

Hood River Glacier

Issued Every Thursday by ARTHUR D. MOE, Publisher.

Terms of Subscription—\$1.50 a year when paid in advance.

Republican Ticket.

- Submitted to the voters of Wasco County at the General Election to be held June 1, 1908: For United States Senator—H. M. CAKE. For Congressman—W. R. ELLIS. For Supreme Judge—ROBERT S. BEAN. For Railroad Commissioner—CLYDE E. ATTCHISON. For State Senator—N. J. SINNOTT. For Representative—J. L. CARTER, of Hood River. DE. H. C. DODDS, of Dufur. For District Prosecuting Attorney—FRED W. WILSON. For County Judge—A. E. LAKE. For County Clerk—F. K. Angie. For Sheriff—LEVI CHRISMAN. For County Treasurer—F. S. GUNNING. For County School Superintendent—J. T. NEFF. For Assessor—J. W. KOONTZ. For County Commissioner—C. H. STROUGHTON. For County Surveyor—A. W. MOHL. For Coroner—C. N. BURGESS.

A San Francisco barber charged a sailor of the fleet \$4 for a hair cut, and the barbers' union has suspended his permit.

It will take twenty cars to transport the combine harvesters which have been sold in Umatilla county this year.

A new irrigation project under consideration will take 30,000 inches of water from Rogue River, which will irrigate 30,000 acres of land in the Rogue River valley.

The program for the Cherry Carnival at The Dalles is printed in another column. Hood River people should not only attend in large numbers, but make some good exhibits and carry off some of the prizes, as usual.

Among the iniquitous bills which should be voted NO is the "recall bill." It would result in endless elections and strife which could be occasioned at any time by any one having a spite against a public official, and should be defeated. Vote NO opposite No. 325 on the ballot.

With a solid support in this valley, the election of J. L. Carter to the legislature is assured. The large primary vote Mr. Carter received all over the county is an indication that he will run well in all precincts, and it will be repeated on election day. Mr. Dodds, of Dufur, is also receiving the loyal support of the Republican party throughout the county, and will be sent to the legislature with Mr. Carter. The interests of the county, as well as Hood River, can safely be placed in their hands.

The Laidlaw Chronicle, recently sold by W. P. Myers, candidate for the nomination for district attorney on the Republican ticket, to John A. Seabury, comes to our table this week in colors, the first page having much the appearance of the Portland Journal. It will be remembered that Mr. Seabury started to walk from Portland to Laidlaw and covered over 100 miles of the journey on foot. This was quite an advertising stunt, and gained the new editor much

notoriety. He has put new life into the newspaper business of Laidlaw, and is bound to make a success, while the paper will be a benefit to Laidlaw.

While there is little probability that Governor Chamberlain will receive the vote for United States senator he did for governor, yet too much should not be left to indifference or chance, but every Republican vote should be cast for Mr. Cake. There is no good reason why a Democrat should represent a state which is two-thirds Republican, but the only way to prevent it is to vote for the Republican nominee. This is a time when friendship or mere personality in favor of Governor Chamberlain should cease. Vote for Republican principles, rather than for the individual.

The action of The Dalles Business Men's Association in endorsing our county division bill, is appreciated by Hood River, and if there were any doubts as to the sincerity of The Dalles people that they would not oppose us, it is now removed. The letter is as follows:

The Dalles, Ore., May 15, 1908. To the President and Directors Hood River Commercial Club, Hood River, Oregon. Gentlemen—Your communication of 6th inst regarding the initiative in the matter of Hood River County, was read at a meeting of our board last evening and I was instructed to convey to you the greetings of this board, and to assure you that your plan for cutting off the new County would have the full support of this body, and we wish you every success.

Very respectfully, J. M. PATTERSON, Secretary.

One of the greatest attractions of Rose Festival week will be the 50-mile and 100 mile automobiles speed contests to be held during the afternoon of Thursday, June 1. This will be the greatest racing event ever held on the Pacific coast, the course lying east of this city, each lap being 14 miles and a grandstand seating 10,000 people has been erected in full view of the start and finish of the races. No machines will be allowed to enter which are not capable of a speed of 65 miles per hour. Three magnificent silver trophy cups are offered for each race, one valued at \$500, one at \$250 and four at \$100 each. The entire course will be closed and in perfect condition, the roads being closed to all traffic during the hours of the races and guarded by detachments of the Oregon national guard. A field opposite the grandstand will be reserved for the use of any who may wish to view the races from automobiles or carriages, while telephones stationed at different points will report the progress of the races, announcement to be made on bulletin boards.

The Dalles Chronicle, in endorsing Fred W. Wilson, candidate for district attorney on the Republican ticket, says: Fred W. Wilson, the Republican nominee for district attorney, needs no introduction to the people of Wasco and Crook counties and the voters of all parties are glad to have the opportunity of voting for Mr. Wilson for this office. He has lived in Wasco county from his boyhood days till manhood's estate and has endeared himself with all who have come to know him. In the practice of law he has been singularly successful and has taken part in the most

Important litigation of recent years in this district and will bring to the district attorney's office a training which eminently qualifies him for this duty. As deputy district attorney he has participated in all the momentous criminal cases which have attracted wide attention in our county and has performed his part in a way that has brought him the confidence and respect of the people. This is the first time Mr. Wilson has ever been a candidate for office and the Chronicle is satisfied the voters will rally to his support in a generous manner on election day. There will be no mistake made in his election.

The voters of the state will be called upon, at the June election, to vote not only for state, county and precinct officers, but also on nineteen different measures proposed under the initiative and referendum. The secretary of state has sent out a pamphlet to each registered voter in the state, describing these various measures and showing the arguments pro and con. It is hardly to be expected, however, that in this busy community and at this season, one of the busiest of the year, that all the voters will acquaint themselves with the terms of all these measures. This paper has, from time to time, called attention to one or more of these measures and now wishes especially to emphasize the proposed amendment to the constitution of the state, increasing the number of judges of the supreme court from three to five. This measure should have the unqualified support of every voter in the state, because every person residing in the state, or who has property in this state, is interested in having all questions that are litigated settled

with the least possible amount of delay. The supreme court of this state is buried under cases which are more than a year old and as the population of the state increases, of course, the cases that go to the supreme court will also increase. The judges are now overworked and while they are helped by the commissioners, still the work cannot progress along as satisfactory lines as if there were more judges qualified and empowered under the constitution and laws of the state. To illustrate: We know that there is an important case in the supreme court now, relative to the title to land at Odell in this valley, which has been now nearly six months on appeal to the supreme court, and the probability is that it will be another year before that case can be heard. This case involves many thousands of dollars worth of valuable property and aside from the question of the value of the property the future development of this particular locality is seriously injured by this delay. The state of Washington, our neighbor right across the river, commenced her commonwealth as a state with five judges on the supreme bench, yet her supreme court is behind in its work. At present under the constitution of the state of Oregon there cannot be more than three judges on the supreme bench of this state and this proposed amendment is in the furtherance of justice and the demands of a growing commonwealth. Then let every voter remember that he is interested in this question and that his interest lies in seeing that the amendment is adopted and that to carry this out he should vote "yes" on the official ballot opposite No. 304.

Next Tuesday evening, May 26, George W. Stapleton, a talented speaker from Portland, will address the citizens of Hood River at the opera house. Mr. Stapleton is a fine speaker and should have a crowded house.

Miss Eva McReynolds returned from The Dalles Sunday, where she had been visiting for a few days. There will be an ice cream social at Park Grange hall Thursday evening, May 28. A program will be rendered and a general good time had. Everyone invited. A. M., no service on account of memorial G. A. R. meeting at opera house. The memorial service will be delivered by Dr. Lathrop. His subject will be: "The Call of Our Fallen Patriots to the Living." P. M., "The Logic of the Practical Life." After the evening service Miss Pearl Bradley will sing, "The Broken Pintail," by Johnson. Charles Eugene Day. Charles Eugene Day passed away Sunday, May 17, at his late residence in Hood River, after an illness of nearly two years, and for several weeks was confined to his bed. He was born July 24, 1864, in Madison county, Ill., and was married to Miss Emma J. Lamm on September 12, 1882. This union was blessed with three children, who survive and live at Hood River. They are: Miss Zora E. Alvin L. and Owen L. The children kept house at the home place, and their devotion to their father in his last illness was a source of much comfort to him. The deceased was the first member of the M. E. church organized at Beahville, Ill. He left that state July 14, 1879, and moved to Colorado, where he remained until 1902, when he moved to Eastern Washington, where he remained for two years, and came to Hood River April 11, 1904. For a short time previous to his residence in Hood River, he lived in the Willamette valley. He was an electrician, which profession he followed for nineteen years, being in the employ of the Electric Light Company here most of the time while he was in Hood River. When a young man he was employed for a short time in the newspaper business in Illinois. There were no relatives in this county, two uncles living in the middle west. Mr. Day was a member of Golden I. O. O. F. Lodge No. 13, at Golden, Col. The funeral services were held at the M. E. church Monday afternoon, May 18, at 10 o'clock, officiating and in charge of S. E. Hartness. The Old Fellows and Rebekah lodges attended the funeral in a body and the burial service was according to the ritual of the former lodge. The floral offer-

ings were many and beautiful, and a note testifying of the esteem in which the deceased was held by all who knew him. The pall bearers were: H. J. Hubbard, S. A. Arnold, O. B. Hartley, C. A. Cass, B. F. Moses and W. N. Moses. Emil Closset, Jr. Emil Closset, Jr., secretary and treasurer of Closset & Devers, died at Hood River at 9 o'clock Monday night, following an illness of several months. He was born in Portland 30 years ago and for the past 10 years had been connected with Closset & Devers, of that city, two years ago taking an interest in the business. He was a popular member of Multnomah Athletic Club. He was married in St. Louis last fall to Miss Scheidecker, who, with his father, Joseph Closset, mother, two brothers and a sister, survive him. J. E. Nichols prepared the body for burial and shipped it to Portland, where the funeral was held yesterday, Father McDevitt officiating, and the remains interred in St. Mary's cemetery.

Special Feature of Rose Festival. The Portland Rose Festival will be held this year on a very large scale and the attractions will be some of the most elaborate ever brought to the coast. The special feature that has been engaged as a night entertainment is "The Eruption of Vesuvius" and "Carroll at Naples." A magnificent fireworks spectacle. This is one of the most realistic scenic displays ever produced; a stage setting of 350 feet long and 60 feet high showing a beautiful city of Naples in the shadow of Vesuvius, the terrible, and gives a wonderful opportunity for great scenic and artistic display, seen under the glare of half hundred powerful electric lights and many tinted electric column lights. The scene is fascinating in the extreme and the spectators will not have to stretch their imagination very much to believe they are looking upon a real city, bay and mountain, so perfect and deceiving is the artistic perspective. These performances will be given nightly at the Multnomah athletic field during the Rose Festival and is being brought direct from Manhattan Beach, New York.

Basket Social at Mt. Hood. There will be a basket social and dance at Mt. Hood hall Friday evening, May 22, at 8 o'clock. The pond to help make a good time. Everyone is invited to come and have a good time. This social is given by E. N. Sarsky, W. J. Helmer and Mrs. S. A. Helmer. Republican Rally. Next Tuesday evening, May 26, George W. Stapleton, a talented speaker from Portland, will address the citizens of Hood River at the opera house. Mr. Stapleton is a fine speaker and should have a crowded house. Miss Eva McReynolds returned from The Dalles Sunday, where she had been visiting for a few days. There will be an ice cream social at Park Grange hall Thursday evening, May 28. ARTHUR CLARKE Jeweler and Optician Next Door to Postoffice

HOME SECURES LONG DISTANCE The Home Telephone Company has made a deal with the Pacific States Company whereby the latter will discontinue their offices in Hood River June 1 and abandon the local field. In return the Home Company will use the long distance lines of the Pacific States. A switchboard will be put into the Home exchange and maintained by the Pacific States Company for long distance and for the Pacific States farmers lines, but no more Bell phones will be put in and all poles and lines in the city will be taken down, except a cable line to carry the country business of the farmers bell phones. The new arrangement is a satisfactory solution of the telephone matter in the city and will, and ensures the maintenance of a one telephone system in the city. The Pacific States farmers system will be connected with the Home system through the Central exchange, and free service will be maintained in the city between both local companies. All those having the two phones in the city can now dispense with the bell phone, as long distance connection will be made direct to Home subscribers as soon as the switchboard is installed in the central office. Work is progressing rapidly installing new cables and lines for the Home phones. Most of the old line men,

Now!!! Is the Time to Order Pacific (Peaceful) Electric Irons Who cuts the wood on ironing day? Who is it Mister Man? Who carries in the wood? I say Here is a better plan. An iron to heat without the use of either wood or coal; Attach it to your electric juice And you have reached the goal. The iron stays hot with hardest wear It never gets cold; And never needs the least repair, While Mrs. never scolds. Your house is cool, your temper too, The wood left on the pile, The new iron beats the old for you, It's got it skinned a mile. We will place one of these labor savers in your home on 30 days free trial. If you like the Iron after giving it a thorough trial, we will sell it to you at cost to us.
