On the evening of Friday, August 11th, a concert will be given under the auspices of the Methodist Ladies Aid Society of Odell at the L. O. O. F. Hall in Odell. Ernest E. Fitzsimmons, violinist, and Louis Des Voignes, pianist, both graduates of the W. S. C. School of Music, will be assisted by a local soloist and reader and we believe we can assure the public of one of the best entertainments ever given here. The following clippings express the sentiment in other places where these young musicians have appeared in concert:

"Ernest Fitzsimmons is a member of the College Orchestra and one of the best violin players that has ever attended the college."—Spokane Chronicle.

"One of the enjoyable features of the evening was the rendition of a violin solo by Ernest E. Fitzsimmons. The encore that Mr. Fitzsimmons received was satisfactory evidence that he is a young musician of the first order, and that he is a most fastidious critic."—Davenport.

"Mr. Louis Des Voignes is a graduate of the W. S. C. School of music and is a pianist of ability. His graduation recital was one of the best ever given here and his playing is always liked by his audience."—Prof. Herbert Kimbrough.

"Mr. Louis Des Voignes is a very pleasing pianist. As a graduate he has 'made good' as a representative of the work we are doing. His performances have called forth the highest praise. I commend him to all music lovers, feeling sure as a piano player he will satisfy, please and entertain all who may hear him."—Prof. W. B. Strong.

Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fall. This condition demands Electric Batteries to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Badah, of Tracy, Calif. "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them. 50c. at Chas. N. Clarke.
