What Will be Known as a

PREPARATORY SALE

The object of which is to raise **immediately**, a large sum of money. We have contracted for a building site to erect a permanent home for our constantly growing business. In consideration of the fact that the major part of our capital is invested in Dry Goods, Clothing, Shoes, Men's Furnishings, Ladies' Suits, Cloaks, Children's Wear, Men's and Boys Overcoats, Blankets, Bedding, Trunks, Bags and Suit Cases, and countless other items which the Fall and Winter will make necessary for the comfort of this community, we propose a most liberal offer to all our customers and their friends who purchase **at one time for cash** goods from any department in the house to the amount of

\$5.00 or over a Cash Refund of 10 per cent.

For example, if a Suit of Clothes is marked \$10 you get back \$1.00 in cash, and the more you buy the more you make, and my advice is not to buy anything you don't need, but to buy everything you do need, and buy it **here** while we are making this unusual offer.

You all know our prices are marked in plain figures and we will strive just as hard to please you as though we were not giving you **this money**. Hood River and vicinity know this means business for us and the opportunity for you to secure your Fall requirements from us out of a
