

OJR BOYHOOD'S HAPPY DAYS

Our friend, A. I. Blair, grew up in Iowa where the winter climate is somewhat different from that of the Willamette valley...

Yes, sir! Boyhood's happy days, of course. We know about that. We haven't forgotten the joy of sleeping in an unheated loft in winter...

Morning, too. We got up at 4 a. m. pitch dark, four below zero, and still going down! We had to set up, hustle out, and milk the milking herd...

Then came the merry spring time. Rise at 2:30 a. m. More lowing herd! The herd lowing owing to the joy of fodder being low.

No memory is connected with the joy more than the spring crop working. Can we ever forget the plowing? How we held the plow when we had to reach up with a pike pole to get the handles...

Then, when we had carried in the wood, brought forty gallons of water from the spring and eaten about eight pounds of solid food, we went joyfully upstairs—and came down again immediately to breakfast.

We often dream and wake to weep for the days gone by when the hay was ripe. We recall the old swamp that always had to be cut by hand. We recall little stones that we rapped the edge of our blades on.

Well, well! How it all comes back to us!—Chicago News.

Is Now a City. Last week Stevenson donated the attire of an incorporated town. As yet it is in its infancy, but all large cities were small towns at one time, and all are compelled to go through the same ordeal that confronts us.

Rank Foolishness. "When attacked by a cough or a cold, or when your throat is sore, it is rank foolishness to use any other medicine than Dr. King's New Discovery."

Alarmed Her. "Yes," said the learned boarder from the city, "the antipodes are right beneath our feet."

Rev. Carlisle P. B. Martin, L. L. D. Of waverly, Texas, writes: "Of a morning, when rising, I often find a troublesome collection of phlegm which produces a cough and is very hard to dislodge..."

Elect Officers. Quite an enthusiastic meeting of the Commercial club was held at Odd Fellows hall Thursday evening, at which the annual election of officers was held.

Bad Stomach Trouble Cured. Having been sick for the past two years with a bad stomach trouble, a friend gave me a dose of Chamberlain's Stomach and Liver Tablets.

Didn't Fit. Peddler—That little book on "How to Preserve the Hair" is the key to the entire situation. Baldhead—I'm very sorry, but I haven't a single lock that it would fit.

Chamberlain's Cough Remedy a S. F. Medicine for Children. In buying a cough medicine for children, never be afraid to buy Chamberlain's Cough Remedy.

Correspondence Solicited. The President of the company is city engineer, and is prepared to do surveying and civil engineering work of all kinds.

FROM THE ANTILLES. Chamberlain's Cough Remedy Beats a City Councilman at Kingston, Jamaica.

Mr. W. O'Reilly Fogarty, who is a member of the City Council at Kingston, Jamaica, West Indies, writes as follows: "One bottle of Chamberlain's Cough Remedy had good effect on a cough that was giving me trouble and I think I should have been more quickly relieved if I had continued the remedy."

New Band Progressing. The members of the White Salmon band certainly deserve credit for the hard and continuous practice they have been putting in since they have been organized.

Simple Cure for La Grippe. La grippe coughs are dangerous as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need be feared.

Santa Breaks His Neck. Pittsburgh, Dec. 30.—Jackson Stillley, 50 years of age, a well known resident of West Elizabeth, near here, while stealthily trying to escape the eyes of the younger members of the family...

The old remedies are the best. Hickory Bark Cough Remedy has been in use for over one hundred years by the old Dutch Duncards of Pennsylvania...

Little Chick—What do you let that ugly little thing come under your wing for? Old Hen (who has inadvertently hatched duck's egg)—Faint help it, my dear. We've got to put up with the creature because she belongs to our set, you know.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness.
