the proper thing. Last week we said it was an experiment, but this week we can say that it is no longer an ex-periment. It lays the dust effectually and in the end will not cost as much as sprinkling with water, and then it lasts. It is somewhat offensive to the olfactories at first, but that soon wears off, and the objection that it tracks up the stores is far fetched. Chicago, July 30, -Marshal Field's executors will be asked to pay taxes amounting to about \$2,500,000. This will be by far the gretest sum ever levied upon the property of an indi-vidual taxpayer and is the practical result of a decision by the board of review today fixing the personal prop-erty on which the Field estate must pay taxes at \$130,000,000. The real estate is worth about \$50,000,000, making the toatl amount of property on which that estate will have to pay

The readers of this paper will be pieused to learn that there is at least one dreaded disease that science has been able to cure in all stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

OFFICERS:

J. A. Byrne, Cashier.

DIRECTORS: C. M. Wolfard,

I wish to say to all our old friends and customers who for so many years came to our shop for their meats, that it is useless for me to introduce Wood Bros., our successors, as their 18 years in the butcher business in Wasco county has made them so widely known that an introduction is unnecessary. Being honest, capable business men, they have the means and ability to rwn a business as it should be run, and in a way that will be a credit to our city.

I expect to stay with the new firm for awhile, and will be glad to see you all at the old stand. I will guarantee that you will get just as much meat for your money, just as courteous treatment and just as prompt service as can be had in the city.

We will have a full line of everything good to eat for the Spring trade.

Respectfully yours. E. S. MAYES.
