A LETTER

I wish to say to all our old friends and custom- ers who for so many years came to our shop for their meats, that it is useless for me to introduce Wood Bros., our successors, as their 18 years in the butcher business in Wasco county has made them so widely known that an introduction is un- necessary. Being honest, capable business men, they have the means and ability to run a business as it should be run, and in a way that will be a credit to our city.

Expect to stay with the new firm for awhile, and will be glad to see you all at the old stand. I will guarantee that you get just as much meat for your money, just as courteous treatment and just as prompt service as can be had in the city.

We will have a full line of everything good to eat for the Spring trade. Respectfully yours, E. S. MAYES.

Hood River. Of course a large number of Port- land people will go to Hood River Thursday to attend the annual fruit fair and the meeting of the Irriga- tionists. As many as can spare the time should go. It is but a short stunted hospital one, and on- trip; it is a pleasant one, and in- teresting. The people of the enterprising people of Hood River awaits all visit- ors. The Hood River valley is famed for its apples and strawberries throughout the land, and in overseas capitals. It's apples, to be seen there in great profusion this week, are con- sidered by fruit epicures and connois- seurs in various countries to be the best produced in the world. If they can be equaled any where it is in southern Oregon. But the merit of the Hood River apples did not come known far and wide by silence and inactivity about them. Hood River loomed its mellow horn, and the world listened, looked, smelt and taste- ed, and to its surprise and delicta- tion found that Hood River was no fraud, that it was able to make good, and then some. Hood River valley is not only the best, or equal to the best, apple pro- ducing region in the world, but it has other claims and attractions. Be- sides its also famous strawberries, other fruits and berries can be raised there, and hay and other crops. It is supplied with excellent water power, timber is not far away, the great Col- umbia flows at its feet, and better than all, its people are intelligent, progressive, enterprising and moral- a community of as good citizens as can be found in the country. The fair will be well worth attend- ing, and there will be interesting and instructive discussions of the very important subject of irrigation, by those who have made it a study and in which Oregon is so vitally inter- ested. So the trip to Hood River should be both pleasurable and profit- able.—Oregon Journal. Coe's Addition on the Market. We have placed in our hands for sale, all the lots belonging to H. C. Coe in Coe's Addition to Hood River. Lots will be sold at the price of \$200 and up for the next 30 days. This is the best opportunity to secure lots in this beautiful portion of Hood River ever offered the public. The number is limited and the choice should be made early. One lot with house, was sold last week. Five lots and house were sold yesterday. Two more to-day. They will not last long at these prices. For further information see W. J. BAKER & CO. A cold is much more easily cured when the bowels are open. Kennedy's Lavette Honey and Tar opens the bowels and drives the cold out of the system in young or old. Sold by Wil- liams' Pharmacy.

Are You Being Poisoned? If your liver is working right you probably are not. When the liver is overworked, as it fre- quently is, the system be- comes clogged. It is then that sallow complexion, bad taste in the mouth, headaches, dizzy spells, continuous languor, etc., indicate that the poison- ous matter which should be carried off is slowly tainting the blood. If not remedied at once this condition will cause se- rious trouble. CLARKE'S PIL CASCARA COMPOUND provides just what is needed to quicken the liver into natural, healthy action. If you take these pills when needed all danger of this slow poison- ing is avoided. Posi- tive cure for constipation. Price 25 cents CLARKE THE DRUGGIST
