

Where Will You Buy Your Range

From a Peddler or Your Dealer?

The unsuspecting farmers who didn't hear our call. But paid enormous prices for Ranges plain and small, repented when we showed them the error they had made, in buying of a peddler the forty dollar grade—and paying over eighty—while careful buyers bought finer, larger, stronger ones, for what a feller ought. Profit by this lesson, friends, and keep your dorg about, or the peddler "will get you if you don't watch out." (Apologies to Brakespear)

The Peddler: who is he?

How many buildings has he erected in Hood River? How much does he contribute to the schools, churches or the Commercial Club of Hood River?

The Local Merchant: who is he?

The man who contributes to all the above and then some. And besides that he gives you more value for your money than any peddler. Before buying compare our \$45 malleable range with the \$80 ones handled by peddlers. Don't be an E. Z. Mark. Investigate.

We shall be pleased to show our line of reliable Ranges and you are not under the slightest obligation to buy. It is a pleasure to show the goods.

MERCHANTS' ASS'N VERY MUCH ALIVE

In the current number of the Oregon Merchants Magazine some complimentary words are said of Secretary E. H. Hartwig, of the Hood River Merchants' Association and E. Brayford, one of the most prominent members. The Hood River association has the reputation among the leaders of the movement in the state as being one of the most lively organizations in Oregon. The magazine thus testifies the good works of Mr. Hartwig: "Some months ago we ran an article on 'Dead Secretaries' referring, of course, to the secretaries of many of the Merchants' Associations throughout the state. We wish to say emphatically that our statement did not refer to E. H. Hartwig, Secretary of the Hood River Merchants' Association. Mr. Hartwig is always on the lookout for things of benefit to his members."

In prefacing a letter from E. Brayford, third vice-president of the State association, the editor said: "From the pen of the bard of the beautiful Hood River Valley come complimentary lines about the recent visit of President Pease to that hotbed of organization spirit."

A LIBERAL OFFER.

We Guarantee to Cure Dyspepsia, If We Fail the Medicine Costs Nothing.

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction. Please using it. The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The pepsin used in Rexall Dyspepsia Tablets is prepared by a process which develops its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid, and without it the digestion and assimilation of food are impossible.

The carminative properties which aid in relieving the disturbances and pain caused by undigested food. This perfect combination of the ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

We are so certain of this that we urge you to try Rexall Dyspepsia Tablets on our own personal guarantee. Three sizes 25 cents, 50 cents and \$1.00. Remember you can obtain Rexall Remedies only at The Rexall Store, Carl A. Plath.

Hood River's Fame Sent Abroad.

Telegraphic advice that the Hood River apples won first prize at the National Apple Show at Spokane last week was sent to the officers of the National Land and Fruit Show which opened at Chicago Saturday, and a display of this fact will be made at the Oregon exhibit at Chicago. William McMurray, general passenger agent of the O. R. & N. Company, who will be in Chicago to take part in the "Oregon and Washington day" exercises November 30, has advised agents of the road to advertise the Hood River premium apples.

Glacier Ownership Maps.

Up to date blue print present owner ship maps of the Hood River valley are for sale at the glacier office. This map is in two sections, the lower and the upper valley. It has the roads and streams marked and the names of land owners written on their tracts. The price of the map complete is \$1. It will be sent to any address postpaid upon receipt of the price.

N. Y. MARKET LOADED VIRGINIA USES BOX

Reports in the eastern fruit trade papers are to the effect that there have been heavy receipts of Western box apples in New York, but in spite of this market has been fairly steady. Prices quoted for Hood River apples are not as high as in some other years, but they are the top prices listed and there is a fair margin of profit for the buyers at that end. As all the Union pack was sold F. O. B. here the growers have no immediate gain or loss resulting from the price received by the jobbers. Many consignment shippers are not getting altogether satisfactory results. Some Watsonville California Newtowns were only netting the growers 35 to 55 cents a box. Hood River Newtowns have been selling in London at \$3.25 or twice as much as the English are paying for the California apple. A letter in one of the papers from Richmond contains the following: "We notice that our Virginia people have gone very heavily into the box business. The Rose Cliff Orchard proper brought an experienced packer from Hood River and the effect is very perceptible."

YOU TAKE NO RISK.

Our Reputation and Money Are Back of This Offer.

We pay for all the medicine used during the trial, if our remedy fails to completely relieve you of constipation. We take all the risk. You are not obligated to us in any way whatever, if you accept our offer. Could anything be more fair for you? Is there any reason why you should hesitate to put our claims to a practical test?

The most scientific, common sense treatment is Rexall Orderlies, which are eaten like candy. They are very pronounced, gentle and pleasant in action, and particularly agreeable in every way. They do not cause nausea, diarrhoea, flatulence, griping or any inconvenience whatever. Rexall Orderlies are particularly good for children, aged and delicate persons.

We urge you to try Rexall Orderlies, at our risk. Two sizes, 10c and 25c. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store, Carl A. Plath.

Humboldt county on the coast of Northern California has succeeded in raising fine apples and this year three carloads from that section were exported to Australia.
