front which had been ordered so that he could not open so soon as he desired. He has a new line of 'furnising goods and clothing and will no doubt re-ceive his share of the trade. ceive his share of the trade.

Joe Robbin departed for his old home in Kansas Monday. He will go by way of San Francisco and view by way of San Francisco and the the ruined city. Joe has been the driver of the White Salmon Trout Lake stage ever since he has been here ab ut two years and a half.

Travelers on this popular route will miss Joe's happy smile and good hu-Joe expects to return to White Sal mared counter netime in the future.

Mr. Arthur Middleswart, from the East, is visiting his uncle, Mr. E. J. Middleswart. Mrs. James Watt and daughters, Misses Agnes and Viola, of the Dalles, are occupying Mr. Stevenson's resi-dence. Mrs. Watt brings her daugh-ter, Miss Agnes, who has been very tern home with the body of the little one wan had been so recently ter, Miss Agaes, who has been very seriously sick for some time, to Mo sier, with the hops of benefiting her

ter, Miss Agaes, who has been very seriously sick for some time, to Mo sier, with the hop of benefiting her bealth. Misses Edna Root and Mary Mid-dleswart and Laurean Dunsmore were visitors to Hood River last week. Mrs. Morgan's mother and sister, of Boise City, Idaho, are guests at the Morgan home.
