**MARSHAL ARRESTS**  
**BOX CAR THIEVES**  
City Marshal R. T. Lewis Saturday arrested three alleged box car thieves, all of whom have criminal records, it is said. The men gave the names of John E. Stevenson, Albert Brooks and John Condon.  
The theft took place Thursday night when a through merchandise car attached to a Portland-bound freight train was broken into during the brief time that the train stopped here and about \$1000 worth of goods removed. Among the things stolen were cases of shoes, underwear, flannel shirts, clothing and handkerchiefs. Marshal Lewis found much of the stolen goods had been sold to Japanese, who are working on the railroad near here. The Japanese had given the men about \$50 for goods worth many times that amount. When arrested Saturday one of the men carried a package of the stolen handkerchiefs. The goods were recovered from the Japanese and the three men were identified by the foremen.  
The prisoners were bound over to the circuit court for trial and were removed to the Wasco County jail at The Dalles.  
Detective Ed. Wood, of the O.-W. R. & N. Co., who came to Hood River as soon as the arrest was made recognized Stevenson as William Hooper, who two years ago was tried for burglarizing a jewelry store at Baker. Hooper was convicted of this crime and sentenced to serve 18 months in the state penitentiary. He had served a former term in the Walla Walla prison.  
The car from which the stolen goods were taken made a stop of twenty-five minutes here last Thursday night. During that time the men captured by Marshal Lewis broke open every case of goods in it. The car had on it a seal of the C. N. & W. R. R. From a wheat car, routed from Thornton, Wash., next to it the burglars took a seal to replace the broken one. This was detected as soon as an employee of the railroad company made an inspection on the arrival of the train. Telegraphic messages were sent to all the authorities along the line and resulted in Marshal Lewis' capture. The local officer caught the men in the act of pulling several pairs of shoes out of a hollow stump in the "jungle." He ordered them to throw up their hands, and all did so, except Stevenson, who complied only when the marshal drew back his revolver, threatening to shoot. The total value of the goods stolen is estimated at \$800. One large case is still missing. It is thought that it is cached somewhere in the "jungle."  
**Pifer & Co. Changes Location.**  
J. W. Pifer & Co., who have been occupying the store room on Second street in the Hotel Oregon building together with G. Y. Edwards & Co., the real estate firm, will move next week to the quarters in the same building formerly occupied by Devlin & Firebaugh. Both firms will thus secure larger quarters for the transaction of their business. Pifer & Company will continue to make a special business of books, current publications and stationery.  
Mr. Albert Lathrop entertained the members of the Sunday school with a luncheon and games Friday evening.

**COUSIN OF ARTIST**  
**PASSES BAD PAPER**  
A man who says he is Edward G. Gibson, son-in-law of C. J. Woodbury, a prominent citizen of Oakland, Cal., and a cousin of Charles Dana Gibson, was arrested here Monday for having cashed two worthless sight drafts of \$10 each drawn on W. H. Johns, a New York banker, last Saturday.  
Gibson came here with the avowed intention of purchasing an apple ranch. He is a tall, well dressed man of about 40 and of pleasing address. He made known his plans to realty men, a number of whom passed several days in showing him choice tracts in the best sections. On several occasions, however, he is reported to have drunk heavily.  
One of the drafts was cashed by the Butler Banking Company Saturday before the close of banking hours and the other in the late afternoon by the Mount Hood hotel. Because of the man's subsequent peculiar actions the hotel management and the bank telegraphed the New York man and received the reply that the drafts would not be honored. Gibson is also wanted at Salmon for having jumped the board bill at a hotel there.  
**Gibbons, Zolls.**  
Matthew P. Gibbons, of The Dalles, was married Monday, September 18, to Miss Johanna Zolla, daughter of John G. Zolls, the well known contractor of this city. The ceremony was performed at the Congregational parsonage at The Dalles by Rev. Poling. The young couple will make their future home in The Dalles.
