FRANCISCAN ORDER PROGRESSES HERE

The following excerpt from a recent issue of the San Franciscan Monitor, a catholic publication of that city, shows an active progress of the Franciscan order in this vicinity:

Upon the urgent invitation of the Right Rev. Charles J. O'Reilly, D.D., the first Bishop of Baker City diocese in Oregon, the Franciscan Fathers took charge of Hood River, Hood River County, Oregon, and missions in Hood River County in the year 1906. The Very Rev. Fr. Theodore Arentz, O. F. M., then Commissary Provincial on the Pacific Coast, and Rev. Fr. Maximilian Klein, O. F. M., to be local superior and pastor, arrived in Hood River, Ore., September 7, 1906. The Sunday following being the feast of the Holy Rosary of the Blessed Virgin Mary, the Rev. Pastor, Father Maximilian Klein, O. F. M., conducted the first parochial service, after having been introduced by the present Vicar General of the Diocese of Baker City, the Right Rev. Monsignor A. Bronsgeest, pastor of The Dalles, who had attended Hood River as a mission about twenty-five years.

A neat little church, 62 by 25, had been built during the year 1905, but remained more or less unfinished on the inside. At once the inside finishing was begun by the Rev. Pastor, new and neat altars were made by Bro. Quirinus Kremer.

On the 8th of December, 1906, the feast of the Immaculate Conception of the Blessed Virgin Mary, the church was dedicated by the Right Rev. Charles J. O'Reilly, D. D., as the Immaculate Church, standing on a bluff on the northwest corner of Montello avenue and Seventh street.

Immediately after the arrival of the fathers a nice piece of property, 217 by 200, south of the church on Seventh street, between Montello and Prospect avenue, was purchased. This piece of property faces the beautiful valley of Hood River, extending about seven miles towards the south and Mount Hood snow-capped the year around. It is a valley of delicious fruit, as strawberries, apples, etc., grow abundantly.

A small house, one story, 24 by 24, looking like a stable, was on the place and had to serve temporarily as the dwelling place of the Fathers and brothers.

A piece of property toward the city limits, about one and one-half miles from the church, was bought to be the Catholic cemetery.

In April or May, 1908, charge of the Catholics in Klickitat County, Wash., was given the Franciscan Fathers of Hood River. In August the same year, the Lordship of Rev. Charles J. O'Reilly, D. D., of Baker City, tendered the charge of Harney County, Ore., to the Franciscan Fathers.

The Rev. Fr. Roman Wolf, O. F. M., returned to Hood River, Ore., in March, 1910, to take the place of Rev. Fr. Aegidius Herkerath, O. F. M., and the Rev. Father Pius Nierman, O. F. M., came to Hood River, Ore., March 21, 1910, to succeed the late Rev. Fr. Placidus Kremer, O. F. M.

In spite of the difficulty considering the small congregation of the Immaculate Conception of the Blessed Virgin Mary in Hood River, to contend with, nevertheless it was considered obvious by the higher superiors to move the church from the northeast corner of Seventh street and Montello avenue to the southeast corner of Seventh and Montello avenue and have it paved toward the Columbia River and also moved the very small house and put an addition of a two-story building, 25 by 25, and have church and residence connected by a hallway. This improvement meant to incur an expense of about \$4200, a great deal for this small congregation. Quirinus Kremer, O. F. M., superintended the entire work of church and residence.

A bell for the church, obtained from the firm of Henry Stukstede Bebel foundry, St. Louis, Mo., arrived here September 13, 1910. The so-called sponsors of bell were Mrs. T. A. Jamme and Mr. Michael Pendergast. On the Monday following, September 19, 1910, the bell was put in the steeple of the church and at 12 m. the first angelus bell was sounded in Hood River, Ore. Mr. Peter Mohr, who had collected the money for paying for the bell, had the honor of ringing this first angelus bell.

Will Initiate Large Class.

An unusually large class, composed of 28 local men, will be initiated by The Dalles chapter of Elks tonight. The candidates and all local Elks will leave for The Dalles on the 6:20 train. However, all are requested to be at the station 45 minutes early in order that a picture may be made of the group. Members of The Dalles chapter will meet the local bunch on their arrival and escort them to The Hotel Dalles. The initiation will be held in the Elks Hall. The evening will close with a big banquet. The class is composed of the following citizens: C. H. Strana- han, C. N. Clarke, Roy E. Slocum, C. H. Sprout, F. E. Hutchinson, R. E. Laraway, C. A. Eldridge, H. D. Wood, V. Winchell, H. F. Goldendale Packing Plant.

Goldendale is to have a small packing plant built here this spring. The lumbering business of Robert McCrow has been purchased by Portland interests and will be built next door to the present meat market. The ground floor will be used for the retail trade while the upper floor will be used as packing plant and storeroom.

During the past year over 60 carloads of hogs have been shipped to the Portland market.

Life Saved at Death's Door.

"I never felt so near my grave," writes W. R. Patterson, of Wellington, Tex., as when a frightful cough and lung trouble pulled me down to 140 pounds, in spite of doctor's treatment for two years. My father, mother and two sisters died of consumption, and that I am alive today is due solely to Dr. King's New Discovery, which completely cured me.

Now I weigh 187 pounds and have been well and strong for years." Quick, safe, sure, its the best remedy on earth for coughs, colds, lagrippe, asthma, croup, and all throat and lung trouble, 50c & \$1.00. Trial bottle free. Guaranteed by Chas. N. Clarke.
