TO THE PUBLIC:
In retiring from the Hardware and Builders Supply business, I desire to thank the purchasing public for the liberal share of their patronage with which they have favored me in the past, and ask for my successor, Mr. E. A. Franz the same cordial support from the public, he having purchased my entire stock, and the good will of my business. Mr. Franz is too well known to the community to require introduction, his courtesy in supplying the needs of his customers having won for him a host of loyal friends, with whose best wishes for success in his new undertaking, it gives me pleasure to add my own.
Store will be closed Thursday, Friday and Saturday of this week on account of taking inventory.

400 Acres Wheat Burned.
Wednesday evening about 7 o'clock a wheat field containing about 400 acres belonging to Morris Wood, who lives about 2 1/2 miles southwest of Waiatsburg, was discovered to be on fire and before anything could be done to check the flames the entire field was destroyed. The origin of the fire is a conjecture, as there had been no one near it during the day. The theory that lightning set it on fire seems improbable. The crop was insured by the Geo. B. Baker Co. for \$5,100, which will probably cover Mr. Wood's loss.—Columbia (Wash.) Chronicle.
