I. H. C. Auto Buggy

Some Motor Carriages are built simply for pleasure and service on smooth pavement. The I. H. C. Auto Buggy is built for general utility and service on all kinds of roads. A good hill climber with a good clearance will go anywhere a team and wagon will go. Tire trouble and expense almost entirely eliminated. It is sold from permanent stock through established trade channels, and in case of accident or damage repairs can be had in a few hours, which is not the case where machines are sold and delivered from Eastern houses who do not have a permanent stock of machines and extras where they can quickly be reached in case of need. HOOD RIVER APPLES SELL SPOKANE LAND

Get Goodall, a Spokane booster, has been in New York lately selling orchard lands in the Island Empire country. He was formerly an easterner and is getting quite a little notoriety by his picturesque western boasting. A Hood River citizen, recently in New York, writes that Goodall had a window display in Times Square and that he was selling "Arcadia Orchard Tracts" like hot cakes. The letter contained the further explanation that he was using Hood River apples and Hood River pictures in his advertising.

Many visitors to Hood River are much disappointed when they come to the source of the finest apples in the world and are unable to find any of the excellent fruit. Very few of the fancy apples are handled by the local retail dealers and some of them even get their second and lower grades from the Willamette valley and other districts. One of the big disappointments is the fact that even the hotels do not serve the fancy Hood River apples to their guests. The hostesses are in a prosperous condition and they should make it a point to serve their guests with the fruit which is responsible for the fame of the valley.

WHY SALVES FAIL TO CURE ECZEMA

Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence, a penetrating liquid is required, not an outward salve that clogs the pores.

We recommend to all eczema patients the standard prescription Oil of Wintergreen as compounded in liquid form known as D. D. Prescription. A trial bottle of this D. D. Prescription, at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years, and know of wonderful cures from its use. We recommend it to our patrons. WHITE SALMON

(From Enterprise)

The big booster meeting of the White Salmon valley will be held here Saturday, February 19. Lou Richardson, of Portland, H. M. Adams, of the North Bank road and C. C. Chapman, of the Chapman road, a local company, will be among the speakers.

W. H. Day, of Oak Park Hill, was in White Salmon last week for a brief visit.

Mrs. M. Groshong returned last week from an extended visit with her daughter in North Yakima.

A. J. Harris, of Tacoma, was in town this week. Mr. Harris has bought property in White Salmon and expects to locate here soon.

Born—On Friday, Feb. 4, to Mr. and Mrs. K. L. Heaman, a son, Robert Stehr Heaman.

R. Hoying, of Leno, Ore., was in White Salmon the first of the week looking after his property interests in our valley.

The Mt. Adams Railway Co., is pushing ahead with the greatest speed possible. The preliminary survey is being located and contracts for right of way are being signed up by the people along the proposed route. The people all along the line are very enthusiastic and are giving all the encouragement possible to the road. Men are subscribing stock, some money and some land.

The White Salmon Valley Development League will have its Booster Day on February 19.

Mrs. W. A. Riesen and little daughter, Florence, went to Hood River last Saturday to spend some time visiting friends there.

Born—On Friday, Jan. 28, to Mr. and Mrs. A. F. Smith, a son. Mother and child doing well.

Rev. Monosmith, of Hood River, preached at the Congregational church last Sunday morning and evening.

A. W. Estes left Tuesday night to join his family at Santa Barbara, Cal. They expect to return to White Salmon in a few weeks.

Last Saturday about twenty little tots gathered at the home of J. M. Lewis to attend a birthday social in honor of Miss Gwyenth's eleventh birthday. Games and refreshments were enjoyed, and all had a most delightful time.

Jasper Gunning returned the latter part of last week from an extended visit with relatives in Missouri and Oklahoma. Mr. Gunning comes back better satisfied than ever that the White Salmon valley is the one place to live.

More than half the pleasure of driving is in being comfortable. When driving a person wants to keep warm. I do, and I believe you feel the same as I do. Doesn't make much difference whether you drive for pleasure or business—you need a good warm robe anyway—one that you can wrap yourself in and feel comfortable. That is the kind I want to show you. Drop in and see the robes and get prices. Yours for more business.

 Saved From Awful Peril.
 "I never felt so near my grave," writes Lewis Chamberlain, of Manchester, Ohio, R. R. No. 3, "as when a frightful cold and lung trouble paid me a visit to 115 pounds in spite of many remedies and the best doctors. And that I am alive today is due solely to Dr. King's New Discovery, which completely cured me. Now I weigh 160 pounds and can work hard. It also cured my four children of croup." Infallible for coughs and colds, is the most certain remedy for lagrippe, asthma, desperate lung trouble and all bronchial affections. 50c and \$1. A trial bottle free. Guaranteed by Chas. N. Clarke.

Rev. B. A. Warren, of St. Paul's Episcopal church, at The Dalles, conducted services here last Thursday night and will continue to hold Thursday evening meetings in Hood River throughout the month.

Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unaided for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well. Honest druggists do not offer substitutes, and urge them upon you as "just as good."—Accept no secret nostrum in place of this *Favorite Prescription*. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. Is a pure glyceric extract of healing, native American roots.
