

duty it is to stop these violations of law? For the present we will refer the matter to the city marshal. Many good people have in the past been an-noyed by the venders of scaley fruit, at the trains and not a few have made determined efforts to have these disgraceful practices stopped but nothing has come of it. The men who standing put for appropriations, east-spend their money to clean their or-ern Uregon interests standing tochards and are fighting the disease of their fruit trees protest against mak ing Grants Pass a breeding ground for all manner of fruit diseases. They call upon the sheriff and all others in authority to clean up the pests and make the city worthy of the orchards fruit section in the world. The com-mercial club had this subject up for discussion last Tuesday night, but no action was taken. The moral of this

We are in receipt of "The Courier," from the Oregon State Normal School at Monmouth, which is full of information in regard to this institution.

and its fine orchard lands.

story is that it is a bad way for

The legislature has adjourned, with general adverse criticism on the part of the state press. After all there has been but little good work done. With the normal school politicians gether, and many other selfish schems to be worked, it was impossible to secure votes enough to pass any kind of meritorious measure unless a trade was made. The merit of a bill was about the last thing to be which will with slight belp make a bill was about the last thing to be Grants Pass the center of the best considered. The whole session has been a sorry spectacle all the way through. Hampered with the state

> Hood River. The tuneral was held Monday at Bartmess' chapel, and burial at Idlewid Rev. W. C. (ii)ore conducted the services.

The deceased came from Sweden to Minneapolis in 1888 and was married to Miss Anna Mattson in 1903. They came to Sesside that year, moving to Sesttle a year late. His wife died in

bome of his daughter, Mrs. Rulph Harly, when he has taken sick, and was unable to te removed to his home, the illness finally culminating in his death. He leaves a wife and five children, the latter being Mrs. Fanny Butts, of Spaulting, Iowa; John Smith, of Salem; Mrs. Ella Witham, of St. Johns. Ore. VENDORS OF "SCALY FRUIT" An incident occurred at Grants Pass during the recent visit of the excursion train of the Spokane Chamber of Commerce which bears out the con-Tribune says

who sold them apples of inferior quality which led the excursi nists to to say, Medford co rected this impression by giving them some of the fluest grown anywhere.

The booth crected here by the Commercial Club has not been self sostaining, and is kept open only at intervals, while fruits in season are abundant, but it is better to sell no fruit at all than inferior stuff that would

be a damage to Hood River's reputation. Irresponsible vendors of fruit cannot seem to resist the temptation they live suffers in consequence or not. It is a benefit alike to public and the valley to have fruit on sale at all times at the trains, and every inbooth kept open, under the control of have no fruit at all unless it is of the best.

Medford is also a sufferer in this respect, as the following will show :

is not a passenger train goes through this city that men and boys are not violating the law by exposing for sale diseased fruit. Let us inquire whose out it is to the train of the train to the trained of the trained good as Hood River."
