week to their place at Mt. Hood. Since they left here they have been in Eureka, Calif., most of the time, coming from Prineville here, however.

At the grange meeting last Friday evening the first six bills to be voted on in June were discussed. The discussion was very interesting.

The literary program consisted of a farce entitled, "Wanted, a Husband," given by Miss Myrtle Tomlinson, O. A. Knox and J. P. Cooper. The parts were very well taken, especially Mr. Knox as the Dutchman, receiving much of the audience's attention.

The next grange meeting is to be Saturday evening, April 18, instead of Friday, as the hall will be occupied by the primary election on Friday.

Mr. J. C. Jones died last Friday morning at 5:30 o'clock, after an illness of about two years. He had been confined to his bed only about a week, when the end came. He was surrounded by all the care and attention a loving family could devise, but it was a blessed relief to him to be free from pain, which had been his portion for so long. His wife and son, Charles, and daughter, Lottie, were with him at the last. His eldest son, James, who resides in San Francisco, was sent for, but did not arrive in time to see his father alive.

The funeral was held Sunday at the residence, Rev. Branstetter conducting the services. Two appropriate selections were sung by the choir and Rev. Branstetter made a very comforting and beautiful talk. The services were brief, after which the remains were taken to the cemetery for interment.

The pall bearers were chosen from friends of the deceased, being James Langille, A. R. Billings, C. A. Puddy, Jesse Davidson, H. C. Knab and W. L. Owen. A large number of friends attended to do honor to their esteemed neighbor and friend. It is said to be the largest procession at Mt. Hood, there being 34 teams. The services at the grave were short, but impressive. Loving hands had lined the grave with evergreens and flowers, which tended to take away the harshness of the separation. The floral offerings sent by friends were many and very beautiful, being the last tributes of affection that could be offered by loving friends.

Bolton, Clerk. DOCTOR USED D. D. IN HIS PRACTICE. Eminent Physician Says This Great Liquid Prescription is Certain Cure for Eczema. Still another Eczema specialist comes forward in enthusiastic praise of D. D. Prescription, the wonderful external remedy which cures Eczema and other similar diseases like magic. He is Dr. C. B. Holmes, of Silver City, Miss., and in summing up his impressions of the startling cure D. D. D. has effected, he says: "I have been using your D. D. D. for four years with gratifying results. It is AS NEAR A SPECIFIC FOR HERPES, ECZEMA, PSORIASIS, ETC., AS IS QUININE FOR MALARIA." Dr. Holmes is one of hundreds of physicians who use D. D. D. in their daily practice. The D. D. D. company allows physicians to use their remedy with the understanding that they tell their patients what it was that cured them when the terrible itch has been wiped out, the skin healed and the raw wound covered over with soft white skin. D. D. D. is not a nasty paste to smear the skin and clothing, but it is a clear liquid. It is advisable to use D. D. D. soap in connection with D. D. D. Prescription. Is any further proof of the curative powers of D. D. D. Prescription necessary? That remedy is sold at Keir & Cass' drug store, Hood River, Oregon. Come in and let us show you convincing proof that D. D. D. will cure your skin disease. Even if you have not decided to use D. D. D. remedy come in and explain your case anyway. Call for Bids.
