

TERRIBLE CRIME NEAR PRINEVILLE

News came from Prineville on Monday morning of a horrible crime committed near that place at an early hour of the morning...

MARSHAL SOULT.

English Views of the Famous Lieutenant of Napoleon. "When I had Soult as my opponent I could eat, drink and amuse myself without fear of being surprised."

It was a masterly retreat, and throughout it he was not only watching for the best advantages to be gained, but testing the spirit of his men.

He continued the retreat, facing every difficulty of country and weather, but never deterred, and finally crossed the Cavaudo "in full time, for the English guns were thundering on the rear."

A LETTER

I wish to say to all our old friends and customers who for so many years came to our shop for their meats, that it is useless for me to introduce Wood Bros., our successors, as their 18 years in the butcher business in Wasco county has made them so widely known that an introduction is unnecessary.

I expect to stay with the new firm for awhile, and will be glad to see you all at the old stand. I will guarantee that you will get just as much meat for your money, just as courteous treatment and just as prompt service as can be had in the city. We will have a full line of everything good to eat for the Spring trade.

Respectfully yours, E. S. MAYES.
