Petition and Woodworth Proposition Referred to Judiciary Committee.

The petition which was circulated for the past week to put to a refer-endum vote the question of buying the present plant of the Water Company at a price not to exceed \$40,000, was presented to the Council last Wednesday evening with seventy-five signers. An ordinance accompanied it. A. A. Jayne, representing the company, was present, and stated his views on the subject. He said he believed that the charter does permit the purchasing of existing water are the purchasing of existing water systems, and also that it was possible to submit the initiative petition and proposed ordinance or matters con-tained therein to the voters at the coming election, July 28. As to the legality of that action the courts would determine later. His opinion

Attorney Derby in the matter, after which the ordinance was placed on second reading and all voted no. The ordinance was then again referred to

the Judiciary committee.

The Fire and Water committee, which had been appointed to conter with Mr. Davidson as to the purchase of the present water plant, at the request of the latter at the last meeting, reported that no result had come from the conference, that Mr. Davidson stated that he had no proposition to offer at this time.

A communication was received from

Gentlemen—Pursuant of the ques-tion of an adequate supply of pure water for the City of Hood River, I beg to submit the following propositions for your consideration:
I will sell to the City of Hood River my spring or springs situated in Section 31 of Township I North, Range 10 East of Willamette Moridian, known as the "Rogers Creek" or "Lava Bed" spring, flowing between Five and Six million galions of absolutely pure water every twenty-four hours, for the sum of Fifteen Thousand (15,000) Dollars to be paid on or
