

Hood River Glacier

Issued Every Thursday by ARTHUR D. MOE, Publisher.

The new bridge will now be finished. Taft's elected.

Democrats went to bed early, but the news reached them even there.

Apples are said to have taken on a still more rosy hue than ever.

Gov. Chamberlain didn't make any predictions. He couldn't afford to. Silence is golden to the non-partisan.

The "I told you so" prophets are now numerous. They didn't expect the election to result any other way. Of course.

No violations of the new election laws are reported. How did it happen? After reading the newly applied legal straightjacket we didn't think it possible.

Hood River county has cast its first vote and has become a determining factor in the political complexion of the state. The majority which it gave Taft leaves no doubt as to its choice of the two great parties.

The election of Wm. H. Taft can be summed up as the intelligent vindication of the policies of progress and prosperity. As to the fitness of the man for the office so much has been said that there is little to say, except that the mantle of grave responsibility has fallen on the shoulders best fitted for it.

Backed up by a safe majority in both houses of Congress, the newly elected president will enter on his administration unhampered. It is stated that his pledge of tariff revision will be redeemed early in his new official position and that an extra session of Congress will be called to consider it soon after the inauguration. This is an indication of the nature of the man. No question to big to daunt him.

FATALLY BURNED BY EXPLODING LAMP

As the result of being fatally burned little Clotilda Hutson, the four-year old daughter of Mr. and Mrs. John Hutson died at the Cottage Hospital here Monday. Her death was due to the explosion of a kerosene lamp which scattered the burning oil on her clothing and set fire to it. The accident was caused by a younger child of Mr. and Mrs. Hutson who attempted to climb onto a drop leaf table on which the lamp was standing and caused it to drop precipitating the lamp to the floor. When it exploded it caused a sheet of flame to spread through the room which was seen by Peter Knapp who was passing the house and ran in and smothered the flames which were burning the little girl, with his coat. As soon as possible a physician was summoned and the child brought to the hospital where everything that was possible was done for her. She was burned so badly however that she failed to survive.

Mrs. Hutson and the other child who were in the room at the time of the explosion escaped uninjured. The former was prostrated with grief and for several hours was in a very critical condition from nervous shock. The funeral was held Wednesday morning at 10:30 from the Christian church in this city. Rev. W. C. Gilmore officiating and interment was in Idlewild cemetery under the direction of S. E. Hartness.

State Convention of Dairymen Salem will have the convention of the Oregon State Dairy Association December 10th and 11th and already preparations are being made for a gathering there. The convention will be held at the Hotel Oregon. The Oregon Development League will continue to work with the association and use the dairy report as one of its most effective pieces of literature in corresponding with eastern farmers.

A Big Wheat Farm to Exchange We have a large wheat farm together with improvements and equipment to exchange for a small well improved Hood River tract. There's big money in raising wheat now, see us at once. We can offer you a fine trade.

Will Report on Free Delivery The United States Postoffice Inspector for free delivery made a visit to Hood River this week and looked over the city in regard to the application which has been made for free delivery here. On leaving he stated that he would make a report to the General Postoffice Department and it is expected to be favorable.

Prof. Waldstein and his partner, Chas. Knutson left for Chehalis, Wednesday where they will manage the new amusement hall which they are erecting there. Arthur Waldstein will have charge of the rink here.

JAPANESE CELEBRATE EMPEROR'S BIRTHDAY

The celebration which was given by the Hood River Japanese Society Tuesday in honor of the birthday of the Emperor of Japan was well attended and the speeches and exercises were interesting. The affair took place in the Opera House which was artistically decorated with the flags, Japanese lanterns, autumn leaves and flowers, the prevailing flower being the chrysanthemum, the national flower of Japan. Over the entrance to the Opera House the American and Japanese flags were displayed. A number of papers were read by Japanese, one of them being the proclamation issued by the emperor to be read on the occasion and which was a patriotic appeal to the Japs to not forget their mother country. Among those who addressed the meeting were Dr. W. C. Edmonds, J. Van Neice Bandy, E. L. Smith and John Leland Henderson. An invitation had been extended to all the Hood River school teachers, many of whom were present including Prof. E. E. Coad and L. B. Gibson. After the exercises the Japanese members of the society assembled in the grounds around the court house and had their photograph taken.

Social Events of Interest On Friday afternoon Mrs. J. H. Hellermer, Mrs. Frank A. Gram and Mrs. Geo. Slocum entertained their lady friends at a unique and very pleasant party in Odd Fellows' Hall. The hall was beautifully decorated for the occasion and about 30 ladies were present. Half the number were supposed to represent men and to designate them from their partners, they wore a score card on which was a caricature of the creature who had been taboos at this very delightful social event. The score cards for the ladies represented a pumpkin. At the end of the afternoon's play delicious refreshments were served to the music of an orchestra composed of Miss Hafford, Willie Chandler and Mrs. H. L. Dumble. The winners of the prizes for the ladies were Mrs. H. F. Davidson and Mrs. W. F. Laraway, and Mrs. C. D. Briggs and Mrs. N. Bone took the gentlemen's prizes.

Many of the little friends of Miss Elizabeth Epping were delightfully entertained in K. P. Hall Saturday afternoon at a birthday party which was given for her by her parents, Mr. and Mrs. Adrian J. Epping. The afternoon was pleasantly spent in dancing, after which the favors, consisting of dainty little fans were distributed and refreshments were served. The remainder of the time was spent in playing Halloween games. After wishing Miss Epping many happy returns of the day the merry party of little folk dispersed.

Miss Florence Broius entertained about 25 of her girl and boy school friends at a Halloween party Saturday evening at the residence of her parents, Dr. and Mrs. F. C. Broius. A merry evening was spent in playing games appropriate to the evening and in listening to music at the close of which refreshments were served.

The J. U. G. Club was entertained Saturday evening at a Halloween party given by Miss Fay Orr at her home. Sixteen merry girls were present and the decorations were fact with lanterns. Each young lady presented a lantern made from the vegetable that is supposed to supply New England with its choicest article of food and the prizes for the most original designs were awarded to Grace Carter and Miss Ollie Sturges. Halloween games were played and later refreshments were served, the table being appropriately decorated with apples and jack lanterns. From a large one which occupied the center of the table each young lady drew a missive that was supposed to tell who the young lady receiving it would marry. Much merriment was occasioned by the features of the evening. The J. U. G. Club recently also gave an impromptu dance in the opera house, a chaffing dish party and a tully-ho ride.

Ministers' Annual Meeting The Ministerial Association held a very interesting session at Riverside Congregational church last Monday morning. The nominating committee reported the following names for officers for the ensuing term: Rev. C. W. Corman, president; Rev. Nathan Evans, vice-president; Rev. G. E. Williams, secretary and treasurer. On motion, Rev. Gilmore and Rev. Bandy were appointed a committee to arrange for a banquet November 16, at noon. All ministers and their wives actively engaged in ministerial work are invited to a social session at 10:30. Further announcement will follow as arrangements are made.

The Dalles Wants a Sample Who said "Good Roads?" Hood River to build a sample good road. What's the matter with the Dalles going one better and making it two samples?—Optimist.

COFFEE

Poor coffee has to be sold in bulk, it isn't worth packing.

Your grocer's returns you money if you don't like Schilling's Best. We say him!

Children's Coats

Is as complete as can be found anywhere. We carry the largest stock in the city and sell for cash only, on the very closest margin of profit. We will save you money on any article you wear.

RECEIVED RETURNS AT COMMERCIAL CLUB

Through an arrangement made by Chas. T. Early, C. T. Nickelson, secretary of the Commercial Club, with the co-operation of the business men, election returns were received in the Commercial Club rooms Tuesday night and the results of the vote were announced. Bulletins were received every twenty minutes from the Western Union and early in the evening it was apparent that Bryan was defeated. The returns from Hood River showed that Taft was polling an immense vote there. When a dispatch was bulletined on the blackboard announcing that Taft would carry New York state by 110,000 it was realized that it was all over and many of those present were satisfied to go home and wait for the details in the morning paper. A large crowd however stayed until midnight only to hear dispatch after dispatch verify the sweeping victory for Taft. At that hour it commenced to rain and the crowd dispersed. The returns from the county were also received promptly and by 9:30 the tall tale from each precinct in the county was bulletined. Hood River was the first county in the state to supply complete returns to the Republican State Central Committee and was complimented by State Chairman Schuchman on getting in the returns so promptly.

Beat Hood River. The second Columbia football team defeated the eleven representing the Hood River High School in this city Saturday afternoon by a single point, winning the contest by a score of 11 to 10. The game was marred by an accident which occurred on the first play, Fullback Pettigrew having his collar bone broken. Hood River kicked off to the Dalles at the opening of the contest. Both received the pick-off and Pettigrew, while running interference for the quarter back, fell to the ground in such a manner to sustain the fracture. Pettigrew is a very promising player and the mishap seriously weakened the locals. Hood River scored first, Baker going over the goal on a line kick adding another point by kicking goal. Before the half closed Conrow made a pretty run of about fifteen yards for a touchdown. The try at goal was missed and the first period of the game ended with the score standing 6 to 5 in favor of the Apple City boys. The local opponents were unable to gain consistently in the second half but Baker succeeded in making an easy place kick from the eighteen yard line, making four more points for his team. About the middle of the last half, James O. Columbus, secured the vital one yard run for sixty yards for a touchdown. By kicking goal, Conrow made the winning point, no further score occurring during the remainder of the game. The two teams were evenly matched

Ladies' Coats

We are going to give you a chance to get some first class heavy fleeced Underwear such as you usually pay \$1.20 a Suit for elsewhere, at the very special price, for one week only commencing Thursday, November 5th, at the garment

We Sell all Kinds of Incandescent Lamps

Also Electric Motors, Electric Sad Irons and All kinds of Heating and Other Electric Apparatus. We have sold the wiring and supply business to The Wiring & Supply Company. THE LIGHT & WATER CO.

KNIFED BRYAN BUT LOST CHANLER ALSO

Next to the election of Taft and the majority he would receive in Oregon the greatest interest was centered in the outcome of the gubernatorial election in New York State. It was feared that Hughes might be defeated by the efforts of Tammany to trade Chanler for Taft. This effort was made, but failed to work owing to the Republican landslide. The following dispatch to the Oregonian says: The Republicans have carried New York state for both the national and state tickets. Taft has won by a tremendous plurality and Hughes by a good safe margin. Taft's plurality may reach 200,000, and he has done the surprising thing of carrying Great New York by a small figure. Hughes' plurality now is estimated at 15,000 to 20,000, but it may be greater. Shearn, the Hearst candidate for Governor, polled between 25,000 and 30,000 in Greater New York. Taft's great plurality was due almost wholly to Democratic losses in New York and Brooklyn. The figures show that Taft's vote upstate fell off heavily from that received by Roosevelt in 1904, but Bryan's vote in New York and other counties making up the greater city slumped heavily from Parker's, and even from his own vote in 1900.

Tammany and Pat McCarron's machine in Brooklyn evidently buffed Bryan unmercifully. Had they not edged him loyally instead of betraying him the result in this state might have been actually closer. But the hopes of "Fingy" Connors, Murphy and the McCarran gang were centered on Chanler, and they sold Bryan out to gain their end. Likewise the machine Republicans sold out Hughes. Never was there a more striking example of how little political bosses care for principle than in this election. The racketeer and gambling element of whatever party was of course against Hughes. A whole trainload of track followers and horse owners came over from Baltimore, where a race meeting is being held at Pimlico, to vote for Chanler. The solidarity of the racing vote was shown by the results.

Meeting of Women's Club At the meeting of the Woman's Club October 25, the Cemetery committee reported that the work was progressing nicely, some seeding is being done, a hedge is to be set and new gates erected. It is hoped that all who have relatives or friends buried here will improve their lots and graves. The Travel department had charge of the program, Miss McLaren leading. Mrs. Laraway took the club on a journey through Yellowstone Park, describing some of its wonders and beauties. Mrs. J. E. Nickelson took them on a trip down the Hudson River, from Albany, by daylight, which is a very beautiful one, with its grand scenery and beautiful views along its banks. With Mrs. H. P. Davidson they crossed the ocean on one of the big liners, and visited some of London's interesting places. The papers were all instructive as well as interesting. Mrs. Bryant rendered a song and Mrs. Schmitzer two songs very delightfully, which closed the program.

The sacrament of baptism will be administered at the close of the morning sermon in Astory Methodist Episcopal Church next Sabbath. Mr. Lou Dahlquist will sing a solo at the close of the evening service. Strangers are invited to worship with us.

Notice The regular meeting of the Hood River Fruit Growers Union for election of officers and other business as may come before, will be held at the Artisans' Hall, Saturday, November 14th, at 10 a. m. As it is always difficult to get a quorum the stockholders are earnestly requested to be present promptly at 10 a. m. E. A. Benson, Pres. E. H. Shepard, Sec.

Easy Grade for Auto Road The survey for the new auto road to Cloud Cap Inn is completed and a report laid out in connection with it shows that the steepest grade is 7 per cent. As laid out the new road will be but a half mile longer than the old road from the Elk Beds. It is expected to commence work on it next spring. Reports from the upper country are to the effect that there is a foot of snow at Lost Lake.

Advertised Letters Carlisle, Mrs. W.
