We are too modest to advertise that we are the oldest and largest Bank in Hood River valley, and we would not want to say that ours is the best bank, but we do not hesitate to say that we are right good people. Our business is growing all the time, and we want to keep it growing, so strangers are welcome when properly identified. The same courteous treatment is extended to the customer with a small account as is accorded to his neighbor with a large balance, for you can never tell how large a small account will grow.
