

ANNUAL MEETING OF E. F. IRRIGATION CO.

The annual meeting of the East Fork Irrigation Co. was held at the commercial club rooms Saturday.

V. Winchell, president of the board of directors, presided, with R. H. Wagon secretary.

Upon roll call it was found there were a few shares short of a quorum, but these were soon secured by later arrivals and the meeting was called to order.

After approving the minutes of the last annual meeting the annual statement was read and accepted.

The election of a board of directors was then taken up and the ballot resulted as follows: M. Hawthorne, 113; V. Winchell, 127; C. E. Hoar, 106; F. M. Jackson, 172; C. Dethman, 187; F. Stanton, 127; P. S. Davidson, 88; H. S. Galligan, 105; W. Fike, 80; J. C. Porter, 138.

Before adjournment President Winchell asked for a discussion of a few matters of interest for the guidance of the board, the most important of which was the matter of securing rights of way over land on which laterals had been run, with only a verbal understanding at present.

Another question brought out was the method of providing funds for the future. At present no provision is made for a sinking fund to take up the bonds and floating indebtedness of the company.

For Diseases of the Skin. Nearly all diseases of the skin such as eczema, tetter, salt rheum and barbers' itch, are characterized by an intense itching and smarting, which often makes life a burden and disturbs sleep and rest.
