Selected Orchard Lands

10 Acres—Highly improved, 2 1/2 miles from town on main county road, on the West Side, in a choice district. Lies perfect for irrigation, with perfect drainage. Fine easily worked clay soil, all under cultivation, and about 8 1/2 acres planted to orchard as follows: 120 6 year old Newtowns and Spitzenbergs; 144 5-year-old Newtowns and Spitzenbergs; 145 2-year-old Newtowns and 100 Newtowns 1 year old. All in prime condition; besides a family orchard of 20 trees 6 years old. 2 acres in strawberries, 1 year old, planted between the trees; balance of place in meadow. Improvements consist of a good hard finished 7 room house, two-story barn, fine cemented well and suitable outbuildings. One mile to school, church and store. R. F. D., telephone and electric lights. Price, including 7 inch siphon water from farmers' ditch, horse, wagon, buggy, harness, six dozen chickens, harrow and all farm implements, \$8150.00. Easy terms can be arranged.

20 Acres—Unimproved, about five miles out on the East Side, fronting on county road. High and slightly, perfect drainage; fine red soil; covered with brush and some pine and oak timber, all of which is easily cleared. 9 inches of water from East Fork irrigation ditch goes with the place. A beautiful view can be had from this place overlooking the valley. Absolutely the best buy in this district. Price, \$3000 an acre; \$5,000 cash; balance to suit purchaser at 8 per cent. This land is excellent for strawberries as well as apples.

10 Acres Half mile from city limits on Belmont road; all in orchard except a half acre where there is a cluster of pines and some brush for a building spot. There are 300 Newtowns and Spitzenbergs coming 5 years old on Mt Spring; 140 Newtowns and 4 Arkansas Blacks for pollinizers coming 3 years old next spring. 12 year old trees of assorted varieties for family use and a 1 year old family orchard of 17 peaches, pears, cherries and two walnuts. Six acres of strawberries between rows. The soil is a rich easily worked loam; 5 inches of water goes with the place. This property lies ideal and is a good buy at \$12000.

20 Acres—Unimproved, about 7 miles from Hood River on the East Side high and slightly; easily worked red soil; all good orchard land; under the ditch. Some oak and pine timber. Price \$1500 per acre. Easy terms.

20 Acres—4 1/2 miles out in the Crapper district; perfect soil, fine drainage; high and slightly; stream through place which affords good fishing and free irrigating water for five acres. New 7 room house, hard finished, costing \$1750. There are 202 twelve year old apples, mostly Spitzenbergs; 207 2 year old year old Spitzenbergs; 207 2 year old Newtowns and Spitzenbergs, and a family assortment of peaches, pears, cherries, apricots, etc. Trees are all in prime condition. 5 acres of strawberries mostly spring planting. Half mile to school house and store. R. F. D. and school house; 4 inches of water. Price \$13,500, \$5,000 cash.

40 Acres Unimproved, near Summit Station. No better red clay soil in the valley; all good orchard land with good drainage; irrigated from East Fork Irrigating ditch. On main county road. The buyer on same in one year's time by planting it to orchard. Price \$8500.

20 Acres—Improved. Located in center of West Side, 5 miles out on county road. Nice location, fine soil, good drainage. 15 acres in two year old orchard in good condition; there being 375 Newtowns, 600 Spitzenbergs, and 270 Arkansas Blacks, Jonathans and Wagners for pollinizers. Balance of place in meadow and pasture. 5 inches of water stock goes with place. Price \$11,000; \$3,000 cash.

Mr. Culbertson bought 30 acres of land in the Mt. Hood district for which he paid \$6000. About 18 acres of this land is cleared and is now being set to apples. Three acres of Mr. Culbertson will come here in the near future to take charge of the ranch.

Anstin Oshorn returned home today from Hood River where he went to make an examination of his twenty acre fruit farm. Mr. Oshorn reports his ranch in excellent condition and the prospects for good crops are excellent. He also reports the apple crop, so very short and is fully two-thirds less than that of last year, which is attributed to insects and pests that were so numerous this season. All precautions were taken at the time and much spraying was done but could not overcome the attack on their trees. The rain of the present week will be of great benefit to Hood River people as it has been very dry for several weeks in that section. Mr. Oshorn has brought a splendid assortment of fruit from the different farms of that district and will place them on display on Wednesday at the office of C. Osborn on Commercial street.—Astoria Budget.
