

Robbed Satin in Transit

Our Fall Line of Ladies' Suits and Coats and Children's Coats was robbed in transit and almost half of it stolen. It breaks the line of sizes, and as they were not careful in replacing the goods in the box they are slightly mused, and for this reason we are making a very attractive price on the lot. Call in and look them over. You will appreciate every article as a bargain : : :

R. B. BRAGG & CO., Hood River

Made 400 Mile Trip in Auto.
Mr. and Mrs. A. J. Epping who, in company with Mr. and Mrs. C. R. Bone, Clay Beck and Chautour McDonald made the trip from Spokane to the Dalles in the big touring car which Mr. Bone went to that city to bring to Hood River, arrived home last week. The trip is said by Mr. Epping to have been a fine one. He says that in the 400 miles they traveled only one piece of road was as bad as that which extends from the city limits to the Davidson Hill. At one place in the route the car was taken up 30 per cent. grade and at another descended one that was 27 per cent. The descent was made in the dark and Mr. Epping states that had the party known what was ahead of them they would have never attempted to take the drop although they arrived safely under the guidance of their chauffeur.

DeWitt's little Early Risers, the famous little liver pills. Sold by Kier & Cass.
Good Road Meeting With Success.
A. J. Epping, who is taking up a popular subscription to build four miles of good road from the city to the top of the Davidson Hill reports that he is meetin with success and has already received a large sum toward defraying the expense of building it. It is expected to commence work on the road soon and much interest is being taken in it. Building this piece of good road is expected to serve as an object lesson and a starter for other sections of the valley and it will undoubtedly do much toward stimulating active work in good road construction.

Great crowds were in attendance and the fruit exhibits were large and excellent. Wenatchee received most of the prizes on apples.
