Mrs. G. W. Detweiler anticipates the arrival of her sister, Miss Abbie Beach, of Sioux City, Ia., the latter part of this week. Miss Beach expects to remain most of the summer as a

visitor at Kum-and-Ind-us! (So, boys, its up to you, now.)

Mrs. Henry Hussey was the happy recipient of a real Panama straw hat last week from her brother-in-law, Albert Cannon, who has been traveling through Central America. Even if it did not arrive in time for Easter, we are glad to see Mrs. Hussey wearing it now!

Miss Hazel Holmes was a Portland visitor last week.

Monday, of this week, was a big day for Underwood. Farmers' Institute was held in the warehouse and proved of great benefit to all who attended. It was an all-day session, the noon hour being in charge of the ladies, who served a delicious dinner, and the afternoon in charge of Prof. E. Leitch, Beattie, of Pullman College, who with his two associate professors, delivered lectures on horticulture. A number of Hood River people were present.

Sunday afternoon Underwood's ball team played Husum at Underwood. This is the first game this season to be played at home, and it is the hope of many that more will follow here. The score was 7 to 2 in favor of Underwood. Good playing on the Underwood team was done by Guerny, Frederick, and even Schraeder woke up in the last few innings and caught several balls! Keep it up!

R. H. Hazelton goes to Portland this week alone, but returns with Mrs. Hazelton and the wonderful twins, Elizabeth and Ann. Nobility Hill no longer has a corner on babies.

Mr. and Mrs. W. F. Cash and Miss Fannie Haynes went to Elinor Friday to attend the organization of the Congregational church there.

W. B. Rine was quite badly injured in an accident at Underwood last Wednesday. His recently purchased horse became frightened at the sight of Mrs. Heanen's auto of White Salmon, which was standing in front of the blacksmith shop, and turning almost at right angles, dashed over the side of the hill, throwing Mr. Rine out. The horse escaped injury, but Mr. Rine was quite seriously hurt around the head and arms. However, he is improving as well as can be expected. The horse was bought in Hood River, the town of many autos, but such an unaccustomed sight as an auto in Underwood was to much for it—thus the accident. Moral: Underwood ranchers must buy autos.
