

Announcement.

State Senator

"I hereby announce to the voters of Wasco Co. that I am a candidate for the Republican nomination of State Senator, subject to their approval at the primary election to be held April 17, 1908.
HENRY L. KUCK.

N. J. Sinnott for Statement No. 1.

Firmly believing in the election of United States senators by the direct vote of the people and in the old Republican principle of majority rule, and in consideration of the fact that the direct primary law including Statement No. 1 is a measure adopted by almost 40,000 majority in an overwhelmingly Republican state and by over 1500 majority in Wasco county, and in view of the further fact that both Republican candidates for United States senator have announced themselves as favorable to the statement, I have concluded after mature consideration to place myself and my candidacy for state senator from Wasco county upon what seems to me the people's platform and declare for Statement No. 1 and the election of United States senators by direct vote of the people, for under existing laws it is only by invoking the principle of Statement No. 1 that the people may practically secure their choice for United States senator.
