AN HONEST PACK.

sections which are "as good as Hood offers a solution of the difficulty. River." Second grades from this seca holiday basis. Portland Front street is full of apples, mostly from the Willamette valley, and the commission men say that the trade is looking for apples for the local markets which they can buy for 75 cents to a dollar a box, mostly at the former price. It is also the clearing time for the bulk of the poor keepers and fall apples, and gives the market a surplus at this

The balk of the Hood [River crop has been marketed, although there are a good many in the Davidson ware house yet to be shipped to New York. Reports from Burt Van Horn to the Davidson Fruit Co. say that notwithstand ng the dull market for the ordinary good, bad and indifferent stocks of apples from other sections, the market for Hood Rivers has not declined. He says that Hood River is ples coming into New York, and is

are strictly first-class, well packed and possible corner in a copper stock. true to color. There never was a more sharp line drawn in New York than has been the case this year between reputation of Hood River for an hontinue to send out apples which will difference this year has been as high produced as two dollars a box. It means an additional value to Hood River orchard

Getting Ready for Xmas

We are opening up one of the finest lots of Xmas gifts that has ever been brought to the City. We have presents for old, middle aged and young. Ornamental presents, useful presents, and some that are not useful, but will make the young hearts glad and cause the older ones to feel ten years younger by the amusement they afford. Don't fail to be on hand early. Follow the crowd and you will be at this store.
