SCHOOL EXERCISES ARE ENDED

SERIES OF EVENTS LAST WEEK

Commencement Exercises of Hood River High School of High Order.

The concert given by the pupils of the Hood River high school at the opera house last Wednesday showed the large audience that the City of Apples was also a city of singers and musicians. Every time the pupils of the high school gave a concert its success beforehand can be assured, for the talent in Hood River is just a little bit ahead of any other place.

The first number on the program, "Estadantina," sung by fifteen of the prettiest and sweetest singers in Hood River, was well enjoyed and the girls were encored and responded very gracefully by singing a charming little love song.

Victor Nutley is certainly taking the right steps in advancing in music. His composition of his own writing was one which required great skill to compose, besides the skill it took to execute it properly. Victor's technique is perfect and his time excellent.

The next number, a recitation by Miss Helen Orr, was well rendered. Helen is a girl of great ability and one of her many talents is that of elocution.

Next came a mimic game of football, the team coming out on the stage and going through the various evolutions of the game as though in actual play, and was very amusing. The game of baseball, however, was much more realistic and very funny. The mimic game seemed so real that you could almost see the imaginary ball as it passed around the diamond, while the contentions of the pitcher were quite in form. At the end of the games the class yells were given with vigor, and it was no dead and dumb affair, either.

The fifth number, a violin solo played very beautifully by Leila Radford, simply charmed the music lovers in the audience by her exquisite rendering of that old dear piece, "Home, Sweet Home."

In the next number Miss Alberta Jackson showed Hood River again that her voice had not lost any of its sweetness by the work of the examinations. Miss Alberta's tone as a singer is already made for her and each time her name is on the program the audience congratulates itself.

Etee Brosius has the happy faculty of singing in such a pleasing manner that few boys can. His interpretation of his song showed great study and could only have been made by a good voice.

Florence Hanna sang very prettily, "The Birds Go North Again" for the tenth number of the program.

Miss Ada Mark's recitation of "Hagar" was well appreciated by the tragic loving people in the audience. Miss Mark has a pleasing voice and has it in well training.

The debate entitled, "Resolved, that all Bachelors Should be Taxed," was prefaced by a few remarks by Prof. Coak, who appointed as judges Dr. A. H. Lathrop, E. H. Hartwig and A. D. Moe. Leland Beveridge had the affirmative and Burleigh Cash the negative. A surprise was in store, however. Leland Beveridge led off with a spirited argument apparently, but used only the letters of the alphabet to maintain it. His opponent used numerals as his figure of speech. The tone of voice, gestures, etc., of the debaters was quite in form and afforded much amusement to the audience. The judges retired to make their decision, but were unable to agree and voted to call it a tie.

The last number of the program was a dainty little song by the Girls' Glee Club entitled, "The Dance of the Fairies," sung very charmingly, and sent the people home happy.

Class Night.
The graduation exercises Thursday night fulfilled the expectations of the audience in every respect. Every thing went off fine and the large audience had great reason to be proud of the school and its talented pupils.

The first on the program was a piano solo by Miss Jennie Edgington and was well executed.

Miss Lena Ienbergh chronicled the "Class History," she gave the individual history of each student up to the time of graduation, and it was well done.

The class prophecy, written by Ruth Wood, was just as amusing as they all ways are, and this was especially interesting.

In the class will Clyde Pattee willed all the old things such as nursing bottles, etc., to the coming classes, as the graduates had no further use for them.

Ellen Treiber gave a splendid oration on "In God We Trust, or Gold," making special emphasis on the fact that we were drifting away from the old time gold and were now putting our trust in gold instead of God and ended with a plea for the nation to return to the old motto.

Miss Leila Hersher gave in her usual charming way a pretty song for the next number.

"The Auld Lang Syne of the Nation" was Burleigh Cash's subject for the excellent oration which he delivered. He compared West street with the main street and mentioned the fever of gambling that had swept over the United States. He traced the influence of the gambling spirit upon the

PROBE UMATILLA LAND FRAUDS

INDIAN LAND ACQUIRED ILLEGALLY

Ab Hembree Convicted—Circumstantial Evidence Points to Murder of Wife and Daughter.

Portland—A Federal grand jury of 23 members was selected in the United States Court Monday and immediately began the consideration of evidence connected with land frauds alleged to have been perpetrated in Umatilla County. Subenas have been issued for 118 witnesses, consisting principally of residents of Umatilla County, and it is expected that fully 10 days will be required to present all of the evidence before the members of the jury.

The alleged frauds consist of the unlawful acquisition of about 25,000 acres of unallotted lands that originally comprised a part of the Umatilla Indian reservation. The lands involved are located in townships 32 to 36, inclusive, south of ranges 1 and 2 east. It is reported that the evidence that will be presented to the jury will implicate several prominent citizens of Umatilla County, including J. H. Raley, W. J. Furrish, William Slusher, T. T. Thompson, E. P. Marshall and Frank Curl.

Portland Chauffeur Drowned.
Salem—In attempting to cross a log boom from a boathouse to the shore, after a launching trip on the Willamette River, Jesse Schafer, of Portland, and Miss Olive Drummond of this city, fell in. The former became exhausted in his efforts to save the latter from drowning and sank from view just as a rescue party in a rowboat arrived and dragged Miss Drummond from the brink of a watery grave.

The incident happened at 11:30 in the morning and Schafer's body was dragged from 20 feet of water at 3 o'clock in the afternoon. The strangest part of the affair is that Schafer was rescued from drowning in the same spot, and under the same conditions, earlier in the morning by Jake Smith, foreman of the logging crew of the Spaulding Lumber Co., and is said to have complained later that he was "able to take care of himself." He was 19 years of age.

Hembree Found Guilty.
Dallas—Ab Hembree, charged with the murder of his daughter, was found guilty of murder in the first degree last week. Five ballots were taken by the jury, which retired at 6 p. m., and announced a verdict after four hours deliberation.

Hembree was convicted once before in Tillamook County on the charge of wife murder. The verdict was second degree, and after serving part of his sentence in the Penitentiary, he was paroled by Governor Chamberlain. His second arrest and trial followed, because the people of Tillamook County, where the crime was committed, believed the man to be guilty of killing his wife and daughter.

Portland Gets Baptist Convention.
Portland—The Northern Baptist convention, which is to meet in Portland in May, 1909, will be a great event, for it will probably bring to this city at least 1000 delegates from Baptist churches throughout the United States.

The Baptist bodies of the United States are divided into two sections. Those south of the Mason and Dixon line meet as the Southern Baptist convention. The Northern Baptist convention was organized this year.

Every third year the Baptist gather for the general conference. The organization of the church is absolutely democratic, there being no authority in the church higher than the pastor of each separate body.

Wool Sold at 12 Cents.
Pendleton—About 800,000 pounds of wool out of something over 1,000,000 pounds that was offered Monday in first sales for this city, was sold. The prices bid ranged from 6 to 13 1/2 cents per pound. Most of it changed hands at or near 12 cents, and there were only two bids as low as 6 cents.

The largest single clip sold was the 200,000 pounds of the Cuninghams Sheep & Land Company at 12 1/2 cents. William Slusher withdrew his 120,000 pounds, and the J. E. Smith Livestock Company has under consideration a bid of 13 1/2 cents on a 60,000-pound lot, and one of 10 1/2 cents on a 160,000-pound lot.

Election Clerk Fined.
Enterprise—H. B. Davidhiser, a well-known Wallawa county farmer, living near Joseph, was indicted by the grand jury for electioneering at the polls at the last primary election. To the charge Mr. Davidhiser pleaded guilty, and Judge Crawford fined him \$50 for each offense. There were two indictments returned for the same charge.

Fires at Crane and Kills Only Son.
St. Helena, Or., May 25—George W. Barger, creeping through bushes last night to get a close shot at a crane, saw something move about where he thought the crane should be. His shot was perfect. It struck the object squarely, piercing it cleanly through.

The target was Barger's only son. He lay there dead when his father reached the spot, a small hole in the forehead, scarcely even bloody, showing where the bullet had come out, one in the back of the head indicating where it entered.

Car Runs Away—One Dead, 20 Hurt.
San Francisco, May 25.—Two trolley cars collided at the foot of a steep hill shortly after noon yesterday, killing Henry Baer, a traveling salesman, and injuring 20 other passengers, one fatally and several seriously. The injured were taken to St. Francis Hospital, near the scene of the accident, where it is believed all excepting a child will recover.

Cleveland Strikers Go to Work.
Cleveland, O., May 24.—By a vote of 640 to 61, the striking streetcar men decided to return to work as "new men." The result of the vote which was taken was not announced until midnight. The vote is in accord with the demands of the Municipal Traction Company upon this point.
