Selected Orchard Lands

10 Acres—Highly improved, 2 1/2 miles from town on main county road, on the West Side, in a choice district; lies perfect for irrigation, with perfect drainage. Fine easily worked clay soil, all under cultivation, and about 8-12 acre planted to orchard as follows: 120 6 year old Newtowns and Spitzbergs; 144 5-year-old Newtowns and Spitzbergs; 145 2-year-old Newtowns and 100 Newtowns 1 year old. All in prime condition; besides a family orchard of 20 trees 6 years old. 2 acres in strawberries, 1 year old, planted between the trees; balance planted in melons. New improvements consist of a good hard finished 7 room house, two-story barn, fine cemented well and suitable outbuildings. One mile to school, church and store. R. F. D., telephone and electric lights. Price, including 7 inch s of water from farmer's ditch, horse, wagon, buggy, harness, six dozen chickens, harrow and all farm implements, \$810,000. Easy terms can be arranged.

20 Acres—Unimproved, about five miles out on the East Side, fronting on county road. High and slightly, perfect drainage; fine red soil, covered with brush and some pine and oak timber, all of which is easily cleared, 9 inches of water from East Fork irrigation ditch goes with the place. A beautiful view can be had from this place overlooking the valley. Absolutely back of place in this district. Price, \$300 an acre; \$5,000 cash; balance to suit purchaser at 8 per cent. This land is excellent for strawberries as well as apples.

11 Acres—well improved, 3 1/2 miles southwest of Hood River, good district, high and slightly; perfect drainage. New house of six rooms, located on large oak trees. Good barn, chicken house, and other outbuildings 4 acres in full bearing orchard, mostly Newtowns and Spitzbergs; balance of place in perfect condition. Living stream through back of place. There goes with the place one horse, cow, new sturkey, cultivator, chickens and small tools and implements and 3 inches of water stock, besides an abundance of free water. Price \$10,000, \$4,000 cash.

20 Acres—Unimproved, about 7 miles from Hood River on the East Side, high and slightly, perfect drainage, red soil, all good orchard land; under the ditch. Some oak and pine timber. Price \$150 per acre. Easy terms.

20 Acres—5 1/2 miles out in the Crapper district; perfect soil, fine drainage; high and slightly; stream through place which affords good fishing and free room drainage. 15 acres in two year old orchard in good condition; there being 375 Newtowns, 600 Spitzbergs, and 210 Arkansas Blacks, Jonathans and Wagners for pollinizers. Balance of place in meadow and pasture. 7 inches of water stock goes with place. Price \$11,000; \$3,000 cash.

43 Acres—unimproved, 9 miles south of Hood River, 2 1/2 miles out of city. All under the ditch and every foot can be cultivated. Is brush land, light clearing. A loose easily worked red soil. Genuine bargain at \$5000; \$1000 cash.

20 Acres—Improved. Located in center of West Side, 5 miles out on county road. Nice location, fine soil, good drainage. 15 acres in two year old orchard in good condition; there being 375 Newtowns, 600 Spitzbergs, and 210 Arkansas Blacks, Jonathans and Wagners for pollinizers. Balance of place in meadow and pasture. 7 inches of water stock goes with place. Price \$11,000; \$3,000 cash.

Want to Buy or Sell.
Farm, hog, dairy or chicken ranch; orchard or timber; one acre or thousands. It will pay you to consult Hartman & Thompson, Chamber of Commerce, Portland, Ore. Edwin Hooker, Mgr. Farm Dept.

WASHOUGAL
About 15 miles from Astor River on the Spokane, Portland & Seattle Railway, and on the Columbia River 25 miles from Portland, Oregon.
CHEAP LAND
compared with other places of our productive Northwest, but the richest soil in the country. We want to show you. NO electric STORMS, hot WINDS or flying sands in summer or SNOW in winter. Purest spring water to be found anywhere and the finest climate. That is what makes this as fine a fruit section as can be found anywhere for Peaches, Apples, Pears, Quince, Prunes, Cherries and all other classes, as well as the smaller fruits. Wheat, oats and other grain, potatoes and other vegetables yield heavily per acre, as well as clear timothy clover and other grasses, and all this is done WITHOUT IRRIGATION. Is a big dairy country, too. What more do you want? We ask that you make a visit here before deciding upon a location, and to call on Washougal Dairy & Land Co. Washougal, Washington
