### GREENING TO DEDICATE OAK GROVE CHURCH

The Oak Grove M. E. church is to be dedicated next Sunday at eleven A. M. Rev. H. E. Greening, who is pastor of one of the Methodist churches of Spokane, and who has achieved a considerable reputation as an organizer and builder of churches, will be the chief speaker at the dedication service. This neat little church is a credit to Oak Grove and should have the support of the community. A few years ago an attempt was made to erect a union church, but it was found that this was impractical, and that it would be necessary for some one desirous to assume the responsibility for the building if one were erected. The Methodists, being the most numerous, undertook this, but have had the cooperation of the others in the work. The present new edifice is the result. Extra chairs will be provided to seat the crowd next Sunday morning, and the grove and spring nearby offer an attractive luncheon place for those from a distance.

### Unknown Man Killed Near Mosier.

An unknown man, whose age was about 50 years, was struck by west-bound train number 17 Saturday night about three miles west of The Dalles. When picked up he was unconscious. The injured man was placed in the baggage car to be taken to Hood River for medical attention. Death resulted, however, before reaching Mosier. The body was returned to The Dalles where an inquest exonerated the train crew of any blame for the death.

Messrs. Duncan and Bone plan plowing a tract of about 2000 acres in the Camas district.

Sunday afternoon at 3 p. m. Rev. J. B. Parsons will preach at the Columbia school house.
