

Great Piano Contest

THE GREATEST THING THAT HAS EVER BEEN PUT ON IN HOOD RIVER

The Lyon-Taylor Co., of Chicago, is going to give away \$1,330.00 worth of their celebrated KRAUSE PIANOS on the contest that has been inaugurated at our store.

If you want one of these instruments get in the race at once.

This contest will be put on and conducted by J. M. Wood, proprietor of Wood's grocery store, Hood River, Ore., and A. D. Moe, proprietor of the Hood River Glacier.

5--FIVE PRIZES--5

- No. 1. \$350 Krause Piano Given Away FREE.
- No. 2. \$260 allowed on new Piano if purchased within a year.
- No. 3. \$250 " " " " " " " " " " " "
- No. 4. \$240 " " " " " " " " " " " "
- No. 5. \$230 " " " " " " " " " " " "

These prizes to be given to the Lady, Gentleman, Church, Lodge or any Society that brings in the most cash to the store for groceries, or to the Hood River Glacier for subscriptions. Any cash counts, whether it is cash over the counter, cash the first of the month on monthly accounts, or cash on bank accounts.

The contest will be decided by a system of voting, on the basis of one-half cent for each vote. (For illustration, \$5.00 will buy 1000 votes.) Mayor E. H. Hartwig will carry the key to the box containing the votes. He will open the box and count the votes every Monday and the result will be published weekly.

The contest will start April 3, 1911, and end July 3, 1911. The price of groceries will not be raised. They will be sold the same as they are sold in the other stores in Hood River for goods of like quality. The price of the Glacier will be \$1.50, the same as it has been all the time. We expect to get our money back from the increased amount of business we will do.

The Piano can be seen in the window of Wood's grocery store. Come in and try it. The piano is warranted to be first class in every particular.

Yours for business,

LAUNCH EXCURSION TO LYLE TOWNSITE

Rainey & Fleming, the local representatives of Keasey, Hamason & Jeffery conducted another large party of excursionists to the Lyle townsite Sunday. The trip was made aboard the new launch of Dean & Sheplar, the "Ollie S.", as was that of last Sunday, and was very enjoyable. On reaching the site of the new city the crowd was met by a couple of improvised wagonettes and shown the business and residence portions of the city as they have been laid out.

In the afternoon, after a lunch served by the real estate company at the Lyle hotel, the party made a visit up the Klickitat where the scenery near the falls of the river is exceptionally beautiful and where plans have been made to develop an electric plant of 50,000 horse power.

C. W. Lehman, who is managing the promotion of the new townsite for the Portland realty company, states that work will be begun this week on the new First State Bank of Lyle building and that of the Lyle Drive Co., composed of J. S. McVair, L. G. Clarke and A. Thayer, of Portland, who have purchased 4 blocks on which they will establish a drug and stationery store. Leadbetter & Wallace, prominent Goldendale merchants, are reported to have bought a business block on which they will erect a building. Work is progressing on the street grading.

"The Lyle Ledger," the newspaper, which will be under the management of Thomas Harlan, the oldest editor of the state, will issue its first number June 1.

Good News.

Many Hood River Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad sufferers in Hood River are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is had, no more thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Mrs. J. T. Holman, Twelfth St., Hood River, Oregon, says: "I do not know what I would have done had it not been for Doan's Kidney Pills. I suffered greatly from backache, headaches and other kidney troubles and was feeling quite ill when I began taking this medicine. I was surprised at the quick relief which followed the use of the first box. After I had taken the contents of three boxes of Doan's Kidney Pills, I was free from my trouble and my health improved. I have not had the least symptom of trouble since then and am only too glad to recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Maggies Fall Before Yakima People.

Relentless war on magpies in the vicinity of North Yakima is being waged by boys and men as the result of the proffered bounty of 75 cents per head which the auditor's office is paying for the scalps of the birds, and 25 cents for old and young, fell in one day as a result.

The county officials make no discriminations as to the age of the captured birds, and consequently by far the larger portion of them are young magpies caught in the nests or on the grounds among the bushes where the feathered outlaws make their homes.—Yakima Republic.

John D. Rockefeller would go broke if he should spend his entire income trying to prepare a better medicine than Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhoea, dysentery or bowel complaints. It is simply impossible, and so says every one who has used it. Sold by all dealers.

Many Acres Thrown Open For Entry.

Reports from Washington, D. C. state that Secretary of the Interior Fisher has made an order throwing open to entry 260,000 acres of public lands in Oregon on and after June 1, 1911. Some of the land is highly desirable and is situated in the new irrigation districts in which the reclamation service is opening new projects. That in The Dalles district, located in Morrow county, was withdrawn some time ago when traces of coal were found. It has been decided this land is more valuable for agricultural than for mineral purposes.

A touch of rheumatism, or a twinge of neuralgia, whatever the trouble is, Chamberlain's Liniment drives away the pain on once it comes the complaint is quickly and permanently cured. First application gives relief. Sold by all dealers.

Development League to Run Exhibit Train.

Representing ten Western states, the executive committee of the Western Development League met at the Commercial Club in Portland during the past week and mapped out a plan that promises to be of great benefit to the whole West. The purpose is to attract people from the crowded East to vacant lands of the West where there is room for millions to build happy homes.

The big drawing card proposed by the League is a special train of exhibit cars that will tour the East next Fall and give the people of that part of the country an object lesson of the opportunities to be found here. In this movement the commercial bodies, railroads, state officials and the Panama-Pacific Exposition will co-operate and share the expense. Prominent westerners will accompany the train and they plan to call on governors of the states visited and other leading men, interesting them in the campaign, which will be of such a magnitude as to be free from any selfish boosting by any narrow section.

At least five cars of exhibits will be taken along, showing the products of the West in a comprehensive fashion. This will be the biggest showing ever attempted along this line and is certain to attract much attention. The exhibits will later be placed at the Eastern land shows during the winter.

Tahoma Will Carry Autos.

The owners of the steamer Tahoma wish to announce that they are prepared to carry automobiles to any point on the Mid-Columbia river. A number of people have expressed an intent to visit Washington points by machine. Let the Tahoma carry the auto for you.

HER FRIEND'S GOOD ADVICE

The Results Made This Newburg Lady Glad She Followed Suggestion.

Newburg, Ala.—"For more than a year," writes Myrtle Coltrun, of this place, "I suffered with terrible pains in my back and head. I had a yellow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief.

A friend of mine advised me to try Cardui, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardui and were greatly benefited. I shall always praise Cardui to sick and suffering women."

Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old. Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.

Cardui has helped a million women back to health and strength. Have you tried it? If not, please do. It may be just what you need.
