CHOICE FRUIT LANDS
This is where fruit large and small grows to perfection and commands the highest market price.
A Favorable Location.
In Skamania County, the Southern part of Washington, on the eastern slope of the Cascade range, thus lying between the two extremes—the excessive rainfall of the coast and drought of the eastern part of the state; and directly opposite Hood River.
There is no boom.
Our land is selling on its merits and at reasonable prices.
A Specialty of Small Tracts.
We have now completed the survey of a large tract and can furnish for you. Come and make your selections as a delay means that you will pay more money as prices are advancing.
I have also Klickitat County grain and grazing lands, highly improved farms and reasonable prices.
