ODELL.

J. A. Bilgen went to Walla Walla, Washington, last week for a few days' visit with his son. On his return he stopped over for a short time then went to his home at Scio, Oregon. Joseph Hunter of Bend, Oregon, has been here looking after his interests. Mr. Hunter owns the tract just north of that owned by B. T. Young. Last week we failed to note the sale of a ten acre tract owned by Hattie Crockett. Henry McGuire of Hood River purchased this property which is a part of the Kemp place and lies across the road from Wm. Eberck's residence. The consideration was \$2700. O. B. Eberck attended the district fair in The Dalles last week. Mrs. Henry Lewis and her mother will go to Portland this week, after a short visit with her daughter Alice. Mrs. Lewis will return to her home in Odell. F. E. Strang was visiting friends and relatives about Odell last Saturday. Indications are that at no very distant date, Mr. Strang and his family will again be residents of Hood River valley. Their Odell friends will extend a cordial welcome at such time as they may decide to return here. Austin Lockman was a visitor at The Dalles fair last week. Mr. and Mrs. E. C. McCoy, Miss Thomas and Mrs. You attended the institute in session in The Dalles last week and returned to their homes in Odell Friday night, refreshed in mind and ready for work Monday. To say that Odell is indeed fortunate in her corps of teachers we think would be putting it very mildly. Claire Crockett came down from The Dalles Thursday evening of last week for a visit with relatives and friends. J. J. Krumschacher went to Portland last week and purchased a wood sawing outfit and is now prepared to saw wood into stove wood lengths in quick time. News came from Hood River Monday morning telling of a new member in Odell's mercantile firm, and hereafter we will know this firm under a new title, Connaway & Son. Mrs. Connaway and baby boy are in the hospital in Hood River and are doing well. Friends offer congratulations. BELMONT. Mr. James Carroll of Mosier spent Sunday with Mr. and Mrs. J. W. Davis. Miss Marie Somerville went to The Dalles Thursday to visit the fair, returning Friday. R. H. Henderson of Portland visited Mr. and Mrs. Somerville Wednesday, returning to Portland Thursday. Miss Grace Wilson of Hood River spent Thursday with Mrs. M. P. Ienborg. We are very sorry to say Miss Hazel Smith came home from Portland quite sick. The good care she is getting at home will soon make her well again. Roy Eastman's smiling face is seen again in Belmont looking fat and well as he always looks. Mr. and Mrs. Ordway spent Sunday with Mr. and Mrs. Hodges. Mr. and Mrs. H. P. Allen and children spent Sunday with Mr. and Mrs. Robert Jones. Mr. Barker and family are moving back to the home place this week. Misses Pearl Ely and Maud Merrill returned from institute Friday evening. Clarence Piper and Will Hooper took in the fair Thursday and Friday. Mr. and Mrs. Frank Jones took in the sights at the fair Thursday. Mr. and Mrs. Kaufman took in the fair Thursday. A reception was given the Belmont pastor and family Wednesday evening.

Mr. Merrill was called to Crockett, Minn., by the death of his father. Mrs. Merrill and family did not go. A large number of the Ladies' Aid met with Mrs. Somerville last Friday. They are a very busy crowd. They are making a lot of things, pretty things, and useful things for theirazaar. They also intend to serve dinner and supper at the same place, K. P. hall, December 5. Kennedy's Laxative Cough Syrup drives the cold out of the system through its laxative principle by assuring a free and gentle action of the bowels. Sold by Kier & Cass.

MOSIER.

George Chamberlain made a sale of twenty acres of land belonging to H. M. Huxley of Hood River, to Mr. A. S. Black of Fossil, Oregon, last week. Mr. Black will come this fall and commence improvements. Mr. L. Drury of Hicksville, Ohio, is here visiting Mr. J. P. Carroll. Mr. and Mrs. Thomas came in from the mountains Monday evening. Mr. Thomas intends going on to Portland in a few days as the weather is so cold back on the range. Mrs. Anna Varnell of Portland is visiting her mother, Mrs. J. P. Carroll, for a few weeks. A large number of Mosier people attended the fair at The Dalles last week. All report a large crowd, lots of excitement, and plenty of amusement and the fair a success. The following are the names of a few that we noticed going to take in the sights: John Wellberg and son Willie, George Sellinger, James Elliot, Amos Root, J. R. Wood, Dr. Robinson, C. G. Strick, A. E. Peterson, Mr. and Mrs. Allington, W. A. Stark, Estel, Arrie, Leslie and Clyde Root, W. A. Husband and family, E. W. Davidhizer and family, Mr. and Mrs. E. O. Williams and a number of others. The Baptist church was the scene of a very pretty wedding Wednesday, October 15th, at noon, when G. Ernest Evans and Edna A. Root, were married. Rev. E. A. Smith of Arleta performed the ceremony. Miss Mary Middlewest acted as bridesmaid and Arrie Dodge as best man. The church was beautifully decorated with autumn leaves, Oregon Grapes, ferns and flowers, with white and blue ribbons. A large number of relatives and friends witnessed the ceremony, after which a wedding dinner was served at Lamb's hall. The happy couple will reside on a fruit farm southeast of town, where they have all the good wishes of their many friends. Mr. and Mrs. E. Yackie left for Portland Saturday where they expect to reside. Wm. Wright returned home Friday evening from Lebanon, where he has been for the past three weeks, nursing his brother Charles, who was badly injured in a falling building. Mr. Wright says his brother is improving, being able to sit up some of the time. They have hopes of his entire recovery. Mr. and Mrs. L. Winther left for their Portland home Saturday morning. They expect to visit Mosier during the winter and come again next summer to reside part of the time. C. A. Hage went to The Dalles Saturday. We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it. Unless there is daily action of the bowels, no medicine produces any permanent benefit. Sarsaparilla, however, causes laxation, biliousness, nausea, dyspepsia, and thus prevents the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, and are vegetable.

was closed and all enjoyed an oyster supper. A toast: A cheerful mind, a loving heart, some work, and strength to do it, a bit to eat, a place to sleep, that's life for me; here's to it. Kodol is a combination of natural digestive juices and it digests all classes of food and every kind of food, so you see it will do the work that the stomach itself does. Sold by Kier & Cass.

MOUNT HOOD.

Gathering the large apple crop is the order of the times in this upper valley. The fruit is of good uniform size and fine color. Mr. and Mrs. Mrs. Keeling moved Thursday on to their homestead. We wish them success in their new undertaking. Schools resumed work again Monday with Mr. Louis Merdock, principal and Miss Laura Purcell assistant in the old building, and Miss Jennie Edgington teacher in the new building. Mr. Amos Billings attended the meeting of the G. A. R. in Hood River Saturday to celebrate the fiftieth wedding anniversary of the officers. D. Brown, who is suffering with the asthma, having heard of the improved health of Mr. Reese, is at Mt. Hood where she knows she will soon find relief from the trouble. No. 1 train was five hours late last Sunday owing to a freight jumping the track near Clifton. The trouble necessitated the building of a track around the derailed freight train. Fred Wilken went to Hiram last Saturday and returned Tuesday. Fred said McCracken has three or four men hard at work picking apples and that men were blasting rock for the proposed power plant, but when asked what he was doing he gave evidence that it was none of the editor's business.
