MRS. ERNEST THOMPSON SETON.

point of interest of its 400 and more pages is that Mrs. Ernest Thompson Seton is a crack shot...

All these tales of the hunting field Mrs. Thompson Seton relates with much gusto and snap.

This brilliant set of entertaining anecdotes of Mrs. Thompson Seton's "kills" in the far west and in Canada is striking when it comes to be compared with Ernest Thompson Seton's emphatic announcements over a number of years that he only shoots for food...

Neatness and Matrimony. Scrupulous neatness, even to the smallest trifles, often determines a man's decision regarding the marrying of a girl more than any other thing.

Men very quickly notice buttons off shoes, gloves, dress or coat, or soiled gloves, or spots upon the clothing, and are always prejudiced by them.

Nothing is so disappointing to the male sex as to find that the girl from whom so much was expected is found wanting in the matter of neatness and orderliness.

Not long ago a young man had occasion to travel by an early train every morning and got to know a pretty, well dressed young lady who always went by the same train.

He fell in love—but one morning he became disillusioned. As the girl alighted from the train he saw a large hole in her stocking above the heel of her shoe.

He was so particular about being neat himself that he could not stand untidiness in others. If this girl could be slovenly in small things he argued, she would certainly be so in large and careless about the house.

And so was perfectly right. All thoughts of asking her to share her life with him have vanished.

Slovenliness in dress without doubt indicates a similar defect in home life. We should all try to make a good impression on people. The world judges a great deal by outward appearances.

Is not the word of a representative citizen of Hood River more convincing than the doubtful utterances of people living everywhere else in the Union? Read this: Isaac Ford, Hood River, Oregon, says: 'I used Doan's Kidney Pills about four years ago while living in Iowa and the results obtained were most satisfactory. At that time, I was suffering severely from kidney trouble, lumbago and rheumatism, and in spite of the use of many remedies, blisters and plasters, I obtained no relief.'

era paper, will be highly appreciate by those who suffer: Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminating tissues of the kidneys, so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.
