

**WHITE SALMON.**

(From the Enterprise.)  
A. W. Halviger left Monday for Eastern Oregon to look after his farming interests and also to visit his parents. He has 100 acres of wheat besides other interests. He will be gone about a week.

Mr. Trierer of Hood River will give an address on an interesting and practical question next Sunday morning at the Congregational church. Everybody come. It will be worth while for every man in the community to come.

Mrs. Val Barker, of Bristol, was thrown from a horse at Bingen Wednesday and sustained severe injuries to her spine. She was taken home the next day and at last accounts was resting easily. It is feared it will be some time before the lady will be able to get around again. It was a most unfortunate accident.

And now the girls organized a baseball club. What next? But then it is good, healthy exercise, strengthens and develops the muscles, and if not indulged in too strenuously is a healthful, life giving exercise. We are glad the girls are doing something their grandmothers did not do. It will develop them into strong, healthy women, and they will be none the less women for the indulgence. We hope that they will persevere and that White Salmon will soon have a girl's baseball nine that will win the world's championship.

"Peaches", the accommodating little devil of the Enterprise office, fed his hand into the job press the other day, and for a few minutes there was a wild scene and still wilder yells in the office, but the hand was dressed by Dr. Barker, and as no bones were broken the imp is getting along very nicely and will soon be ready for more experiments.

Capt. H. C. Cook, John G. Wyers and Mr. and Mrs. W. H. Overbaugh attended the grand lodge of Odd Fellows at Walla Walla last week. Mr. Wyers represented a Good Will auxiliary lodge, of White Salmon. Capt. Cook represented the Encampment and Mrs. Overbaugh the Rebekah's. All report having had a fine time in the beautiful inland city and that profitable sessions of the different degrees were held. They speak of the parade of the Patriarchs Militant as being imposing and grand and of the march of the Muscovites as being extremely funny. They were taken to visit the penitentiary, Whitman College, the military post and many other interesting sights around the old city. The grand lodges were in session four days and transacted a large amount of important business. The next session of the grand lodge will be held at the city of Bellingham.

The Camas Prairie and Vicinity Pioneer Association met at Bertschi's hall, Glenwood, Friday, June 12, at 1 o'clock p. m. There were representatives present from White Salmon, Bingen, Trout Lake and other places.

Twenty one members answered the roll, and four new members joined as follows: Geo. W. Coleman, of Bingen; W. Olson, of Hosum; Mrs. E. M. Coate, of Trout Lake, and Mrs. Nina Boochee, of Glenwood. The society now numbers one hundred and thirty members. Officers for the ensuing year were elected as follows: President, H. B. Murray; Vice President, Mrs. I. A. Leaton; Sec. Mrs. I. J. Shaw; Treas. Mrs. M. A. Krepis. All were elected by acclamation. Standing committees were appointed as follows: Finance, H. D. Cole, H. Bertschi, O. P. Kropis; Social, Peter Conroy, Mrs. E. E. Barthlemew, Mrs. E. Murry; Educational, Mrs. I. A. Leaton, Mrs. M. A. Krepis; Benevolent, O. P. Kropis, H. F. Froh, Mrs. O. N. Mure, John G. Wyers, E. E. Barthlemew. A special social committee was appointed as follows: Geo. Coleman, Peter Tams, W. Olson, and John G. Wyers.

**Wrestling Match.**

A wrestling match was pulled off at the opera house Tuesday evening of last week between Frank Ely, of Portland, and Wm. Scholtz, of The Dalles.

A fair crowd witnessed the bout, and a very good exhibition was put up. The match was originally intended to be between "Strangler" Smith and Scholtz, but Smith had a broken hand, which he received recently in a boxing match and was unable to perform. He was present and made his statement to the public, besides exhibiting the injured member, and Mr. Ely was substituted in his place.

The first fall was won by Scholtz in 5 minutes and 32 seconds second fall by Ely in 12:4; third fall by Scholtz in 3:09, as well as the last one in 2:27. Friedley, of The Dalles, was referee.

**Got Some Idea.**

John Sheeter, who made a recent trip to the Hood River country says he camped there when he came to the country years ago and he could have taken up land only a little ways back on the hill where the present site of Hood River, but it didn't look good to him and came on to the valley. He was much impressed with the thoroughness of everything done in orcharding at Hood River and he came away with some ideas which he proposes to put into practice. The man who is unable to get some new idea when he goes away from home, which he can profit by, is either a blockhead or one who is entirely too wise for this day and generation and the Hood River fellows are always ready to show anyone who is interested in apple raising.—Newberg Graphic.

We handle drugs and everything in the drug line, except booze. We want it distinctly understood that Nichol's Pharmacy does not sell liquor of any kind, and that we strictly adhere to this policy. We have been bothered quite a little, since opening our drug store, with those who wanted alcohol or some other spiritous liquor, therefore we take this opportunity of notifying the people of Hood River and vicinity of our policy in this respect. We are told we cannot succeed if we stick to our intentions in this matter and our reply is, we will sink or swim on this policy. We have a complete stock of paints, toys, patent medicines, brushes, perfumes, gasoline, candy, cigars and soft drinks and will do our best to please you. Try us.
