KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Som-Hood River People Know How To Save It.

Many Hood River people take their lives to their hands by neglect ing the kidneys when they know these organs need belp. Sick kidneys are responsible for a wast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills J. C. Buckler, of E Ninth St. Port land, Ore., say: "In my estimation there is no remedy equal to Donn's Kidney Pills. There was a constant screness across the small of my back and stooping or litting would cause sharp twinges in that part of my body. I tried one remedy after an other but without result. When Doan's Kidney Fills were brought to my attention, I procu ed a supply and was benefitted by them from the first. I continued their use and they soon completely removed the pain from my back and corrected the action of the kidney secretion, which had been somewhat irregular." Plenty more proof like this from Hood River peo-ple. Call at C. N. Clarke's drug store and sek what customers report.

'roup Cured and a thild's Life Saved. "It affords me great pleasure to add my testimony to that of the thousands who have been benefited by Chamber-lain's Cough Remody. My child, An-drew, when only three years old was over 400 students enrolled and taking the courses offered by mail. The courses are designed primarily tor the Oregonians and an effort is made to have them as nearly like the taken with a severe attack of croup, and thanks to the prompt use of Chamber-lain's Cough Remedy his life was saved to have them as nearly like the courses on the campus as possible.

The Correspondence Study department employs methods similar to all schools of the sort and examinations are required only in case university credit is desired tor the work. The student pass no charges execut to all dealers. student pays no charges except tur all dealers.
