EVENTS IN OREGON

Complain Against Railroads.

Salem—Repeated and persistent complaints have been coming in to the Railroad Commission from shippers of livestock from all parts of the state of the facilities for handling livestock shipments on the O. R. & N. and Southern Pacific lines and the rate schedule system for single and double-deck stock cars. The commission has been asked to take the matter up with the view of indu ng the railroad companies to either provide a more adequate supply of double-deck cars or to revise the rate schedule and make it more clear and equitable.

The cost of chartering a double-deck car for shipping hogs, sheep and goats is about 170 per cent of the rate of two single-deck stock cars.

There is a provision in the tariff under which, if the company is unable to furnish a double-deck car when ordered, the shipper will be furnished with two single-deckers at the same rate. Few shippers, however, are aware of this and those who are not are frequently 'bumped' for the extra cost of two single-deck cars. Those who are wise to the situation put in an order for a double-deck car which they know the company cannot fill and reap the benefit.

Island City in Ruins.

La Grande—The suburb of Island City, four miles distant from here, with a population of 300, is practically in ashes. A conflagration last week from an origin unknown, gutted the business section, leaving but one store building, and took five residences up in smoke. Shortly after midnight Friday the fire was discovered. The electric pump at the water station was temporarily out of commission and before it was set in motion the fire gained such headway it was hard to overcome. The Pioneer Flouring Mill, with all its contents, was ruined at a loss of $100,000; the Island City M. & M. Company's implement warehouse and contents, representing a loss of $50,000; a hotel, blacksmith shop, store, bank building and five residences totaling a loss that will bring the grand total up to $175,000. The amount of insurance cannot be ascertained.

The La Grande fire department sent a special train and helped to conquer the flames, which for a time threatened to devastate the entire residence district.

Plan for Big Farming Colony.

Sumpter—A scheme involving much importance to this section of Eastern Oregon, is the settling up of a large tract of land in this vicinity and Whitney by a farming community. The lands in question are tracts once covered with pine timber, which in recent years has been cut down. The land is now idle and of no use except to sheep and cattle-owners, who lease bodies of it for grazing purposes. It can be used by them but a short while, as the grass soon becomes scarce after range stock roam over it a few weeks. It has been demonstrated that the foothills of bench lands of this section are wonderful producers of hay with the assistance of irrigation, which is easy, as the country is well watered by large mountain streams. There are thousands of acres of this land lying idle at present.

Lucky Boy Mine Goes to Creditors.

Eugene—The Lucky Boy mining property in the Blue River district, in Lane county, owned principally by Louis Zimmerman, of Portland, has been ordered sold to satisfy judgments. Te decre states that Grant Phegley is entitled to $354.50 as receiver of the company, which shall be the first paid out of the proceeds. J. W. Shumate's lien for $354.40, with attorney's fees and costs, is next stated, and then follows many others. The receiver of the Title Guarantee & Trust Company is given a judgment for $1250 in trust for its attorneys of record, Snow & McCamant, and then follows the mortgage lien of the defendant Title Guarantee & Trust Company for $255,450. The decree then provides for the manner of sale and who may be the bidders thereat.

Knocks at Asylum Door.

Salem—Friendless and homeless, James Cruthers, nine months in the United States, applied to the Oregon State Insane Asylum Saturday afternoon upon the ground that he was insane and that if he remained at large much longer he would do himself bodily harm. This is the first time within the memory of those connected with the institution that a person has made voluntary application for admittance on the ground of insanity.

The case of Cruthers is a most pitiable one. He came to the United States from Ireland with an invalid mother, his father having died only a few months before. He had been in this country a few weeks when the mother died, and being alone in the world and unacquainted with American ways he lapsed into an acute state of melancholia.

Booth Case Jury Votes Acquittal.

Portland—Separate verdicts of acquittal were reported in the United States court at 9:30 o'clock Sunday morning against each of the three defendants in the Booth-Singleton conspiracy case, Robert A. Booth, ex-State Senator; James Henry Booth, ex-Receiver of the Roseburg Land Office and their brother-in-law, T. E. Singleton.

SOLDIERS AT AMERICAN LAKE.

Regular and Washington and Oregon Guardsmen Under Canvas.

Tacoma, Wash., Aug. 4.—All Regular Army troops and the Washington and Oregon National Guard are under canvas.

Regulars numbering 2584 enlisted men and 113 officers are now in camp at Murray Station, 11 miles from Tacoma. The National Guard of Washington is represented by a full regiment of infantry and one troop of cavalry. The National Guard of Oregon is represented by two regiments of infantry.

In addition to these troops, which will represent the actual fighting force, are the engineers and signal corps men, and the cooks and bakers. To Company B, of the Engineer Corps, Lieutenant L. H. Watkins commanding, has fallen the work of laying out the big camp, in which the entire force is being assembled. Perfect sanitary arrangements have been perfected.

Cooking and baking have likewise been reduced to a fine art, and 41 men under Captain H. T. Ferguson, will bake bread for the entire camp.

Lectures on various topics in military interests will be given from time to time by specially designated officers.

The Oregon and Washington National Guard troops will be in camp until August 12, and will be succeeded by guard regiments from Montana, Idaho and North Dakota. The regulars will spend the entire month in the field.

Dynamite Fuse Found at Oakland.

Oakland, Cal., July 28.—Detectives are scouring the city and surrounding territory in an effort to locate three men seen in the act of hiding 3000 feet of dynamite fuse in the Southern Pacific Company's yard, East Oakland. It is believed that these men may be able to throw some light on the recent dynamite explosions in this city.

Bathing Don'ts.

Don't enter the water if you have eaten within an hour.

Don't, if you are fat, neglect a daily sea bath. Sea swimming is the best and quickest reducer known.

Don't have a set duration for the bath. It is best always to come out at the slightest premonition of cold.

Don't go in the water cold. It is best to go in warm, even slightly perspiring. He who begins his bath perspiring gets the best reaction.

Don't plug the ears with cotton. Cotton does not keep out the wet, since it at once becomes saturated. Furthermore, no water can find its way to the drum of a normal ear.—New York Press.

She Likes Good Things.

A Faithful Friend.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872, and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for 18 years and never start out on a trip without this, my faithful friend," says H. S. Nichols, of Oakland, Ind. Ter. ORDER TO SHOW CAUSE.

In the County Court of the State of Oregon, for Hood River County (formerly Wasco County).

In the matter of the Guardianship of Roba J. Tucker, now Klaus, Florence R. Tucker, now Klaus, Leila E. Tucker, now Klaus, and Robina Tucker, now Klaus, minor children of Roba J. Tucker, deceased, by Cora Belle Klaus, Guardian.

Now coming on for hearing the motion of Cora Belle Klaus, guardian of the person and estate of Roba J. Tucker, now Klaus, Florence R. Tucker, now Klaus, Leila E. Tucker, now Klaus, and Robina Tucker, now Klaus, minor children of Roba J. Tucker, deceased, duly appointed by order of the County Court of the County of Wasco, by John Leland Henderson and Wm. M. Watson, her attorneys, alleging:

That on the 16th day of May, 1908, the petition of said guardian was filed in the above entitled cause in the County Court of Wasco County, wherein she seeks, as such guardian, to sell certain realty belonging to said minors described in said petition, and praying for an order to show cause why said real estate should not be sold at private sale;

That on, to-wit, the 16th day of May, 1908, the order was entered in said cause and court by Judge A. E. Lake, County Judge of said Wasco County, ordering the next of kin of said wards, and all persons interested in said estate, to appear before said Court on the 26th day of June, 1908, at 10 o'clock a. m., at the county court room of the county court of Wasco, Oregon, in the city of The Dalles, in said county of Wasco, state of Oregon, then and there to show cause, if any there be, why an order should not be granted for the sale of said real estate, and further, ordering that a copy of said order be published for four successive weeks in the Hood River Glacier, a newspaper of general circulation, published in the city of Hood River, County of Wasco, state of Oregon, the first issue of which publication shall be on the 28th day of May, 1908;

That thereafter said order was regularly published for the time required in said order, as by proof of publication on file in said cause dated June 26th, 1908;

That personal service was had on said minors and on Cora Belle Klaus, widow and next of kin, on the 28th day of May, 1908, and that acceptance of service on said minors and on said Cora Belle Klaus is also regularly entered on said order, all of which will be more fully seen by reference to the returns thereon on file in said cause;

That thereafter, on said 26th day of June, 1908, in the County Court of Wasco County, at The Dalles, Oregon, the said petition to sell said real estate came on for hearing upon said order to show cause and process as aforesaid; that at said hearing objections were made to the sale of said real estate by B. R. Tucker and others; that on motion of attorneys for petitioner, both of whom were present in court, the objections were overruled;

That certified copy of the order of the Superior Court of the State of Washington for King County, duly entered, in the matter of the adoption of said Tucker minors by Albert Ross Klaus and Cora Belle Klaus, their natural mother, was filed in said cause in the Wasco County Court, whereby the names of said minors where changed from Tucker to Klaus;

That at said time and place an order to sell said real estate was entered by Judge A. E. Lake, in said cause and court, authorizing and empowering the said guardian to sell said real estate from and after Thursday, the 30th day of July, 1908, as described in said petition and in said order of sale;

That at the general election of the State of Oregon, held June 1st, 1908; the electors of the State of Oregon carved out of Wasco County the County of Hood River, and that the Governor of the State of Oregon, on the 23d day of June, 1908 by official proclamation, proclaimed said County of Hood River as duly formed and that on the 24th day of June, 1908, the Governor appointed the county officers;

That the real estate sought to be sold, is in the new County of Hood River, and State of Oregon, and that all the papers in said cause, and the cause itself, has been transferred to and is to proceed in said County of Hood River State of Oregon;

That as said order of sale was entered by the Judge of the County of Wasco on the 26th day of June, 1908, on said order to show cause, re unable at said date, and as the said County of Hood River was organized on the 24th day of June, 1908, the question of the jurisdiction of the County Court, to-wit, County Judge A. E. Lake, to grant such order, is in doubt.

And the Court having heard the said motion, and being advised in the premises, and all the original papers in said cause having been transferred from the County of Wasco to the County of Hood River, and now produced before this Court in the City of Hood River and County of Hood River, State of Oregon, and the Court having examined the same and being advised in the premises, and having carefully considered the petition filed in said cause by Cora Belle Klaus, guardian, as aforesaid, on the 16th day of May, 1908, praying for the sale of the interests of her said wards in the real estate described in the said petition, to-wit:

First tract—The southeast quarter of the southeast quarter of section twenty-seven (27), township (2) north, range ten (10) east Willamette Meridian, containing forty (40) acres, excepting thereout the following described portion thereof, heretofore sold and conveyed by order of said court viz:

Beginning at the corner to sections twenty-six (26) and twenty-seven (27), thirty-four (34) and thirty-five (35), township two (2) north, range ten (10) east of the Willamette Meridian; thence running north along the section line between sections twenty-six (26) and twenty-seven (27), ten (10) chains to an iron bar set for the northeast corner of the land herein described; thence run south 89 degrees 57 minutes west parallel to the south boundary of section twenty-seven (27), ten (10) chains to an iron bar on the south boundary of section twenty-seven (27), set for the southwest corner of the land herein described; thence run north 89 degrees 57 minutes, east ten (10) chains to the southeast corner of said section twenty-seven (27), township two (2) north, range ten (10) east of the Willamette Meridian, after a survey made by John Leland Henderson, surveyor, in accordance with a former order of the County Court of Wasco County, Oregon.

Second tract—Commencing at the southeast corner of the northeast quarter of the southeast quarter of section twenty-seven (27) in township (2) north of range ten (10) east of the Willamette Meridian running thence north thirty (30) rods, thence west eighty (80) rods, thence south thirty (30) rods, thence east eighty (80) rods to the place of beginning, containing fifteen (15) acres more or less; being situate in the County of Hood River (formerly Wasco) and State of Oregon.

And it appearing to the Court also, from the said petition, that the income from the estate of said minors is insufficient to maintain the said wards, and that it is for the best interests of said wards and necessary that said real estate should be sold, it is hereby ordered that the next of kin of the said wards, and all persons interested in said estate, appear before the Court on the 5th day of October, 1908, at 10 o'clock a. m., at the court room of the County Court of Hood River County, Oregon, at the City of Hood River, in the said County of Hood River, State of Oregon, then and there to show cause, if any there be, why an order should not be granted for the sale of said real estate.

It is further ordered that a copy of said order shall be published for four successive weeks and five insertions, in the Hood River Glacier, a newspaper of general circulation, published weekly in the City of Hood River, County of Hood River, State of Oregon, and circulating in said County, the first issue of which publication shall be the 6th day of August, 1908, and the last publication of which shall be the 3d day of September, 1908, according to the statute in such cases made and provided.

Ordered this 3d day of August, 1908.
