HOOD RIVER GLACIER THURSDAY, MARCH 18 209.

FARE TO HOOD RIVER

Passenger fares from Portian 1 to The Dalles will be slasted from \$1 to 50 cents when the Charles R. Spencer, Bailey Gatzert and possibly the Tele Difference in the same by the Differenc phone go in commission next month, seconding to the prediction of some of the stramboat mon, who say a rate war is sure to result, says the lefe gram. It is even intimated that the rate may be cut to 25 cents before the season is will downed season is well ad anced

Because of the Seattle fair, the tourist patronage of the Willamette and Columbia river hoats is expected to be fully as great as during the Lewis and Clark exposition, when a number of the realt netted earnings sufficient to pay the original cost of their construction. Among these was the Bailey Gatzert, which was leaving Porthaud for three or four monthe every day with all the passengers her government liceme would permit. The same was true of the Charles R. Spencer. Though the Telephone was not placed on the route until the senson was about over, she made hig Because of the Seattle fair, the season was about over, she made big money for her owners

In a small way the tourist travel on the river has already set in, and will

continue to increase as the weather becomes milder. Thos, professing to

anxious to make the trip up the range for the payment of freight charges.

jaunt, it is explained, that eastern people never fail to take in when they are in the Pacific northwest for a short stay.

with another transcontinental rail-road running into Portland, it is held that many of those intending to visit the fair will come by way of Portland and do their sight seeing in this secthe fair will come by way of Portland and do their sight seeing in this sec-

tion before going to the Sound. By following such a plan the tiresome journey across the continent can be lessened by half a day, which is a pected to prove sufficient incentive to perced to prove sufficient incentive to bring the flood tide of the travel direct to the Rose City. Preparations are being made to get

the Gatzert and Spencer ready for active service by the first of next Neither steamer has turned month. a wheel for several months. Con-siderable work has been and is being W. H done to the craft, and they will be in spick and spau shape for the season's unending grind. A months of manufacture of the season's unending grind.

season's unending grind. A mantle of mystery still surrounds the Telephone, but old time river men are confident she will be plying be-tween Portland and The Dalles before the fair opens. Recently there has been some talk of her being converted the fair opens. Recently there has been some talk of her being converted twingles would catch me through the into an oilbuiner. She is about the loins and cause the most intense sufonly bost on the river not equipped fering. I felt weak, tired and languid, with an oil plant.-Chronicle
