The house was practically sold out in two days after the sale commenced, and the S. R. O. sign was displayed early in the evening. Much credit of the performance is due to the "put on" the duo G. A. Clarke, who "put on" the show, and who were backed up by every company for its success, besides taking one of the most prominent parts in the entertainment. Railroad Commissioner Visits Here. C. B. Alchison, state railway commissioner, came to Hood River Friday. Mr. Alchison said he was not here on a formal visit, but merely to get acquainted with the territory and to familiarize himself with the railroad situation. He said that the statement that there would be a meeting of the commission here was a mistake and that no complaints had been made to it in regard to rates. He conferred with several shippers and investigated the sanitary conditions of the railroad stations and also paid a visit to the office of the Mount Hood Railroad company. The commission, he said, might decide to come to Hood River later, but at present there was nothing that warranted a visit from it. Mr. Alchison is interested through the Title Guarantee and Trust company, of Portland, in some property at Hood River and while here examined it. He left town on the local for Dallas, where the commission had a meeting Saturday.

Married in Portland. A very pretty wedding of local interest took place in Portland Wednesday when Chas. L. Tostevin, son of Mr. and Mrs. N. Tostevin, of Hood River, and Miss Edith Bernice Oliver, of 15 North 18th street, Portland, were married. The ceremony took place at the home of the bride at 8:30 in the evening, being performed by the Rev. Clarence True Wilson. The bride's dress was of chiffon with a bridal veil and she carried a bouquet of lilies of the valley. The best man was Jas. Ambrose, an intimate friend of the groom, and the bridesmaid was Miss Cora Osmond. The wedding was attended by 75 relatives and friends of the bride and groom, among whom were Mr. and Mrs. Tostevin of this city. After the wedding supper the bride and groom left supposedly for the railroad station to take the train for Vancouver, B. C., on their bridal tour. Mr. Tostevin, however, knowing that a large party of his young friends were assembled at the station for the purpose of giving him and his new wife a rousing send-off instructed the hackman to drive to the Portland hotel, where they remained until Thursday morning, when they left for Vancouver, unannounced by a deluge of rice and old shoes.

Heilbronner-Lavenson. Mr. J. H. Heilbronner and Miss Ella Lavenson were united in marriage at the residence of the bride's parents, at Portland, Sunday, March 17. Rev. Dr. Wise officiated. The wedding was a quiet one, only the immediate family of the contracting parties being present, and Mr. and Mrs. Heilbronner came on the evening train to Hood River, where they will make their future home. The groom is the senior member of the real estate firm of J. H. Heilbronner & Co., and has been a respected citizen and business man of Hood River for over a year. The bride is the daughter of Mr. and Mrs. M. Lavenson, of Portland, a very estimable young lady. The Glacier offers congratulations.

The ceremony took place at 2:30 p. m. and was performed by Rev. W. A. Wood. The wedding was a very quiet one as even the most intimate friends of the bride and groom did not know of it until after they had left town. The newly married couple took the local Sunday for Portland and from there went to Aberdeen where Mr. Ferguson has secured a position. Mrs. Ferguson was for some time employed in the store of L. H.
