OLD TIME SCHOOLS.

Methods in Days When "No Lickin' no Larnin'" Was the Rule. The schoolroom practice of a half century ago are incredible to a modern pupil. It is well that they have not been continued, but an account of them by an eyewitness is often amusing. One incident from A. H. Hall's "Old Bradford Schooldays" brings up a teacher who clung to the old principle, "No lickin', no larnin'."

WOMEN IN WALL STREET.

They Are Good Winners, but Down Their Losses in Tears. To many brokers women are hoodoos, and some stock exchange houses refuse absolutely to have anything to do with the fair sex. The majority of brokerage firms try their best to keep women's speculative accounts out of their offices. Some houses are obliged to take women's accounts as a matter of personal friendship, but they will not open accounts for other women, no matter how well they may be introduced.

HELPFUL WORDS.

From a Hood River Citizen. Is your back lame and painful? Does it ache especially after exertion? Is there a soreness in the kidney region? These symptoms indicate weak kidneys. There is danger in delay. Weak kidneys first get weaker. Give your trouble prompt attention. Doan's Kidney Pills act quickly. They strengthen weak kidneys. Read this Hood River testimony. Mrs. Annie Samuel, 1210 Seventh St., Hood River, Ore., says: "A year ago I began to suffer from kidney complaint and gravel. My back ached a great deal and the kidney secretions were unnatural. Hearing of a similar case in which Doan's Kidney Pills brought great benefit, I gave them a trial. Less than the contents of one box corrected my trouble and I have had no cause for complaint since."

BAD CHECK ARTIST CAUGHT ON ARRIVAL

Acting on the advice of the authorities of The Dalles, T. Lamphier was arrested here last Saturday by Sheriff Tom Johnson just after his arrival and while he was registering at a local hotel. Lamphier is the son of a well-to-do farmer of Sherman county and is alleged to have drawn bad checks to the amount of \$400 on the Wasco Warehouse & Milling Co. of Moro, which he cashed at The Dalles.

AN EASY TASK.

"Pa, what is a philosopher?" "A philosopher, my boy, is one who tells other people that their troubles don't amount to much."—Detroit Free Press.

A Finishing Touch.

"When Esau gave up his birthright for mere pottage?" "Yes, I know—he made a mess of it."—Exchange.

Joy comes, grief goes, we know not how.—Lowell.

Watch Your Kidneys

Their action controls your health. Read what Foley Kidney Pills have done for your neighbor. Mrs. H. W. Allen, Quincy, Ill., says: "About a year ago my kidneys began bothering me. I had a swelling in my ankles and limbs, then headaches and nervous dizzy spells and later severe backaches. I was getting worse, when I began taking Foley Kidney Pills. I kept on taking them until I was once more free of all kidney trouble. C. A. Plath."

ALL APPLE DISTRICTS WILL COMPETE

For the first time in the history of the Washington State Fair held annually at Yakima all apple growing regions of the Northwest will compete for the \$500 gold cup offered instead of the different counties as has been the custom heretofore. An objection was raised to the old custom on the ground that the difficulty and expense of transporting fruit operated as a handicap in favor of Yakima.

DRINKS HARD CIDER BUNGLES STORIES

A certain editor who was full of hard cider, says the Goldenstate Independent, got a sale bill and a marriage mixed, and the description ran as follows: William Smith, the only son of Mr. and Mrs. J. A. Smith, was disposed of at public auction to Larry Anderson, on my farm one mile east of here, in the presence of seventy guests, including the following, to-wit: Two mules, 12 head of cattle, Rev. Jackson tied the nuptial knot, averaging 1250 pounds on the hoof. The home of this charming bride was tastefully decorated with barbed wire, one sulky rake, one feed grinder, one set of double harness, nearly new, and just before the ceremony was pronounced Mendelssohn's inspiring wedding march was given by one milch cow to be fresh next April carrying a bunch of flowers in and looking charming in a gown made of light spring wagon, three boxes of apples, threefracks of hay, one grindstone, mousline de soie, trimmed with about 100 bushels of spuds. The bride

groom is a well known and popular young man, and has always stood well among society circles of 12 Berkshire hogs while the bride is an accomplished and talented school teacher of a splendid drove of Poland Chinas—pedigree if desired.

Among the presents were two sets of knives and forks, spring harrow, one wheelbarrow, go-cart and other articles too numerous to mention. The bridal couple left yesterday on an extended trip. Term: Two months time to responsible parties; otherwise spot cash. Luncheon will be served at the table.
