### TO DEVELOP TRACTS IN UPPER VALLEY

A new corporation, The Hood River Apple Orchard Company, has been formed recently by Messrs. W. B. Allen, H. Coburn Allen, Fred F. McCrea, and others and they have already obtained control of about 400 acres of land in the upper valley south of Parkdale which they expect to develop and sell in five and ten acre tracts.

Messrs. H. C. Allen and McCrea secured the land with the assistance of Alfred T. Allen, of the Hood River District Land Company, who has operated extensively in the upper valley section, and their property consists of some of the best pieces of raw land in that part of the valley. It does not all lie in one tract, but the pieces were selected.

An office was opened a few weeks ago in Indianapolis by H. C. Allen and Mr. McCrea and they have interested a great many people in the Hood River metropolis in their lands. The company plans to sell the tracts on easy terms and develop the land for the purchaser, caring for it until the trees are five or six years old.

George L. Sargent, the well-known orchardist of the west side, will have charge of the development work on the tracts and he expects to take twenty acres himself upon which he will live and superintend the work, clearing, planting and caring for the young orchard. It is probable that a considerable colony of Indianapolis people will be out in a few years to take up their residence in that section which is being rapidly put into cultivation.

### WHAT CURES ECZEMA.

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D. can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription.

Because—we know that it gives instant relief to that torturing itch.

Because—D. D. D. starts the cure at the foundation of the trouble.

Because—it cleanses, soothes and heals the skin.

Because—it enables Nature to repair the ravages of disease.

Because—the records of ten years of complete cures of thousands of the most serious cases show that D. D. D. is today recognized as the absolutely reliable Eczema Cure.

Drop into our store today, just to talk over your ease with us. Keir & Cass.

### Both Speedy and Effective

This indicates the reaction of Foley Kidney Pills, as S. Parsons, Battle Creek, Mich., illustrates: "I have been afflicted with severe case of kidney and bladder trouble for which I found no relief until I used Foley Kidney Pills. These cured me entirely of all my ailments. I was troubled with backaches and severe shooting pains with annoying urinary irregularities. The steady use of Foley Kidney Pills rid me entirely of all my former troubles. They have my highest recommendation." C. C. Plath.

### Sanitarium for Tuberculosis.

It was decided at a meeting of the Oregon Commission for the treatment of tuberculosis Friday to open the state sanitarium December 1. Applications have already been received for 37 patients and the institution will accommodate 50. Superintendent Clements has been busy for several weeks making preparations for the opening.

The buildings are now practically completed and in readiness, but the Commission is desirous of having the institution in as near perfect condition as possible when the first patients are received.

Members of the commission who were present at the meeting include

### Acting Governor Bowdman, Dr. E. A. Pierce and A. J. Mills, Portland; Leslie Butler, Hood River and Dr. W. B. Morse and Mayor Rodgers, of Salem.

### Not Sorry For Illuder

"If my friends hadn't considered in thinking I was a doomed victim of consumption, I might not be alive now," writes D. T. Sanders, of Haroldsburg, Ky., "but for years they saw every attempt to cure a lingering cough fail. At last I tried Dr. King's New Discovery. The effect was wonderful. It soon stopped the cough and I am now in better health than I have had for years. This wonderful life saver is an unrivaled remedy for coughs, colds, laryngitis, asthma, croup, hemorrhages, whooping cough or weak lungs. 50c a bottle. Trial bottle free. Guaranteed by Chas. M. Clarke.

### Bradshaw Seralated.

A large and enthusiastic number of citizens of Hood River, assembled last night and led by the Dalles band, proceeded to the home of W. L. Bradshaw to congratulate him upon his reelection to the office of circuit judge for the Seventh judicial district. Judge Bradshaw responded to their cheers in a brief but heartfelt manner which served to strengthen the respect in which his many friends hold him. The official was first appointed to the office by the late Governor Penney to fill the term vacated by the death of Judge Harry Birk in 1890, after which he was elected three times and will now enter upon his fourth consecutive term.—Dalles Chronicle.

### Dies Very Suddenly.

M. D. Farrington, of Wrentham, well known in Wasco county, died Friday morning at the hospital in Hood River. Mr. Farrington started to Hood River Thursday for a short visit and was taken sick on the train and upon arriving at the Apple City was taken at the hospital. J. C. Johnson went to Hood River Saturday to accompany the remains to this city. Dalles Chronicle.

### HEN'S VALUE BASED ON LAYING EGGS

That utility measured by the egg and meat production is the real standard for the determination of the value of a hen and not the shape and color of feathers is the proposition upon which Professor James Dryden, of the Oregon Agricultural College, in a bulletin which has just gone to press, takes issue with the editors of the American Standard of Perfection and breeders of fancy chickens.

"To encourage the poultry industry," says Professor Dryden, "hundreds of poultry shows are held each year and thousands of dollars are paid on premiums and all are awarded on the basis of the American Standard of Perfection."

"We think we are encouraging the poultry industry by paying premiums for feathers and other fancy points and for shape of body, and farmers go to the shows to purchase their breeding stock. They never suspect that the premiums indicate nothing of the egg laying qualities of the fowl."

"The best poultry keeper in the country is the farmer and the farmer's wife. I have known and raised many times in my chicken career that we who were 'educating the farmers' were raising sickly, constitutionally weak chickens, and then go on to a farm and see running around the barnyard, without mention of cage, dirty, pointed, lively chickens. We are slaves of the dogma of the feather and the Standard and the farmer produces the eggs. I believe that the farm stock, the cross breed stock, or shall I say, the mongrel stock, have better vitality, are more fertile, are less preyed upon by diseases and produce more eggs than the average flock of pure breeds."

"The way to develop the poultry industry is to stop awarding pure bred standard bred fowls for the farmer. He should decide on the type of fowl to breed and forget the names of the breed. Let him decide whether he wants an egg type, a meat type or a general purpose type and then purchase pure bred males and grade up his flock. He should start with cross bred fowls and use pure bred males to bring up the grade. The country wants eggs and poultry and we cannot get anything on the foundation of feathers or fancy points."

"To discover the egg type we have to use the trap nest or some other means of keeping a record of eggs laid by individual hens. The trap nest is about the best thing we have discovered in the poultry business. We will make slow improvement in breeding without an egg record for each hen in the flock."

### FOR FALLING HAIR.

You Run No Risk When You Use This Remedy.

We promise you that, if your hair is falling out, and you have not let it go too far, you can repair the damage already done by using Rexall's Hair Tonic with persistence, and regularity, for a reasonable length of time. It is a scientific, cleansing, anti-septic, germicidal preparation, that destroys microbes, stimulates good circulation around the hair roots, promotes hair nourishment, removes dandruff and restores hair health. It is as pleasant to use as pure water, and it is delicately perfumed. It is a real toilet necessity.

We want you to try Rexall's "99" Hair Tonic with our promise that it will cost you nothing unless you are perfectly satisfied with its use. It comes in two sizes, prices 50c and \$1.00. Remember you can obtain Rexall Remedies in this community only at our store. The Rexall Store, Carl A. Plath.

### Glacier Ownership Maps.

Up to date blue print, present owner ship maps of the Hood River valley are for sale at the Glacier office. This map is in two sections, the lower and the upper valley. It has the roads and streams marked and the names of land owners written over their tracts. The price of the map complete is \$1. It will be sent to any address postpaid upon receipt of the price.
