Barbecue at Hermiston.

Hermiston-The people of this place will give a barbecue to the excursionists who come on May 27, the date of the opening of government reservoir. Farmers will supply the teams by which the crowds will be transported to the dam, six miles distant. Everything is now in readiness for the excursion. The O. R. & N. will run an eight-car excursion train from Pendleton and other towns and it is expected that fully 1000 people will see the opening of the dam and irrigation project.

Brother Is Accused by Sister.

Albany-A complaint was filed in the office of the county clerk last week charging D. A. Westhouse with insanity. He was immediately lodged in jail to await examination.

Conflicting stories are told. It is alleged by the sister of the accused man that he kicked the table over and choked and threatened her life. She is the wife of a rural mail carrier, who is said to be lying at the point of death. Westhouse denies the charge and seems quite rational.

Reserves Opened to Sheep June 1. Pendleton-Sheepmen of Umatilla county have received notice that sheep may be taken upon the Wenaha forest reserve June 1, instead of June 15, the date originally set. For some time the sheepmen have been asking for the use of the reserves on the Blue mountains earlier than usual because of the dry weather prevailing this spring.

Make It Unanimous.

Just now it appears to be little doubt but that it is Senator Cake of Oregon. Once the campaign start ed it was speedily seen that the oft-boasted personal popularity of George, the governor, was not so almighty stout as it was once. Various things that some folks have known about our chief executive have come to light, and a lot of folks are today doubtful if George was such a whale of a man

The nearer Oregon makes it unani-mous for Cake the better for Oregon. There are a few places where party politics still count; they don't usually n city, county and district affairs but they do in national affairs, espe-cially in the upper house of congres, where the majority party gets what it wants and the minority sits tight and waits. Oregon wants a lot of things from congress; it can never get them through a Democratic sena-

Between the men personally the issue is not drawn: it is sonal campaign; if it was Mr. Cake would not be on the defensive.

It is also remembered that Cake was one of the Republicans who had the nerve to stand on a Statement No. l platform when it looked as though that meant defeat; he stood for the popular election of United States senator whether it profited him or not Chamberlain has stood for it because it was his sole chance of ever landing

The vast difference between being good because you hope it will pay, and because it is right, represents Mr. Chamberlain and Mr. Cake.

Cure all forms of kidney suffering. H od River testimony proves it. M. C. Stutts, Hood River, Oregon

s: "My wife has used Doan's Kid-Pills and she thinks there is nothing like them for kidney complaint and its attending symptoms. For a long time she suffered from backache, kidney difficulty, headaches and many other symptoms of kidney complaint. At the time Doan's Kidney Pills were brought to her attention, she was in very poor health. She procured a box of Doan's Kidney Pills at Clarke's drug store, and as she had tried so many remedies previously without satisfactory results, she was surprised at the benefit she derived from the use of Doan's Kidney Pills. She continued taking them and it was not long before the trouble had entirely disappeared. Mrs. Stutts is now in unsually good health and gives Doan's Kidney Pills the credit."
