REV. W. C. GILMORE RESIGNS PASTORATE

At the morning service Sunday Rev. W. C. Gilmore read to the congregation, his resignation as the pastor of the Riverside Congregational church. The move on the part of the pastor came as a surprise to the members of his church, and his many friends in Hood River regret to see Rev. Gilmore give up the work which he has carried on so satisfactorily for the past six years. While no action has been taken as yet it is probable that the resignation will be accepted by the church, but not to take effect before the last of August on the date set by Rev. Gilmore. Rev. Gilmore has not yet any definite plans for the future and it is possible that he will remain in Hood River. The many friends of Rev.

Gilmore and family will hope to have them remain in this community even though he does not care to continue his pastorate. The text of the resignation follows:
To the members of and friend of Riverside Congregational Church, Hood River.
Dear Friends and Brethren—It will soon be six years since by your choice you elected me to serve as pastor of the Riverside Congregational church. I have endeavored to be faithful to the ministry intrusted to me and the pulpit thus placed within my care and love—you have permitted me to assist you in the work of declaring the Gospel of our Savior, a work of redemption, regeneration, and spiritual unfolding. This church has enjoyed a happy relationship with all other churches. It has made a strong and steady growth and never had more influence and power than it has today. There are times for fruit gathering the tonnage of responsibility is great for us all

and we rejoice that this church is in a position to go triumphantly forward and claim men here and there for that kingdom which cannot pass away. With this object and the highest good of this church first in view, the time has come when I must ask or a release from this pastorate, therefore, at your earliest convenience I request that a meeting be called to accept my resignation thus presented to take effect not later than August 28, 1910. I never expect to have a fiber fellowship that Riverside Congregational church. It is the great joy and pride of my ministry and believing in you and loving you, myself and all my family join me in extending highest words of appreciation for your kindness and we hope to pray for you a vast, wider and better field of Christian service in the future.
Most fraternal yours,
Wm. Crawford Gilmore.

DR. HOMAN WILL GIVE CLASS ADDRESS

The class address to the graduates of the Hood River high school will be delivered by Dr. Fletcher Homan, president of Willamette University, at Salem, in the Odd Fellows hall Tuesday evening. This year there will be no speeches by the members of the Senior class at the graduating exercises, but an entertaining musical program has been arranged and after the address by Dr. Homan, the diplomas will be presented by Carl H. Vaughan, president of the school board. The members of the class of 1910 have been taking their final examinations this week, and the festivities of the Commencement week will be opened tomorrow when the class play "Christopher, Jr.," will be presented at the Pine Grove hall. A special train will

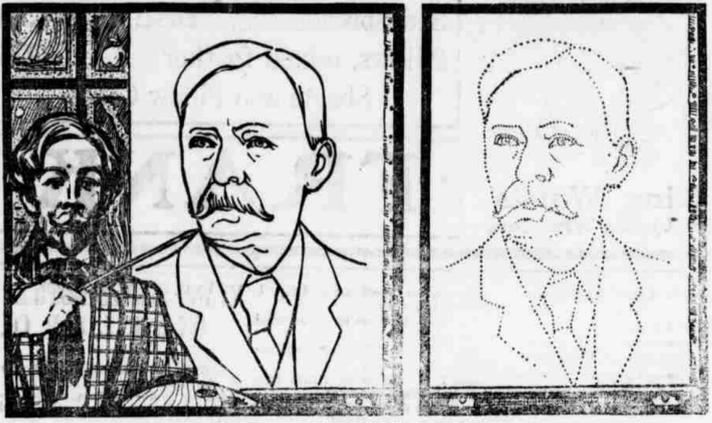

be run to Van Horn Friday evening to carry the crowd from town to the play. Rev. W. C. Gilmore will deliver the baccalaureate sermon at the Methodist church Sunday morning. The Seniors have been giving much attention to the preparation of their class play and the following is the cast of the performance:

The Hood River high school baseball team sailed across to White Salmon Friday and won from the high school of the Washington town by a score of 18 to 2. The local boys had an easy time throughout the game which was a ragged hit and run contest. Stockton, Chandler and Franz were the Hood River batteries. The crack team of the Lincoln high school of Portland will be here tomorrow afternoon to meet the local nine on the diamond. A good game is in store and the high school boys are trying to put at good crowd out.
