

ADVERTISE HOOD RIVER

Gift Car of Hood River Apples Will Leave for Chicago on December First

This is an opportunity to send a few boxes of Hood River's Best to your Eastern friends

On December 1st, Robinson, DeReding & Crocker will send a car of apples to Chicago, to be there reshipped local express to any point in the Eastern and Middle States.

There have been many orders for small shipments to the East which could not be sent on account of excessive freight rates. By sending a car load a great saving will be made to our patrons.

We have arranged with a large firm in Chicago to deliver fruit in that city and to reship by express to points outside of Chicago. Apples will all reach destination in time for Christmas.

Persons may prepay express from Chicago to final destination or the apples may be sent collect from that city.

The cost of sending a box of apples from Hood River to Chicago by express is two dollars and a half. OUR PRICE FOR THIS OCCASION WILL BE ONE DOLLAR AND A QUARTER AND OTHER PLACES PROPORTIONATELY AS LOW.

We will make an especially good price on our "extra fancy" Winter Bananas, Spitzburgs and Newtowns, for this particular shipment. To any growers wishing to send their own fruit to Eastern friends we will be pleased to offer the advantage of our car.

Eastern people or persons residing outside of Hood River may avail themselves of this opportunity and they should send in their orders at once.

This is a great chance to spread the fame of Hood River Valley with its great advertisement, its apples.

ROBINSON, de REDING & CROCKER

Phone 277-M for express rates to points outside of Chicago and any additional information that you may wish.

Notice

1. Let us know by the 25th of November how many boxes you wish to send.
2. Boxes should be delivered at our packing house on 4th St. op. Paris Fair between Nov. 25 and 30
3. Boxes brought in for Shipment must be properly addressed.

FIRST CANADIAN SHOW A SUCCESS

The first large apple show held in Canada week before last was a distinct success according to Chris Greisen, of Better Fruit, who attended the Show. He says of it:

"The Canadian Apple Show at Vancouver was the first of its kind that our cousins across the border have pulled off and it certainly was, if not the largest, the best and greatest show yet in point of quality and beauty of arrangement. Every show, so far, goes one better than the last."

The Vancouver Show was held in the Horseshoe Building, which has a splendid large arena in the middle and a seating capacity of about 8000. The seats are arranged in tiers in oval form. On the seats next to the sides all around the arena, apples were arranged from three feet high to above the boxes, which made a wonderful sight.

In the center of the arena were the district and limited displays. By "limited" I mean two barrels, two boxes, two jars and two baskets. Among the limited displays, the one entered last year at Spokane and which was thought at the National Apple Show, to be the best, but did not get a prize there, received the first prize at Vancouver.

It was entered from Grand Forks, B. C. The background was black velvet and the trimmings were red ribbons and red carnations with yellow and red apples displayed thereon.

Of the district displays, Kelowna, B. C. won the First Prize, Vernon B. C. the Second and Grand Forks, the Third. The quality of the fruit in these district displays was far superior to any shown and shows the wisdom of not having a quantity of fruit, but having it of the very best. Course in these district displays the artistic arrangement was taken into account and a certain number of points given.

There were 11 carload exhibits entered: one from Kelowna, B. C., one from Summerland, B. C., one from Vernon, B. C., one from Victoria, B. C., one from Grand Forks, B. C., three from Yakima Wash., one of Newtowns and one of Spitzburgs and one of Grimes Golden from Wenatchee; one mixed carload was entered and one carload of Newtown Pippins from Medford, Ore.

The sweepstakes prize was taken by Kelowna with a magnificent carload of Jonathans. They were packed 120 to special box, diagonal pack and looking over this car I failed to find one apple varying in size or color from another. It was a sight worth seeing, 600 boxes of apples uniform in size and of perfect color.

The second sweepstakes prize was won by Summerland for a carload of mixed varieties.

The third sweepstakes prize went to Medford Rogue River Valley for a straight car of Newtowns. In the pack one mistake was made. Some were packed calix ends up instead of stem end up or on their sides. Kelowna received the largest number of First Prizes. There was a display of home products, such as canned fruit and so forth, and for vinegar and cider Hood River captured the great prize. This was quite a credit as it was the only entry Hood River made at this show.

This was the first real "National" Show for the reason that there were apples there from every apple growing district in the Dominion of Canada, besides an exhibit from Australia. Manager Maxwell Smith and Secretary L. G. Monroe deserve the greatest credit for the success of this show.

The courtesy shown to exhibitors as well as to visitors was all that could be desired.

As entertainment in the afternoons and evenings, the celebrated 48th Highlander Band from Toronto gave concerts, singing Scottish songs and giving Scotch dances, which were greatly appreciated and drew big crowds. Sitting among the crowd on the elevated seats, with the gorgeous display of many colored apples in view and listening to the band in its picturesque Highland dress the color effect was really something not easily to be forgotten. The Show will probably be held in Toronto next year.

A banquet was given on Saturday the last day of the show, to the judges, principal exhibitors, and the press, in the Dutch Grill. I must say from this side of the line, that whatever our cousins across the border do, they certainly are up-to-date in every respect. The banquet itself was the tremendous success. The Show was opened and closed with much ceremony and pomp, which in itself was very impressive but perhaps not sufficiently appreciated by the people from this side.

However, I cannot help finding one small fault with the show and that is the almost complete absence of American flags. There were only four lonely "Old Glories" in the whole arena. As far as the fruit industry is concerned, there should really be no

Border line. Our interests here in the great West are the same. We are the "bread basket" as far as the fruit business is concerned for the world at large and we should work in unity for the distribution of our splendid apples. Points to this effect were brought up at the banquet and were much appreciated."

BUYERS PRAISE HUKARI APPLES

Steinhardt & Kelly, of New York, who have purchased a large part of the Hood River crop for the past three seasons, have been highly pleased with the apples which have been shipped recently by A. Hukari and they have so expressed themselves in a recent letter to the Apple Growers Union, through which Mr. Hukari ships. This little note from the big buyers shows that even though they do an enormous volume of business, at the same time they do it in such a detailed fashion that they know where the apples are coming from which show the greatest care in grading and packing. Hood River growers should never be lax in putting up their fruit according to the best standards as poor packing and grading reflects not only upon the valley, as a whole, but upon the particular grower, who fails to do his best in the praiseworthy manner which Mr. Hukari has done.

The letter addressed by the New York firm to the Union follows: "We desire to commend to you the pack and selection of Spitzburgs shipped by A. Hukari, No. 42. We particularly want to commend him to your notice and to have you communicate with him and tell him how very much pleased we are with the way his fruit is being put up. We take pleasure in picking out this man's pack because we have noticed lately quite a number of your packs who are not to the very highest standard."

G. D. Woodworth was in Portland last week.

DR. HOUSE CALLED TO PORTLAND CHURCH

Rev. E. L. House, now of Spokane and formerly pastor of the First Congregational Church, of Portland, has been extended a unanimous call to become pastor of the Hassalo-street Congregational church, of the East side, and the members have hopes that he will accept.

On Sunday, November 6, Rev. Mr. House preached in the Hassalo-street church morning and evening by invitation, the auditorium being filled to its full capacity, Thursday, November 10, the congregation assembled and voted to give him an unanimous call. The reply is expected this week. Rev. Mr. House is one of the leading Congregational ministers on the Coast. He is well known in Portland, where he was pastor of the First Congregational Church for a number of years and he will receive a hearty welcome back to Portland if he decides to accept the call. Rev. George E. Paddock, who was the pastor, was appointed state missionary and resigned to accept the place. Sunday Rev. T. B. Ford, former pastor of the Hood River Methodist church occupied the pulpit of the Hassalo-church morning and evening. - Oregonian.

Dr. House is well-known in Hood River as he owns a ranch on the east side and is quite a booster for the valley, having been instrumental in bringing many people here.

Flashes From Pine Grove Grange.

The exceedingly busy season is now drawing to a close, and all are looking forward to well earned rest and recreation.

Having great faith in the old maxim that "all work and no play makes Jack a dull boy," Pine Grove Grange has decided that as "no dull boys are allowed" it up to them to provide an amusement program that will "drive dull care away."

Fully realizing the progressive spirit

of the town and valley it required care and thought to secure the best to be had. The trustees made an excellent choice when they secured numerous talent through the Britt Lyeum Bureau which will appear here from time to time this winter. Bess Gearheart Morrison, interpretative reader, will entertain at Pine Grove Hall Nov. 26. The event is looked forward to with great interest, as she is an artist of great ability, winning her audience at the start and holding them in close sympathy with her to the end of the program. That she is very popular is attested by the return calls she always receives after rendering a program.

Do not forget the 26th of November and we will let you know of the other

good things later on. Watch for another "flash" in next week's paper. L. E. N.

Cut Off Progressing.

The O. R. & N. is laying rails on the Troutdale-St. Johns branch, and the pile drivers are also at work driving for trestles where fills have not yet been made. Many long fills have been made across the low places westward from Troutdale toward St. Johns. Much of the grading has been done on this cut-off, but it will probably be next Autumn before the new track is finished between Troutdale and St. Johns. The track follows the Columbia Slough road closely along the north side.

Fancy Apples in Fancy Packages

Our specialty is attractive packages containing from one to 112 Extra Fancy Hood River Apples.

Send your Eastern Friends a Sample Express prepaid anywhere in U. S. or Canada

The Famous Rayo

Does Not Strain the Eyes

Don't use a small, concentrated light over one shoulder. It puts an unequal strain on your eyes. Use a diffused, soft, mellow light that cannot flicker, that equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain.

The Rayo is designed to give the best light, and it does.

It has a strong, durable shade-holder that is held firm and true. A new burner gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price.

Once a Rayo User, Always One.
Dealers Everywhere. If not at yours, write for descriptive circular to the nearest agency of the Standard Oil Company (Incorporated)

Four Thousand a Year

There has been forty thousand prescriptions filled at this store in the past ten years. We fill prescriptions strictly according to the doctor's orders. No substitutes.
