 Not "Football Colors" but the color of the cartoon containing Foley's Honey and Tar, the best and safest cough remedy for all coughs and colds. Do not accept a substitute but see that you get the genuine Foley's Honey and Tar in a yellow carton with black letters. C. C. Hyatt.

New Chapter Sigma Chi Fraternity.
 Last Saturday Beta-Iota Chapter of the Sigma Chi Fraternity, was organized at the University of Oregon in Eugene. The degrees were conferred by Grand Tribune, Wm. A. Trimpe, of Chicago, John S. McMillan, of Roache Harbor, Washington, Grand Praetor of the Pacific Coast province. They were assisted by members from the Universities of Washington, Montana, Utah, Southern California, Stanford and California and quite a number of visiting alumni from Portland and other Oregon cities. W. S. and James E. Montgomery, of Hood River were among those in attendance.
 Those attending consisted of the twenty-one members of Khoda Khan, a local fraternity, who already rent and occupy a fine fraternity house.
 The young men are of excellent standing in the University in those things that make a high class chapter worthy of Sigma Chi, which is one of the greatest of the national fraternities. The Chapter was signed by the great humorist and playwright, George Ade, who is now Grand Consul of the fraternity.
 A smoker was held Friday evening which was attended by the Khoda Khan members, visiting Sigma Chi's and members of the faculty. The degrees were conferred Saturday afternoon and Saturday night a very delightful banquet was given at the Osburn Hotel. James E. Montgomery was toast master and a number of happy and felicitous speeches were made. The sessions lasted until midnight. Reynold Early, of Hood River, is one of the popular new Sigs at Oregon.

Apple Party.
 The Hood River spirit of pride in its products is everywhere manifest, and a very pretty evidence of this prevailing spirit was given at the home of G. D. Woodworth Wednesday evening, when Miss Idel Woodworth entertained the members of the J. U. G. Club at an apple party. The amusements were unique, and appropriate to the occasion. Miss May Davidson won the honors in a guessing contest of the names of a great variety of apples. It was when the dining room doors were opened, and the guests invited to come and partake, that the enthusiasm ran highest. In the center of the table was a toy horse and cart, heavily loaded with miniature apple boxes, bearing the stamp which announced that they contained Spitznagels, grown by the members of the J. U. G. Club. Arranged artistically over the surface of the table, were numerous small incandescent lamps, whose bulbs represented small apples. After the service of a delicious supper, in which apples appearing in various dainty viands, featured prominently, Miss Bryant sang two pleasing songs, and as each guest departed she carried with her one of the apple boxes, as a souvenir of the very enjoyable evening. Miss Langley, of Forest Grove, was a charming guest.

Alfred E. Dickey Dead.
 James E. Montgomery received a telegram Tuesday announcing the sudden death of his uncle Alfred E. Dickey, a prominent and successful business man of Minneapolis and Jamestown, North Dakota. No particulars were given. Mr. Dickey was only thirty five years old and had always enjoyed excellent health and only returned Saturday from a trip to Indiana.
 While visiting Mr. Montgomery here at Hood River last Spring he met a number of citizens and said this certainly was a grand place in which to live.

The Famous Rayo

Gives the Best Light at Any Price
 When you pay more than the Rayo price for a lamp, you are paying for extra decorations that cannot add to the quality of the light. You can't pay for a better light, because there is none. An oil light has the least effect on the human eye, and the Rayo Lamp is the best oil lamp made, though low in price. You can pay \$5, \$10, or \$20 for some other lamp, and although you get a more costly lamp, you can't get a better light than the white, mellow, diffused, unfllickering light of the low-priced Rayo.
 Has a strong, durable shade-holder. This season's burner adds to the strength and appearance. Made of solid brass, nicked, and easily polished.

BUYS RACE HORSES AND FLYING MACHINE

Ward has been received here from Capt. McCann, who is spending several weeks in the east, that he has purchased some fancy racing horses including the famous "Hondsmen," paying \$11,000 for the latter, and also a Farman Biplane. He intends to make a landing place on his ranch near town for the flying machine, and will be the first in Hood River to indulge in that kind of sport. Mr. McCann is an enthusiastic sportsman. The bringing to Hood River of fine blooded stock may induce the building of a good race track and fair grounds, which he has had under consideration, it is said, which would be of benefit to the town for races, a good fair and a place for ball games and other out door sports.

A Birthday Party.
 Mr. Charles E. Larsen, the junior member of the firm of Mosely & Larsen, proprietors of the Mt. Hood hotel, celebrated his twenty-first birthday on Monday, the occasion being made a very happy one, thanks to the thoughtfulness of his associates at the hotel. Mrs. Larsen entertained the friends of the hotel at a dinner in the evening. Mr. and Mrs. Bell, the former proprietors of the hotel, being also present. Covers were laid for fourteen and the chef of the hotel prepared one of his best dinners, which was most thoroughly enjoyed. A most gorgeous birthday cake, with the correct number of lighted candles, adorned the board.
 Mr. Larsen is perhaps the youngest hotel proprietor in the Northwest, and deservedly popular. He received many gifts on his birthday from friends and associates, who wish him many more anniversaries of his birth.

Buy Orchard Lands.
 The Moore Investment Company, of Newberg, closed a deal last week for the sale of a highly improved 54-acre orchard located about one and a half miles from the above named town. The purchaser was a resident of Gilliam county. Mr. Thomas paid \$27,000 for the property. Most of the farm is in bearing orchard, of which over one-half is in bearing apples, and the balance in pears and prunes.
 Another farm in a high state of cultivation was sold in the same neighborhood for \$15,000. The ranch contained 125 acres.

The Mt. Hood railroad's north bound passenger train which left here last Sunday morning came near to having a serious wreck about one and a half miles south of Dec. During the severe snow storm Saturday night a tree was blown across the track. The engineer seeing the obstruction brought the train at standstill. The train crew soon cleared the track. After the tree had been rolled from the track, it was discovered about six feet of one of the rails was missing. It was found thirty or forty feet down the embankment. A new rail was put in place in a very short time and the train proceeded on its journey to the delight of the passengers as well as the trainmen.

At the Baptist church next Sunday evening, Mr. Hargrave's subject will be the fourth in the series or "Jesus in the Life of His Times." That theme of such general interest "Jesus with the Sick" showing the body's response to the inspiration of the Divine and Holy. A cordial welcome to all.

Grubbing Contract.

About 15 acres cleared land adjoining orchards of Messrs. Peter Mohr and Ed Hawks, East Side, 4 1/2 miles from Hood River, was grubbed and first plowing bids on contract to Mr. W. C. Collier in charge and S. Aune, Columbia Bldg., Portland, Oregon.
