TRUE PROPHETS AND FALSE.

HOW TO TEST THEM.

"I will not deny that there may be prophets to-day, but the trouble is to tell the true prophets from the false ones. The Bible says that false prophets will rise. It tells us how to distinguish the false from the true. It says: 'By their fruits ye shall know them.'"—William J. Bryan's Speech at Baltimore, Jan. 20, 1900.

BRYAN PROPHECIES. THE ANSWERS.

"TARIFF WILL CRUSH THE FARMER."

1892, Free Trade.

"Thus in every State, so far as these statistics have been collected, the proportion of home-owning farmers is decreasing and that of tenant farmers increasing. This means but one thing: it means a land of landlords and tenants, and, backed by the history of every nation that has gone down, I say to you that no people can continue a free people under a free government when the great majority of its citizens are tenants of a small minority."—William J. Bryan; speech on the protective tariff in the National House of Representatives, March 16, 1892.

The Answer in 1908.

The answer is found in the prevailing good prices for grain, corn, hogs, cattle, hay and all the products of the farm, together with the fact that since the date of Candidate Bryan's "crushing" speech, Western farm lands have doubled in value, and thousands of "tenant" farmers of that date have become prosperous home-owners, tilling their own land in peace, happiness and plenty. Under the National Irrigation Act, and the Republican conservation movement, the West is soon to be the intense agricultural and horticultural producing area of the United States.

"GOLD STANDARD WILL DESTROY HOMES."

1896, Free Coinage!—16 to 1.

"I reply that, if protection has slain its thousands, the gold standard has slain its tens of thousands."—William J. Bryan; speech at Democratic National Convention, July, 1896.

"The Democratic party has begun a war of extermination against the gold standard. We ask no quarter; we give no quarter. We shall prosecute our warfare until there is not an American citizen who dares to advocate the gold standard. You ask why? We reply hat the gold standard is a conspiracy against the human race, and that we should no more join in it than we would an army to destroy our homes and to destroy our families."—William J. Bryan; speech at Albany, N. Y., August, 1896.

The Answer in 1908.

The gold standard has "slain" no one, nor did it write the "future in blood," nor did it destroy our homes nor foreclose the farm mortgage, nor did it close the district school; on the contrary, it has proved the sound and solid foundation of widespread prosperity, leading to individual progress and happiness, aided in paying off the farm mortgage and expanding the country's educational facilities.

It has brought such prosperity to our country as was never known before. Americans are the happiest and most prosperous people on earth to-day.

"NO MORE FOURTH OF JULY."

1900, Imperialism!

"The fight this year will be to carry out the sentiment of that song we have so often repeated: 'My Country, 'tis of Thee.' If we lose, our children and our children's children will not succeed to the spirit of that song, and celebrations of the Fourth of July will pass away, for the spirit of Empire will be upon us."—William J. Bryan; speech to the Bryan Home Guards, Lincoln, Neb., July, 1900.

The Answer in 1908.

Answer this for yourself. Do you know of any spot in the United States where the spirit of 1776 is dead and forgotten and the Fourth of July a meaningless date on the calendar?

On the other hand the humblest citizen is growing prouder of his American citizenship and the spirit of 1776 is permeating the entire body politic.

"ROOSEVELT THE SPIRIT OF WAR."

1904, Anti-Roosevelt.

"I would rather gfio down to eternal oblivion than be instrumental in the election of Roosevelt."—William J. Bryan, Oct. 17, 1904, while touring Indiana.

"The surrender of the present President (Roosevelt) to corporate influences furnishes an excellent proof of the wisdom of Judge Parker in making the statement he has. But President Roosevelt stands for militarism. * * * The present occupant of the White House (Roosevelt) represents in an aggravated form the warlike spirit, as contrasted with the pacific policy that has heretofore characterized our nation."—William J. Bryan, in a speech at Springfield, Mo., Sept. 1, 1904, where he accused President Roosevelt of surrendering to the corporations and holding "bloody, brutal and barbarous" sentiments.

The Answer in 1908.

President Roosevelt, instead of representing the "spirit of war," stands before the world the greatest exemplar of international peace in his generation. History will in full season award him the titles he has justly won, and the greatest of these will be "The Peacemaker," in spite of Candidate Bryan's assault upon him in 1904. Under President Roosevelt's policies the United States has taken its place in the front rank of world powers. Taft is committed to continuing these policies

'GOVERNMENT MUST OWN RAILWAYS."

1906, Government Ownership of Railways.

"I have already reached the conclusion that railroads partake so much of the nature of a monopoly that they must ultimately become public property, and be managed by public officials in the interest of the whole community.—William J. Bryan; Home-coming speech at New York City, August, 1906.

The Answer in 1908.

The broad meaning of Candidate Bryan's remarks on this subject is that railway regulation by statute law is impossible, and that "government ownership" is the only remedy for transportation abuses The enactment of the Federal Rate Law has totally disproved the claims of Candidate Bryan and vividly displayed his unsound reasoning on great public questions.

More than Enough is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of rheumatism, stomach troubles and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. Cold Weather Advice

to all is to beware of coughs and colds on the chest; as neglected they readily lead to pneumonia, consumption or other pulmonary troubles. Just as soon as the cough appears treat it with Ballard's Horehound Syrup the standard cure of America. Use as directed—perfectly harmless. A cure and cure and preventive for all diseases of the lungs. Price 25c, 50c and $1.00 per bottle. Sold by Chas. N. Clarke.

Roosevelt on Taft.

I hope and believe that all far sighted citizens who wish to see this country prosperous in material things will support Mr. Taft, but above all I ask for support for him because he stands for the moral uplift of the nation, because his deeds have made good his words, and because the policies to which he is committed are of immeasurable consequence alike to the honor and interest of the whole American people.

You take Kodol just for a little while when you have slight attacks of indigestion, and you take it just a little longer in order to get relief from severe attacks of Indigestion or nervous dyspepsia. Try Kodol today. Sold by Kier & Cass.

Anyway, Mr. Taft never tried to steal Mr. Bryan's government ownership raiment.—Omaha Bee.

Fifty Years a Blacksmith.

Samuel R. Worley of Hixburg, Va., has been shoing horses for more than 50 years. He says: "Chamberlain's Pain Balm has given me great relief from lame back and rheumatism. It is the best liniment I ever used." For sale by Kier & Cass.

Justice of Peace Marries Chinese.

Portland—Justice of the Peace J. W. Bell performed the wedding ceremony last week for Hong Ying and Ling Sing, two local Chinese. This is one of the first instances in Portland of a Chinese couple being married according to the American custom, but this pair was very insistent on this point. However, they were married again according to the Chinese fashion.

DeWitt's Carbolized Witch Hazel Salve is the best salve for piles. Be sure you get DeWitt's. Sold by Kier & Cass.

It is interesting to note to how great an extent Governor Hughes is commanding the support of Democrats in New York State.—Springfield Republican.

Political Speaker Interrupted.

Public speakers are frequently interrupted by people coughing. This would not happen if Foley's Honey and Tar were taken, as it cures coughs and colds and prevents pneumonia and consumption. The genuine contains no opiates and is in a yellow package. Refuse substitutes. Clarke Drug Co.

Large Yield of Oregon Apples.

Roseburg—A new record has been established for Douglas county apples. J. B. Smith, a fruitgrower from near this city, from a measured quarter of an acre, will pick over 300 boxes of choice marketable Spitzenberg apples. He was offered from $2 to $2.50 per box for the apples in the orchard, which would net him at that price $2400 per acre for his entire apple crop. He refused the offer, however, and the apples will be packed and shipped East, where they are expected to bring the top market price for choice fruit.

$100.00 Reward

would gladly be paid for a cure by many people who are badly crippled with rheumatism, yet if they only knew it, they can be cured by a few bottles of Ballard's Snow Liniment, and the price is only 25c, 50c and $1.00 per bottle. Sold by Chas. N. Clarke.

The Wells-Fargo Express Company won the suit against Douglas county in the circuit court in Roseburg last week, when Judge J. W. Hamilton handed down a decision enjoining the county from collecting taxes on the business done by the company in this county, and also on the mileage of the Southern Pacific Railroad Company, over which road the company does business.

Never Worry

about a cough—there's no need of worry if you will treat it at its first appearance with Ballard's Horehound Syrup. It will stop the cough at once and put your lungs and throat back into perfectly healthy condition. Sold by Chas. N. Clarke.
