OPINIONS ABOUT STREET LIGHTS
WHAT CITIZENS THINK ON SUBJECT
Sentiment In Favor of More Lights If City Is In Financial Condition to Pay For Them.

In order to ascertain the sentiment of Hood River business men in regard to having the city make some provision for a more adequate system of lighting the streets of the glacier has interviewed a number of them on the subject. It was not possible to obtain the views of all interested and some of these men did not care to make any statement in regard to it, but the majority seem to be in favor of having more street lights. Some do not however, think the city is in a position financially to make a contract to that effect and state that if there is any surplus in the city treasury it might be better to use it in defraying the current expenses of the city or in improving the streets. On the other hand there are those who think that the proper lighting of the streets is an absolute necessity and should be done in any event, even if it should be necessary to levy a special tax for the purpose.

Buyers Still Offering Big Prices for Winter Varieties—One Shipment Goes to Vladivostok.

Indisputable proof that apples are again on their way to market is evidenced by the wagon loads of boxes that are being taken out of the city and the full ones are being brought to town. Early apples are commencing to move and sales for many thousands of boxes of late ones have been brought to a successful issue or are being bargained for.

HOOD RIVER AS AN EXAMPLE.
Tillamook recently held a big carnival and county fair at which a number of prominent men in the state made speeches, among them was Dr. James Withercomb, who in speaking of Hood River said—
"Take Hood River—a little valley—a few years ago. A few progressive men got together and organized what they called a fruit growers' union, not to grow fruit, but to market it. Today Hood River is just as well known in London and Paris and Berlin as in Oregon. What did it? In intelligent organization, high class product."
In this connection Dr. Withercomb urged the farmers in Tillamook county to organize for the purpose of advertising and selling their fine dairy products.
Lower Fares Take Effect.
The reduction in passenger fares on Union Pacific and Oregon Short Line routes lately announced by the Harriman passenger department have just become effective, owing to a delay in preparing schedules for the information of agents. The new tariffs were to have gone into effect in July. Today the rates are as follows: Portland to Denver over the Union Pacific will be \$11.50 instead of \$45. Fare from Portland to Boise will be \$15.15 instead of \$31.50 as formerly, and the charge of \$31.50 from Portland to Salt Lake will be cut to \$27.
The reductions place the fare throughout the West on the Harriman lines at 3 cents a mile with the exception of Nevada, Arizona and New Mexico, where fare is charged on a basis of 4 cents. The rates in that territory have been lessened from 5 cents to 4 cents a mile by the reductions just made.—Oregonian.

There is nothing so pleasant as that bright, cheerful, all-peace-with-the-world feeling when you sit down to your breakfast. There is nothing so conducive to good work and good results. The healthy man with a healthy mind and body is a better fellow, a better workman, a better citizen than the man or woman who is handicapped by some disability, however slight. A slight disorder of the stomach will derange your mind. Get away from the morbidness and the blues. Keep your stomach in tune and both your brain and body will respond. Little indiscretions of over-eating can be easily corrected and you will be surprised to see how much better you feel. Try a little Kodol For Dyspepsia after your meals. Sold by Williams' Pharmacy.
