A MILD REBUKE.

—San Francisco Chronicle.

ROOSEVELT HOT SHOT.

On Haskell.
Governor Haskell's utter unfitness for any public position of trust or for association with any man anxious to make an appeal on a moral issue to the American people has been abundantly shown.

As an American citizen who prizes his Americanism and citizenship far above any question of partisanship, I regard it as a scandal and disgrace that Governor Haskell should be connected with the management of a national campaign.

To Bryan.
In my judgment the measures you advocate would be wholly ineffective in curing an evil, and so far as they had any effect at all would merely throw the entire business of the country into hopeless and utter confusion.

I put Mr. Taft's deeds against your words. I ask that Mr. Taft be judged by all his deeds, for he wishes none of them forgotten. I ask that you be judged both by the words you wish remembered and by the words that seemingly you and your party now desire to have forgotten.

WILLIAM H. TAFT AND PACIFIC COMMERCE

The Constructive Genius of Our Oriental Trade-Empire.

Carried the Torch of Civilization to Antipodes—Made Secure Our Far Eastern Commercial Supremacy.

During the past ten years, under a constructive Republican policy, the United States has assumed a position in the Pacific Ocean which is destined to give her the bulk of the vast commerce of the countries situated on the greatest body of water on the globe.

Some of the things accomplished by the party of enlightened freedom and patriotism have been: The securing of the open door in China; the preservation of the integrity of the Chinese Empire; the acquisition of the Philippines; the establishment of coaling stations across the Pacific and finally the transfer of the American fleet of battleships from the Atlantic to the Pacific to modestly remind the Oriental nations that, having assumed the position of a world power in the Pacific, we are prepared to maintain it against all comers.

America and Japan in Pacific.
Two wars have caused the whole world to realize that the Pacific Ocean is to be the scene of the greatest human activities in the future. The war of the United States with Spain gave us possessions which bring us within speaking distance of Asia, and the Russo-Japanese war revealed Japan to the world as a powerful and progressive nation, whose future sphere of action would of necessity be within the boundaries of the ocean separating America from the Orient.

Taft a Constructive Statesman.
The Honorable William H. Taft has been one of the chief advisers and strongest advocates of the Republican administration policy during this formative and historic period. He has been a pioneer, not only along the lines of statecraft, which have had for their object the development of our western states, but he has given particular attention to the situation in the Orient with reference to the future commerce between those far away countries and the Pacific coast of America.

In his own inimitable way and uniting a unique personality with the highest authority as a diplomat, he poured oil on the troubled waters in Japan and changed the political storm there raging, into a placid sunshine of peace. In China he created such enthusiasm as the Orientals have never shown to any other visitor and left that empire with the belief on their part that the United States is not only ready to enter into commercial reciprocity, but

still stand as China's friend and lend its influence to see that she gets justice from those who would violate her territorial integrity.

Taft and Oriental Trade.
In his Shanghai speech, addressing a body of influential merchants, diplomats and Chinese government officials, Mr. Taft spoke in part as follows: "We do not complain of loss of trade that results from the employment of great enterprise, ingenuity or attention to the demands of the Chinese market, or the greater business acumen shown by our competitors. We would have the right to protest at being secluded from the trade of China by reason of our insistence of the policy of the Open Door. The acquiescence in this policy of all the nations interested has been so unhesitating and emphatic that it is hardly worth while to speculate upon the probable action of the United States in case the interests of American merchants are placed in jeopardy, and how far the United States would go in the protection of its Chinese trade. I cannot say. It is clear, however, that our merchants are being roused to the importance of the Chinese trade and they would view with deep concern any and all political obstacles which menace that expansion. "This feeling is likely to find expression in the action of the American government. The United States and the other powers favor the open door, and if they are wise they will encourage the Empire to take long steps in administrative and governmental reform, the development of the resources of China, and the improvement of the welfare of the people. To do this would add to China's strength and position as a self-respecting government and aid her in preparing to resist possible foreign aggression in the seeking of quiet and exclusive proprietary privileges. Thus no foreign aid will be required to enforce the open door and the policy of equal opportunity for all."

History Making Happenings.
During recent Republican administrations we have built up an export trade with the Far East of something like \$150,000,000 per year. We have landed an army on Chinese territory, and have been drawn willy-nilly into the vortex of the Far Eastern question. During the period policies have been formulated which have compelled us to take a hand in momentous negotiations. We have definitely enrolled the Far East among the objects of our commercial and diplomatic solicitude. Things have changed much during this ten years of Republican rule.

If it is true that Roosevelt is going to take to the stump Bryan will have to take to the woods—Philadelphia Press.

Prineville to Get New Charter.
Prineville—The Prineville city council last week authorized framing of a city charter more in conformity with the present growth and needs of a city of this size.

More than Enough is Too Much.
To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of rheumatism, stomach troubles and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by Kier & Cass.

Gold Weather Advice
To all is to beware of coughs and colds on the chest; as neglected they readily lead to pneumonia, consumption or other pulmonary troubles. Just as soon as the cough appears treat it with Ballard's Horehound Syrup—the standard cure of America. Use as directed—perfectly harmless. A cure and cure and preventive of all the great lung disease. Price 25c, 50c and \$1.00 per bottle. Sold by Chas. N. Clarke.

The Western Titan.
Sunday School Teacher—Yes, children, there is a mighty power abroad in the land which all good people try to avoid. It is unloving, aggressive and rampant. It is rapidly spreading itself over the entire country, and it is only a question of time when we will all be under its evil domination. Now, children, what do we call it?
Class (in chorus)—Chicago!—Exchange.

You take Kodol just for a little while when you have slight attacks of indigestion, and you take it just a little longer in order to get relief from severe attacks of indigestion or nervous dyspepsia. Try Kodol today. Sold by Kier & Cass.

"I am glad to find you so much better, old man. Does the doctor expect you to be out soon?"
"I think he expects me to be out the amount of his bill. He vent it in today."

Fifty Years a Blacksmith.
Samuel R. Worley of Hixburg, Va., has been shoeing horses for more than 50 years. He says: "Chamberlain's Pain Balm gives me great relief from lame back and rheumatism. It is the best liniment I ever used." For sale by Kier & Cass.

"But why did you take it?"
"Because of the preacher."
"How was that?"
He pointed to the pleasures of the world so beautifully that it made me homesick."

Political Speaker Interrupted.
Public speakers are frequently interrupted by people coughing. This would not happen if Foley's Honey and Tar were taken, as it cures coughs and colds and prevents pneumonia and consumption. The genuine contains no opiates and is in a yellow package. Refuse substitutes. Clarke Drug Co.

Mrs. Morrison Essex—Living in a flat, as you do, what do you do for neighbors?
Mrs. C. Parke West—Well, we figure that we keep them in mind.—Puck.
Mother (firmly to little daughter, who is about to have a tooth drawn)—Now, May, if you cry, I'll never take you to a dentist's again!

\$100.00 Reward
would gladly be paid for a cure by any people who are badly crippled with rheumatism, yet if they only knew it, they can be cured by a few bottles of Ballard's Snow Liniment, and the price is only 25c, 50c and \$1.00 per bottle. Sold by Chas. N. Clarke.

"What yo' lovin' so gium 'bout, Lily?"
"Cleons' fish ol' Papa what owns de grocery, say he don quit callin' on me, he gwine disintect 'im!"—Puck.

Never Worry
about a cough—there's no need of worry if you will treat it at its first appearance with Ballard's Horehound Syrup. It will stop the cough at once and put your lungs and throat back into perfectly healthy condition. Sold by Chas. N. Clarke.

Conflicting Rules
"When we are married," said the girl, "of course you will shave every morning. That's one of the rules of our club not to marry any man who wouldn't shave every morning."
"Well, what about the mornings I don't get home in time?" responded the young man. I belong to a club, too."

Chronic Constipation Cured.
One who suffers from chronic constipation is in danger of many serious ailments. Foley's Orino Laxative cures chronic constipation as it aids digestion and stimulates the liver and bowels, restoring the natural action of these organs. Commence taking it to-day and you will feel better at once. Foley's Orino Laxative does not operate or gripe and is very pleasant to take. Refuse substitutes. Clarke Drug Co.

A Married Man
Station Sergeant—Are you married?
Prisoner—No, sir.
Officer—Begging your pardon, sergeant, he's wrong. When we searched him we found in his pockets a sample of silk, and two unopened letters in a woman's hand writing a week old.

Slightly Colder with Snow.
When you see that kind of a weather forecast, you know that summation weather is at hand. Get ready for it now by getting a bottle of Ballard's Snow Liniment. Finest thing made for rheumatism, chilblains, frost bite, sore and stiff joints and numbs the all aches and pains. 25c, 50c and \$1.00 per bottle. Sold by Chas. N. Clarke.

Where Baiters Flew.
David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done me more good than five hundred dollars to me. I spent nearly money doctoring for a bad case of stomach trouble for little purpose. I then tried Electric Bitters and they cured me. I now take them as a tonic, and they keep me strong and well." 50c at Clarke's drug store.

Some one asked Max Nordau to define the difference between genius and insanity. "Well," said the author of "Degeneration," "the lunatic is, at least, sure of his mind and clothes."

No one is immune from kidney trouble so just remember that Foley's Kidney Remedy will stop the irregularities and cure any case of kidney and bladder trouble that is not beyond the reach of medicine. Clarke Drug Co.
