

CORRESPONDENCE

ODELL.

W. A. Lockman was a visitor at the home of Russell Shelby at Carson, Wash., a part of last week. Mr. Lockman reports a very pleasant visit.

Mrs. Byron Rodgers, of Ruthton, is visiting at the home of her parents, Mr. and Mrs. A. Wood.

Mrs. S. D. Fisher and children have been down from Mosier for a visit with Mrs. Fisher's parents, Mr. and Mrs. A. Wood.

Mr. and Mrs. C. E. Hoerman and family visited Sunday at the home of Mrs. Hoerman's sister, Mrs. Howell Mitchell, at Pine Grove.

Elmer Smith is soon to become the happy possessor of a piano, he having ordered one from the east and received notice that it had been shipped.

Trips to the falls and blackberrying have been the order of the day and new boat lake begins to receive attention. Monday the following party left Odell bound for Lost Lake for an outing: Mr. and Mrs. Clarence Wilson, Misses Emily Wilson, Violet Masker, Messrs. Roy Masker, George Shepherd and brothers.

The Home Telephone company is busy getting ready for Odell's central office. Now with our telephone central in our midst and in proper time the court house, that if one may judge from the notes that are said to be coming, Odell's way for the county seat is among the probabilities, we may well begin to put on the airs of a metropolis.

Mrs. Jas. Cook's uncle is here from Clifton, Ariz., visiting Mrs. Cook and other relatives.

Rumor has it that one of Odell's enterprising young orchardists will be accompanied by a bride when he returns to Odell about August 10.

The many friends of Mr. and Mrs. Charlie Crockett will be pleased to hear that they intend to come here soon for a visit with relatives and friends in Odell and vicinity.

Mrs. Jas. Cook has received word from the open air sanitarium in Portland that they will soon have completed additional cottages necessary to accommodate those who wish to avail themselves of the benefits made possible in this institution. Mrs. Cook will go as soon as she receives word that all is in readiness.

Friends of Wallace Young were sorry to hear of the accident which resulted in such serious injuries to the passenger who were riding in the bus at Carson with Wallace as driver. All are glad to hear he escaped serious injury and sincerely hope those who were injured may completely recover.

A runaway near us last week should serve as a warning to those who have charge of teams not to leave them without tying. While no one was injured the expense was sufficient to make it worth while to take the time necessary to secure the horses before leaving them.

As noted in last week's real estate transfers a 2-acre tract, part of the land known as the Neff place, has been sold, the purchaser being an eastern man, a physician. Consideration, \$1,500.

W. A. Lockman expects to go to Endicott, Wash., some time this week. He will assist in the wheat harvest.

D. D. G. M. Ed Mayo was out the evening of July 18 and regularly installed the following officers of Kemp Lodge for the ensuing term: C. R. Masker, N. G.; Joe Cook, V. G.; Hugh Smith, secretary; L. E. Clark, treasurer. By mistake this was omitted from last week's notes.

UNDERWOOD.

Thursday, July 23. Miss Florence Evelyn, daughter of Mr. and Mrs. E. C. Hamilton, of Underwood, was married to Mr. Clarence R. Veldou, of Husum, Wash. The ceremony was performed by Rev. J. L. Hershner, at the residence of the bride's parents. A reception was given the bride and groom in the evening, which was largely attended. The rooms were tastefully decorated with flowers and Oregon grapes, and the grounds were illuminated with Chinese lanterns. Refreshments were served and the occasion proved to be one of the most pleasant events of the season.

Simons arrived at 2:30 p. m., loaded to her limit and more came later by train. Lunch was served in the Goddard grove and a game of baseball between the Stevenson and Underwood teams was won by the visitors. We noticed among the Stevenson people County School Superintendent A. C. Sly, his brother, Raymond C. Sly, candidate for Republican nomination for county prosecuting attorney, Walter S. Young, candidate for county treasurer, Oliver C. Train, candidate for the same office, and Postmaster J. P. Gillette. It was an enjoyable affair and much credit is due the Underwood ladies for their efforts in helping to entertain our visitors. Come again, Stevensons.

Tuesday of last week there was a lawn social at the church. The evening was spent in social conversation, games and stinging. Ice cream and cake were served. A large crowd came out to enjoy the evening.

In the notice of the location of the new school house, published July 16, it should have read northeast corner of the northwest quarter of section 6. It was supposed to read a communication in last week's Glacier from some one who wanted a hearing in the matter as a meeting was appointed at a duly advertised meeting of taxpayers for the purpose of hearing what the wants of the residents had to say as to location and the site was voted upon at that meeting. Any objections as to the location would probably have been more effective if voiced then.

A large crowd went to the inn last Saturday morning remaining over till Sunday evening. While there they went to the top of the mountain, but it is alleged that some of the party got cold feet and they returned.

G. D. Woodworth and a party of Hood River citizens passed through our valley in an auto last Friday, taking a look at the valley.

A Golden Wedding means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 366. The only way to do this is to keep Ballard's Hosiery in the house and take it when ever your liver inclines. 50 cents per bottle. Sold by Chas. N. Clarke.

J. H. and Will Davis and families spent Sunday on the banks of the Columbia.

Blackberries are beginning to ripen. Those having them will have to hustle. Ladies' Aid will meet at the home of Mrs. Ramsey Friday, July 31. Work on hand for the annual bazaar. Iowa picnic Thursday at Grange Park. Everybody welcome.

There are quite a number of Nebaskans in Hood River valley. What's the reason we can't have a Nebraska picnic, swap yarns and tell of corn crops, even if we can't tell of the big red apple.

We thank the clerk of the weather for a few cool days.

This week Fred Purser has been handling hickory for the White Salmon stock yards. We have been saying so much about the fruit and berry industries that we have almost forgotten that White Salmon is one of the best stock raising points on the North Bank, and that the fine herds of cattle at Trout Lake, Faida, Glenwood furnish the outside world with large numbers of beef cattle every year and the residents of those sections with a continual source of revenue. So the stockyards are being built here and will be extensively used by our stock men.

No Tomatoes at The Dalles. This is an "off year" for tomatoes everywhere. The plants were not healthy, they blighted and the fruit was not able to grow to its full size. It is not alone in this vicinity but all around that this is so; whether on account of the continued cold weather or because of other conditions is not known. The tomatoes had a hard time of it this season, and a cut worm and blight. There is no known reason or cure for tomato blight. The tomatoes coming into market are of inferior quality. They are going to be scarce and high priced on account of blight," said a local
