

CORRESPONDENCE

ODELL.

Jas. Cook, Asst. Lockman and Alex. Lacey attended the school for apple pickers held in Hood River last week.

M. Hawthorne lost a valuable cow last week. Clover or alfalfa blots caused her death.

C. Plughaupt lost a horse last week. The horse stepped into a hole in such a manner as to break a leg, thus making its death practically necessary.

A tract of land lying north of that owned by M. Hawthorne is sold, but we have not learned the name of the purchaser. This tract is a part of that known as the Slingerland land and will make a fine property for the buyers, who, we are told, expects to be at home there in the near future.

Mary Kleister, of Illinois, arrived here Saturday and is visiting friends at the home of J. J. Krumenacher.

W. A. Lockman came home Wednesday. He made a business visit in Portland, also in Carson, Wash.

L. A. E. Clark came home Thursday after a two days' business visit in Portland.

O. L. Walters' mother and little brother came down from their home near The Dalles for a visit at the home of O. L. Walters.

The many friends of Venice Callison will be glad to hear that she is to be again counted on Odell.

Venice will be at home with Mrs. Tousey and will keep the household machinery running smoothly while Mrs. Tousey attends to her work as teacher in the primary department of Odell school. Venice is true blue and is always welcome here, where she is known for true worth, and one of the happiest dispositions.

O. H. Rhoades returned from a hunt Saturday. We are told their pack contained bear meat, venison and huckleberries.

Goldthwaite and Christie are the names of two new mail boxes just beside the box marked B. R. Tucker. These gentlemen purchased land lying up the river road from the Tucker residence and they are now patrons of R. P. D. No. 1.

In last week's notes we failed to tell of an exciting runaway, in which R. F. Young and son, Glenn, figured, on the Saturday before last. No serious injury resulted, but little Ruth, who was one of the occupants of the vehicle to which the horses that were in such a hurry were attached was quite frightened.

Margie Crockett is home from a visit with the family of her aunt, Mrs. A. J. Friedley, of Hood River.

Mrs. Hattie Crockett has been visiting relatives and friends in The Dalles and has come back for a visit with her daughter, Mrs. Wm. Kemp.

Gertrude Davenport, of Mosier, has been with her sister here for a visit, Mrs. Harry Kemp, and with friends.

Odell school is progressing well under the management of its able corps of teachers. The attendance is large and interest good and we feel justified in expecting gratifying results.

Mr. and Mrs. Pete Lenz have purchased property in Duques Valley and their home is now there.

J. H. Egert expects to load three cars of wood this week. The wood is owned by Mr. Tait, of Hood River.

Mrs. W. C. Ebrek and little daughter, Rhonda, have gone to their home in Portland, after having made an extended visit at the home of Mrs. Wm. Ebrek.

We feel that the new carter on R. F. D. No. 1 deserves a good word, for when his work is carefully considered he is making an exceptional record. The number of errors is small and delivery is made in good time.

Last week J. W. Strong sold his twenty acre tract for a consideration of \$8,250. We understand that immediate possession is a part of the contract of sale. We regret to learn that this family is to be no longer of Odell but sincerely wish them success in their new home, wherever it may be. We extend to those who will come in their place a hearty welcome and trust that they may find in Odell a pleasant and profitable home.

Next week we expect to tell you of a wedding. Perhaps you hear the ringing of wedding bells even now.
