

New Shipment of Ruchings just Come

Safe CRAM'S Reliable

Dorothy Dainty Ribbons have Come to live at our Store

La Vogue Coats and Suits are supreme examples of the designer's art. They are the original product of high class American designers--who have employed only the best ideas in the European models, adapting them to American individuality and needs.

We are certain La Vogue Garments will please our patrons. They have that rare quality of exclusiveness which discriminating women appreciate.

La Vogue Coats come in all materials, color combinations and weights for Fall and Winter 1908-1909.

The Young Man, the Middle Aged Man will find their clothes needs looked after here with the desire to see that you get the sort of clothes you want made as you want them made, freakish or conservative; our business is to please you and each individual taste is considered in making our selections each season. You don't have to test them to know they're right; don't have to hesitate a minute. There is just one way to make satisfied trade and we adopted the plank when we started our business. We believe just as strongly as ever in selling only reliable Clothes.

Mrs. Jack Morrison, who made a several days visit in Portland last week, returned home Saturday. C. E. Hayward who is in the saloon business in Portland came up Sunday to spend the day with his family who are living here. C. E. Hayward, of Omaha, Neb., spent several days here this week looking for a location. He expects to return in the spring. J. S. Norbanen, of St. Paul, Minn., who was here last spring and bought property at White Salmon, was a visitor here this week. A. J. O'Neill, the day telegraph operator who has been under the weather for some time, returned to work last week after a lay-off of several days. B. F. Fuller who formerly lived at Underwood, returned from La Grande Saturday. While in the Grand Ronde valley he bought 40 acres near Elgin. Mrs. Charles McIntosh, who has been visiting her mother, Mrs. Ellen Waters, in this city, has returned to her home in Hood River valley--Optimist. An infant child belonging to Mr. and Mrs. P. E. DeLashmitt, of Wyeth, died Monday and the body was shipped to the Willamette valley for burial. J. P. Flynn connected with the fruit growers association at Ellensburg, Wash., spent several days here this week inquiring into conditions that would help his section in marketing and putting up their fruit. Workmen this week cleared away the rubbish that has been lying around the Elliot building and the work of laying the new 12 foot cement sidewalk which will be placed around it will be commenced in a few days. Donald Allen while playing in the schoolyard Monday sprained his leg so badly that he had to have the services of a physician. It was thought at first that he had broken his leg but a later examination showed that it was only badly twisted. C. E. Miller, tie inspector for the Dezer and Ho-Grant Railroad, returned Saturday from Salem where he has been in the interests of the company and will commence work this week at Dee where the company has a contract with the Oregon Lumber Company for ties. Capt. Hobson, who was to have spoken here Friday on the issues of the campaign, failed to show up. It is stated that the Democratic State Central Committee decided to send Mr. Hobson to a point where his field of endeavor would be broader and he addressed a meeting in Eugene on that date. The Ladies Aid of the First Baptist Church will give a Ball-a-see-n Social at the parsonage Thursday evening, Oct. 29th. Appropriate games for the occasion will be indulged in and light refreshments served, for which a small sum will be charged to the society in its work. Everybody invited.

Soule spent two days in Portland this week in connection with his piano business. James Cameron was a visitor at Hood River Wednesday returning to Portland on the afternoon train. Mrs. E. T. Richardson and Miss Richardson, left Monday for New Mexico where they will make their future home. R. Smith of the Stanley Smith Lumber Co., came up on Monday night, returning to Portland Wednesday. The Ladies' Aid Society of the First Baptist Church will serve luncheon on the hill Tuesday for the accommodation of voters. Electric Light is King of Night! Its radiance fills all with delight; So chase us with all your might-- We'll turn your night into daylight! The Light & Water Co. On November 3rd, the regular meeting of the Pythian Sisters will be held at their hall. A full attendance is desired as there will be initiations. Miss Grace Wilson returned to Portland Saturday after spending the summer here. After a short visit there she will return to her home in Jefferson, Iowa. B. F. Powell, a prominent resident of Vermont arrived at Hood River Wednesday and had a five minutes' visit with E. L. Smith during the stop of No. 5 here. Mr. Smith and Mr. Powell are friends of many years standing. Mr. and Mrs. J. W. Ware, of Greenville, Ohio, arrived here this week after visiting the other fruit growing sections of the Northwest. If they can find a location that suits them they will stay here. J. R. Steele sold to E. E. Frederick, of The Dalles, this week 30 acres of unimproved land for \$125 per acre. Mr. Frederick will commence work developing it immediately. Another sale by Mr. Steele was 20 acres for John Munster to Robt. Nicholson. Mr. and Mrs. J. C. Slade, of Chicago, parents of Edward Slade, who, with his family, spent the summer at Hood River, camping on the Seenc & Kay place, arrived here Monday and will spend the winter on the coast. Tuesday they went to Husum where they will visit their son who has a large fruit farm there. A moment in front of the window decorated this week by Geo. Slocum and which contains a selection of pictures and art work is one of rare pleasure. From the small photographs suitable to decorate any lady's dresser to the larger and more pretentious works of art, the selection is one of good taste and artistic arrangement. R. J. Burns has the distinction of locating the first tin smith shop at Hood River. His place of business is located in the building next to J. McDonald's store and he is equipped to do all kinds of sheet metal work and everything else pertaining to his trade. He is at present employed on a contract for the Odd Fellows building.
