

Robbed Satin in Transit

Our Fall Line of Ladies' Suits and Coats and Children's Coats was robbed transit and almost half of it stolen. It breaks the line of sizes, and as they were not careful in replacing the goods in the box they are slightly mussed, and for this reason we are making a very attractive price on the lot. Call in and look them over. You will appreciate every article as a bargain : : :

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may there by make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

GLACIER CENSUS SHOWS POPULATION OF 2,313

A census of the city of Hood River taken during the last few days shows an enumeration of 2,307. A strong effort was made to make a careful count but as the city is assuming proportions which would require considerable more time and expense than the Glacier can go into it is possible that some names have been omitted. As we intend to publish this census in pamphlet form, we request any whose names are not included in it to either send or bring them to our office.

The population according to the census taken this year shows an increase of about 400 over that of 1907. The enumeration is as follows:
