

NEW STEAMER FOR OPEN RIVER FLEET

Dorsey R. Smith, superintendent of the Open River Transportation Company, has chartered the steamer Sarah Dixon to operate between Portland and the Big Eddy, carrying general cargo up and wheat down. The Dixon made her first trip yesterday. She will "run wild" until the congestion of freight has been sufficiently reduced to permit of her being placed on a regular schedule. The steamer J. N. Teal will continue making three round trips weekly.

As the use of the Washington monument at the national capital for a wireless telegraph station has been denied the Navy Department, the department plans to build a still higher tower, 600 feet in the air from which it expects to communicate with vessels 3000 miles away.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG. SICK WOMEN WELL.

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.
